Actually, yesterday I was nominated for 17 THE WITNESS: Hi. Hello. 17 an Emmy Award for coverage of last year. I've received 18 MS. FOSTER: Good morning, Mr. Ou. Yeah, I have a backpack. I will try to speak 13 Q. Would you be recognizable to the public as a journalist louder. And if you can't hear me, just please let me know 14 when you're out covering an event? 14 15 15 and I can repeat. MS. LANDRUM: Objection --16 THE COURT: I will. Thank you. 16 THE WITNESS: Yes. 17 Counsel, you may proceed. 17 MS. LANDRUM: Objection, calls for speculation. 18 MS. FOSTER: Thank you, Your Honor. 18 THE COURT: Overruled. 19 BY MS. Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 13 15 THE COURT: Okay. And I am going to ask you again BY MS. FOSTER: 1 to please make sure that we can hear you, so please move Q. Have you traveled outside of North America to cover news 3 your microphone closer to you. 3 events? 4 THE WITNESS: Sure. 4 A. Yeah. 5 THE COURT: And, Ms. Foster, I'm wondering if it **Q.** Where have you traveled in your career? 6 might not be better for you to use the podium. Do you mind A. For most of my career I worked in the Middle East. I 6 7 using the podium? was there covering mostly, you know, the Arab world. And 8 MS. FOSTER: No, Your Honor. 8 then I was based in East Africa for quite some time covering 9 THE COURT: Okay. 9 mostly Somalia, Uganda, Sudan. So I've worked mostly 10 THE WITNESS: I'm going to -- can you hear me now? 10 internationally, actually, as opposed to in the U.S. 11 11 MS. FOSTER: And may I remove my mask? Q. What kind of --12 12 THE COURT: You may remove your mask. And also THE COURT: I didn't hear the last thing you said. 13 would you turn off -- okay. The video has been turned off 13 THE WITNESS: I have worked mostly internationally for more of my career than I have spent in the United 14 14 for you. 15 I think this is the better way for us to move 15 States. 16 forward, Counsel, just as we are testing what our 16 THE COURT: Thank you. 17 capabilities are in terms of being able to hear and 17 BY MS. FOSTER: 18 understand everyone with masks or without. So let's proceed 18 Q. What kinds of events have you covered in those 19 in this manner. 19 locations? Can you describe them. 20 20 If any attorney who is questioning a witness feels **A.** In the Middle East, the majority of my work there has 21 21 uncomfortable at the podium because of COVID protections been covering protests, conflict-related events. For 22 22 that are needed, please let me know. You will be permitted example, in Irag or during the Arab Spring, I was in Egypt, 23 to question at your seats if that's what you prefer to do. 23 in Tahrir Square. I was in Libya, for example, when the 24 24 And I believe we have covers for the microphone civil war broke out in 2011. So a lot of the -- because of that we can take off every -- between -- after every 25 25 the nature of, you know, the Middle East and the political 14 16 questioner if needed, so that we can maintain the sanitary situation, it's a lot of, you know, conflict related and needs in order to stay safe in this setting. civil unrest and stories within that. 3 BY MS. FOSTER: 3 Q. Do you ever feel that there are risks to your own -- or 4 Q. So I am going to repeat the question. Where and how do 4 have you ever historically felt that there were risks to you carry your credentials? your own safety when covering those events? 5 5 6 **A.** I usually have a lanyard and then a badge that says, 6 A. Yeah. In a lot of countries in the Middle East or "Press" on it. 7 7 places like Ukraine, there isn't exactly that much freedom

- 8 Q. If there were a state-sponsored credentialing
- requirement, would that make it difficult for you to cover 9
- 10 events?
- 11 A. Yeah. Because I work nationally and internationally and
- because we cover breaking news, we're often going to places 12
- 13 at the last minute to [audio distortion].
- 14 COURT REPORTER: I'm sorry. I didn't hear --
- 15 THE COURT: At the last minute to do what?
- 16 MS. FOSTER: Speak again.
- 17 THE WITNESS: We often have to travel at the last
- 18 minute because I work internationally and nationally.
- 19 Because as journalists we travel a lot and so in a
- 20 breaking-news situation, it's not exactly practical to have
- 21 any one credential for anything. To give an example, I live
- 22 in New York and I can't actually get a credential even in
- 23 New York because of some the requirements that are put on
- 24 us, you know, as journalists in terms of, like,
- breaking-news contexts, et cetera. So it's difficult.

- 8 of the press and so a lot of times I have been targeted for
- 9 my work, you know, arrested. Colleagues of mine have been
- 10 kidnapped. So, yes, it is difficult to work in a lot of
- 11 those places.
- 12 Q. Do you do anything to minimize threats to your safety
- 13 when you are covering a protest event?
- 14 A. Yes. A lot of different -- a lot of protests are just
- 15 very different, so there's not one thing, but it's important
- 16 for us to have, you know, body armor, for example, should we
- 17 need it, to have a gas mask, to have goggles, to have a
- 18 helmet, to have a thing that says, "Press." It really
- 19 depends on the situation, but the key thing for us is to
- 20 always be prepared for every outcome.
- 21 **Q.** Have you developed any practices with respect to where
- 22 you stand when you're covering a protest event?
- 23 A. Yeah, all the time. I think when you cover a protest,
- 24 it's important to be always aware of where your exits are
- 25 and knowing where the police are, where protesters are. And

4

7

17

Goyette, et al. vs. City of Minneapolis, et al.

July 28, 2021

- 1 you kind of have this, like, running commentary in your head
- 2 that if something were to happen, where would you run to,
- 3 how would you get out of there. A lot of times, you know,
- 4 you're just thinking, okay, exit, where's the exit. So
- 5 that's really important. And then also being able to kind
- 6 of muscle memory how to -- where you went into the place, so
- 7 that you can get out should you be tear-gassed, should you
- be unable to see. So, yeah, you kind of have to just
- develop a skill to know how to get out of trouble if you get
- 10 into it.
- 11 Q. Do you make it a practice to avoid standing between the
- 12 protesters and police?
- 13 A. Yes. That area is usually the most fraught place. So
- the best places are places off to the side, where you can 14
- 15 kind of, like, see what's going on and not get in the middle
- 16 of things, that have a good exit and cover as well.
- 17 Q. How close to the protesters do you typically have to be
- 18 to get good coverage?
- 19 **A.** It depends on what you're shooting. If you are shooting
- 20 photos, you tend to need to be a little bit closer, but
- 21 sometimes you kind of just think to yourself, like, when is
- 22 a safe time to get close to protesters to get the shots that
- you need, when is a good time to back off. And it's the 23
- 24 same thing with, you know, police or security forces. You
- kind of just use your intuition to know what the mood is and 25
 - what the situation is to see what's safe and what's not
- 2 safe.
- 3 Q. Would it make it difficult for you to film what's
- 4 happening if you were required to stand and remain in a
- 5 particular spot?
- 6 **A.** Yeah, it would be because protests by their nature are
- 7 very dynamic. Usually they have an element of people
- marching. There's people coming from different places. So 8
- you kind of need to move around a lot, both to have coverage
- and also for safety. Because if a designated place is not
- 11 safe anymore, it could become unsafe within a millisecond
- and then you just have to adapt. So a lot of covering 12
- 13 protests is just -- it's very fluid.
- 14 **Q.** How long did you live in the Middle East, Mr. Ou?
- 15 A. I lived there until about 2017 or so. So about ten
- 16 years.
- 17 Q. And why did you leave the Middle East?
- 18 A. There isn't one particular reason, but it was just
- 19 getting very dangerous to work there. After the Arab
- 20 Spring, countries started becoming progressively more
- 21 dangerous and hostile toward journalists, Cairo, for
- 22 example, when a lot of journalists were arrested. I was
- 23 living in Turkey and I got kicked out of that country. And
- 24 a lot of my colleagues, you know, were being kidnapped in
- Syria. Colleagues of mine have been killed. I had multiple

- incidences where, you know, I got into trouble. And so at
- 2 around that time I kind of decided that it was just getting
- 3 a little bit too dangerous to [audio distortion].

THE COURT: I didn't hear the last thing you said.

19

20

It got a little bit dangerous, and then you said something

6 else and that was not audible.

THE WITNESS: Around that time it got a little bit

too dangerous to work there. And so a combination of those

9 factors led to me leaving the Middle East.

10 THE COURT: Thank you.

- 11 BY MS. FOSTER:
- 12 Q. Did you continue to cover protest activity after you
- 13 moved to New York City?
- A. Yep, I did. When I moved there, Charlottesville 14
- 15 happened, so there was a lot of protests related to that.
- 16 There were protests related to, you know, the Trump
- 17 administration. So, yeah, there's a lot of different
- 18 protests I've covered once I moved to the U.S.
- 19 Q. How concerned were you about becoming a law enforcement
- 20 target once you moved to the United States versus as
- 21 compared to the Middle East?
- 22 **A.** I wasn't concerned when I got there because, you know,
- 23 in the U.S. it felt like it wasn't the Middle East, where
- 24 there is, you know, the First Amendment and there's the
- 25 freedom of the press. And so I wasn't exactly concerned

18

- because it was the one place I actually felt that I could,
- like, very proudly declare that I was a journalist and just 3 do my job without fear of, you know, retribution, like I had
- 4 experienced in a lot of places in the [audio distortion].
- 5 THE COURT: I didn't hear the last bit again.
- 6 THE WITNESS: Sorry. It was one of the places --
- the U.S. is one of the places where I felt that I could
- operate pretty freely and film, you know, the police, cover 8
- 9 the police as long as I was, you know, not interfering with
- 10 their work. So I didn't feel unsafe at all.
- 11 BY MS. FOSTER:
- 12 Q. Did you cover the May 2020 Minnesota protests following
- 13 the death of George Floyd?
- 14 A. Yes.

- 15 **Q.** Who was your employer at the time?
- 16 A. I was a staff journalist with NBC News.
- 17 **Q.** And what day did you arrive in Minnesota?
- 18 **A.** The 30th of May 2020.
- Q. And do you recall the approximate time when you started 19
- 20 filming events after your arrival?
- 21 A. Yeah. I landed around 5:00 and we met -- we had a
- 22 briefing with the team, the NBC News team there, and I
- 23 started shooting at around 6:30, 7:00-ish.
- 24 Q. Were you aware, when you began filming, of a curfew in 25 place?
- Lori A. Simpson, RMR-CRR

- 1 **A.** Yes, I was aware of a curfew, but I --
- 2 Q. What was your understanding with respect to whether it
- 3 covered the media?
- A. Yeah, as I understood it, it didn't cover -- like, we
- 5 were exempt, we, as the media, were exempt from that curfew.
- **Q.** Were you visibly identifiable as a member of the media 6
- while you were out there? 7
- 8 A. Yes. I was wearing --
- 9 MS. LANDRUM: Objection --
- 10 (Simultaneous indiscernible crosstalk)
- THE COURT: Wait. You stop. We have an objection 11
- 12 and so I need to hear the nature of the objection, please.
- 13 MS. LANDRUM: Objection, Your Honor, calls for
- 14 speculation.
- 15 THE COURT: Overruled.
- 16 BY MS. FOSTER:
- 17 Q. Mr. Ou, you may answer.
- **A.** Sorry. What was the question again? 18
- Q. Sorry. The question was whether you were visibly 19
- 20 identifiable as a member of the media while you were out
- 21 there.
- 22 **A.** Yes. I had cameras and a press badge with me that was
- very -- which made me obviously a member of the press. 23
- 24 **Q.** Were you also wearing a lanyard with your press badge?
- A. Yeah, I had a lanyard with the NBC News logo that says, 25

 - "NBC News" on it and then a badge that also says, "NBC" and
- 2 "Press" on it.
- 3 Q. Okay. And where in Minneapolis did you go?
- 4 A. I went to the Fifth -- so the first place that we went
- 5 was the Fifth Precinct because we had heard that there was a
- 6 rally there. So that was the first place, the precinct. It
- 7 was the first place I covered, started shooting, but then we
- 8 had like a briefing or meeting, I think on Lake Street,
- 9 before that.
- Q. Okay. Can you describe the area when -- not the
- 11 briefing, but when you started covering the rally, where
- 12 were you standing?
- 13 A. So the rally took place between 31st Street and, like,
- 14 this bus station that was, like, right next door and then
- 15 Nicollet. So the protesters had set up like a temporary --
- 16 not podium exactly, but there was, like, a mini stage-ish
- 17 area where people were standing, and most people were
- 18 sitting down. It was like a rally that was, like, right on
- 19 31st and Nicollet and people were giving speeches and had
- been occupying kind of that space, you know, giving speeches 20
- 21 and listening to -- they were chanting and stuff like that.
- 22 **Q.** Were there any other reporters present?
- 23 **A.** Yes, there were many, many reporters.
- **Q.** And how did you know that they were reporters?
- 25 A. Well, so, first off, it's a really small world of

- journalists, so I recognized a lot of colleagues who are
- 2 also friends, so we caught up with them. And then a lot of
- 3 people had, you know, cameras and were filming and they had

23

- 4 tripods and kind of journalistic equipment.
- **Q.** Did you see anyone there who was audibly claiming to be
- a reporter whom you know was not a reporter? 6
- 7
- Q. When you arrived, were any of the people participating
- in the rally engaging in violent or threatening behavior?
- 10 A. No, they weren't.
- 11 Q. Was anyone from law enforcement in the area?
- 12 **A.** Yeah. There were state troopers kind of off to the
- 13 side, down the street from Nicollet, closer to 32nd Street,
- kind of, like, at [audio distortion]. 14
- 15 COURT REPORTER: I'm sorry. I didn't hear the
- 16 last part he said.
- BY MS. FOSTER: 17
- 18 **Q.** Can you repeat that, please?
- 19 **A.** Yeah. There were, I think, Minnesota state troopers on
- 20 the south side of Nicollet, like, towards, like, 32nd Street
- 21 or so. They had been filing kind of in and out of the Fifth
- 22 Precinct.
- 23 **Q.** Was anyone throwing projectiles at the state troopers?
- 24
- Q. Did you see any fires burning? 25
 - A. No, I didn't.
- 2 Q. Did you see anyone looting?
- 3
- 4 Q. How would you describe the mood of the crowd at that
- 5 point when you were watching them rally?
- 6 **A.** When I first got there, it was -- I guess the mood, I
- 7 would say, would be there was -- people were giving
- speeches, talking about kind of, like, their engagement with 8
- 9 race. So I would say it was actually kind of quite
- 10 cathartic and the mood was guite high. It was a pretty calm
- 11 mood because people were mostly giving speeches and most
- 12 people, except for the people who were speaking up on this
- 13 mini podium thing, they were mostly sitting down and kind
- 14 of, like, cheering on the people who were giving speeches.
- 15 Q. Did the mood of the crowd change at some point?
- 16 **A.** Things turned a little bit tense. We all got a text
- 17 message on our phone that [audio distortion].
- 18 **Q.** We lost sound, and I'm not sure why. But can you start
- 19 over again?
- 20 A. Things turned a little tense when we all got this, like,
- 21 push alert on our phones that said that there is a curfew
- 22 coming up. And so everyone took time to look at their
- 23 phones, and that was kind of like a signal that -- you know,
- 24 the mood went from calm and I wouldn't use the word
- celebratory, but it went to, like, what's going to happen. 25

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 25 27 1 It got tense. MS. FOSTER: I will continue to do that if it is 1 2 Q. And what did the state troopers do at that point? 2 helpful. 3 **A.** So at that point they had started to form a line around 3 THE COURT: Would you please do that. It will 4 32nd Street and Nicollet, so Nicollet and 32nd Street. Most 4 make for a clear record. 5 of the protesters were kind of still on 31st kind of near 5 MS. FOSTER: Absolutely. 6 the bus station where they were rallying. And so the 6 BY MS. FOSTER: cops -- sorry, the State Patrol were gathering and forming a Q. At this point was the -- oh, so we were talking about 7 8 line. the announcement that we heard on the video of the curfew. Q. Mr. Ou, did you have an opportunity to film this portion Again, it was your understanding that the curfew did not 9 10 of the events that we've been talking about? 10 apply to journalists; is that what you testified to earlier? 11 **A.** Yes. 11 **A.** Yes, we didn't think it applied to us. 12 **Q.** And have you had an opportunity prior to this hearing to 12 Q. At this point in time was the crowd getting more review the video that was previously marked as Plaintiffs' 13 agitated? 14 Exhibit 14? 14 **A.** There were a few protesters that you saw on the video 15 **A.** Yes. 15 that were saying things at the State Patrol. They were 16 Q. Is Plaintiffs' Exhibit 14 a copy of the video that you 16 giving them the finger. You know, there were a few people took that night? 17 17 who were saying not-so-nice things [audio distortion]. 18 A. Yes. 18 Q. Aside from --19 19 MS. FOSTER: Your Honor, I would like to offer THE COURT: I didn't hear the last thing you said, 20 Plaintiffs' Exhibit 14. 20 sir. Would you say -- "there were a few people that," and 21 21 THE COURT: Any objection to the admission of then you trailed off. 22 22 Exhibit 14? THE WITNESS: That were saying not-so-nice things 23 MS. LANDRUM: No, Your Honor. 23 to the State Patrol --THE COURT: Exhibit 14 is admitted in evidence. 24 24 THE COURT: Thank you. 25 MS. FOSTER: Now I would like to publish a portion 25 THE WITNESS: -- profanities. 28 26 of that video, if you would, Leslie? BY MS. FOSTER: 1 2 THE COURT: You may. Let's verify that our **Q.** Aside from those profanities, were any of the protesters 3 witness also can see that portion or the video as you are 3 looting or behaving violently at that point? 4 playing it. 4 A. No. 5 MS. FOSTER: Can you see the video? 5 Q. What did the State Patrol do after announcing the 6 THE WITNESS: Yes, I can see the video. 6 curfew? 7 THE COURT: Very well. Thank you. 7 **A.** So it was pretty quick. We had -- all us journalists 8 (Video recording played) 8 kind of went off to the side, to the right of where you saw, BY MS. FOSTER: and pretty immediately they started to attack us and launch 9 9 Q. At this point, Mr. Ou, did you hear the announcement 10 concussion grenades at us pretty quickly. And so that 11 that was being made by the troopers? 11 escalated and -- yeah, so we were attacked. 12 **A.** Yes. 12 Q. So you said you moved off to the side. And who were you 13 13 **Q.** Were they announcing a curfew? standing with when you moved off to the side? 14 A. Yeah. They were telling the crowd to disperse, as I 14 **A.** I was standing with a group of journalists and my understood it. 15 15 colleagues, and so we were -- we kind of, like -- at that 16 **Q.** And --16 moment, you know, like, because, you know, we felt it was 17 THE COURT: Ms. Foster, is there a way for you to 17 kind of -- like, we just gravitated and stayed into a group 18 identify where on the video you have stopped the video just so that we could be easily, like, discerned from the so we have --19 protesters. So there was like an alcove that also gave us, 19 20 MS. FOSTER: I believe we stopped --20 you know, cover and so we kind of just, like, went off to the side. 21 THE COURT: -- a clear record? 21 22 MS. FOSTER: -- at 59 seconds, 58 or 59 seconds. 22 **Q.** At least initially did you feel safe in that alcove? 23 THE COURT: Thank you. 23 A. I did, actually, because when I was talking about, like, 24 MS. FOSTER: 58 seconds. 24 where our egress is and what our cover is, these alcoves 25 THE COURT: You may proceed. 25 actually provided us a really good cover so that we had like

- 1 a solid wall in front of us kind of, like, blocking us so
- 2 that should there be any projectiles, we had a place to
- 3 duck.
- 4 Q. Were there any protesters standing in the alcove with
- 5 you?
- 6 **A.** No.
- 7 **Q.** And you mentioned being attacked. Can you describe for
- 8 me what happened to you.
- 9 **A.** It happened really quickly. They were -- we were
- 10 shooting and then all of a sudden something started being
- launched at us and a projectile of some sort exploded in 11
- 12 front of my face, and that disoriented us because I think it
- 13 was a concussion grenade.
- 14 And so as I was trying to get my bearings, the
- 15 State Patrol, the state troopers came up to us pretty
- 16 quickly and I was pepper-sprayed in the face. And then they
- 17 kept on throwing concussion grenades at our feet, so they
- 18 kept on exploding. And so as I was pepper-sprayed, I
- couldn't see. 19
- 20 I figured that they would -- we were in these
- 21 alcoves, so that they would just pass us so that they
- 22 could -- you know, if they were trying to disperse the
- 23 crowd, they would just pass us. But then they kept on --
- 24 they targeted us and they kept corralling us into the place
- 25 where the protesters were, and we were -- it was -- it

 - happened really quickly and it was quite confusing because I
- 2 thought that they were just trying to move past us, but over
- 3 time it was pretty clear that we were being targeted and,
- 4 yeah, they were actively -- they were trying to disperse us
- and they were trying to get us into -- kind of, like, mix us 5
- 6 in with the protesters.
- 7 MS. FOSTER: So at this point in time I would like
- to play another portion of the video, starting at -- where
- we left off and going through a minute, approximately a
- 10 minute and 34 seconds.
- 11 THE COURT: Thank you, Counsel. You may.
- 12 (Pause)
- 13 MS. FOSTER: We are trying to get the technology
- worked out. Sorry. 14
- 15 (Pause)
- 16 MS. FOSTER: I apologize, Your Honor.
- 17 THE COURT: That's quite all right.
- 18 (Pause)
- MS. FOSTER: She's having trouble with sharing the 19
- 20 screen. She said she got booted out.
- 21 THE COURT: Let's pause. We can go off the record
- 22 for this.
- 23 (Discussion off the record)
- 24 MS. FOSTER: Thank you, Judge.
- THE COURT: You're welcome. We'll move forward. 25

- (Video recording played) 1
- 2 BY MS. FOSTER:
- Q. Mr. Ou, at the very end of that segment we saw a bright

31

32

- flash and we heard some screaming. Is that the point at
- which the projectile hit you?
- A. Yes. 6
- 7 THE COURT: Counsel, is it possible to identify
- where on the recording we are -- you stopped the display
- just so that it's clear in the record what you are referring
- 10

12

- 11 MS. FOSTER: Yes. A minute 34.
 - THE COURT: Perfect. Thank you.
- 13 BY MS. FOSTER:
- 14 **Q.** Could you tell who threw it?
- 15 **A.** It came from the state troopers.
 - Q. Do you know what that object was that hit you?
- 17 A. I'm not an expert on this, but I think it was a
- 18 concussion grenade that exploded that was launched.
- Q. Did it hurt? 19
- 20 **A.** It happened pretty quickly, so it was disorienting.
- 21 Yeah, it -- pain, I guess, at that moment doesn't really
- 22 register to --
- 23 Q. Okay. Did it cause you any injuries?
- **A.** Yeah. It hit my forehead right here (indicating). In 24
- 25 fact, you can still see a scar from it.
- - Q. At this time I would like to direct your attention to a

photograph that I showed you before the hearing. It was

- previously marked as Plaintiffs' Exhibit 10. Did you
- 4 recognize that photo?
- **A.** That's a question for me? 5
- 6 Q. Yes.

7

9

- MS. ANDERSON: I just got kicked out of Zoom, so I
- might need just a minute. 8
 - MS. FOSTER: All right. We are having more
- technical issues with the wifi. It's booting us out 10
- 11 periodically.
- 12 BY MS. FOSTER:
- Q. We can talk about Plaintiffs' Exhibit 10 while she's 13
- 14 getting back booted up. Did you recognize that photograph?
- 15 I think you said yes?
- 16 **A.** Yeah, [audio distortion].
- 17 Q. What is that --
 - COURT REPORTER: I didn't hear that answer.
- 19 THE COURT: Let's stop right here. Let me just
- 20 ask you to stop right here. I'll ask -- we are off the
- 21 record now.
- 22 (Discussion off the record)
- 23 BY MS. FOSTER:
- Q. Are you familiar with Plaintiffs' Exhibit 10?
- 25 A. Yeah. I am looking at it right now.

1 Q. Okay. You have -- I sent you a copy of it before the

hearing so you would have that in front of you. What is

3 that a --

4 THE COURT: Let me just stop here. I want to make

5 sure, Ms. Landrum, that you have access to the exhibit that

is being referred to and that you are able to follow along 6

with the examination that's being made as to exhibits. So 7

8 are you able to do so?

MS. LANDRUM: Yes, Your Honor. I have paper

10 copies of all the exhibits, except for videos, right in

11 front of me.

9

12 THE COURT: Okay. So for purposes of this

13 hearing, we will be a little disorderly and that is to say

that if at any time you are having difficulty seeing any 14

15 exhibit that's being addressed, Counsel, please let me know

16 that and we will make sure that we remedy that problem using

17 whatever ingenuity we can muster to do so. Okay?

18 MS. FOSTER: Thank you, Your Honor.

19 THE COURT: Thank you.

20 MS. FOSTER: Thank you.

21 THE COURT: You may proceed.

22 BY MS. FOSTER:

Q. Mr. Ou, could you please describe what Plaintiffs' 23

24 Exhibit 10 is.

25 A. That's a photo of me after I was hit in the face and --

34

it's me after what happened.

Q. On May 30th at the protest after you were hit with the

projectile; is that what you mean?

4 A. Yeah, and after I was pepper-sprayed in the face as

5 well.

6 Q. Okay.

7 MS. FOSTER: At this time I would like to offer

Plaintiffs' Exhibit 10 and I would like to publish it. 8

MS. LANDRUM: No objection, Your Honor. 9

10 THE COURT: Okay. Exhibit 10 is received in

11 evidence and you may publish.

12 (Pause)

13 THE COURT: Let's take a brief recess now. We

will go off the record. We can keep all of our video and 14

15 audio up so that we are all hearing and speaking to each

16 other and we can make sure that we know what we need to do

17 in order to display exhibits. Okay?

18 MS. FOSTER: Thank you. I apologize for this,

19 Judge.

20 THE COURT: Please don't apologize.

21 (Discussion off the record)

22 THE COURT: We are ready to proceed. We are back

23 on the record now.

24 BY MS. FOSTER:

Q. Mr. Ou, we are looking at Plaintiffs' Exhibit 10. What

does this show?

A. This is me after I was attacked by the police.

Q. And what is -- why is your face red in this picture?

A. It's a combination of blood and pepper spray.

Q. And was this caused by the -- was the blood caused by

35

6 the projectile that hit you?

A. Yes, I think so, and amongst other things.

Q. Okay. And you mentioned being pepper-sprayed. Who

pepper-sprayed you?

10 A. The Minnesota State Patrol.

11 **Q.** What kind of uniform was the individual who

12 pepper-sprayed you wearing; do you recall?

13 **A.** A person wearing riot gear, like a -- one of those,

like, state trooper things and black armor thing and then a 14

15 big helmet.

16 Q. Okay. And so you said a state trooper thing. Was there

17 a state trooper label on the uniform?

18 **A.** I think so, yeah.

19 Q. Okay. How far away was he standing from you when he

20 sprayed you?

21 A. They were like a foot away from me, like, right next --

22 right in front of me.

23 Q. Were you standing next to any protesters at that time?

24 A. No.

25

4

6

MS. FOSTER: Okay. At this point in time I would

like to play the next segment of the video, starting at a

2 minute 34.

3 (Pause)

MS. FOSTER: It appears we don't have audio.

5 (Video recording played)

THE COURT: Please make a record where the video

has stopped if you are going to question about what we have

8 seen so far.

9 MS. FOSTER: I believe we stopped at 2 minutes and

10 13 seconds.

11 THE COURT: Thank you.

12 BY MS. FOSTER:

Q. Was it obvious that you were a journalist when this 13

14 happened?

15 A. Yes.

16 **Q.** Were you still carrying professional camera equipment?

17 **A.** Yeah, I had a camera and then my press credentials.

MS. LANDRUM: Objection, Your Honor. This

19 testimony calls for speculation, has a lack of foundation.

20 He can't testify as to what other people's perception of him

was.

18

21

22 THE COURT: Sustained. You may restate the

23 question in a manner in which you elicit the information you

24 need.

25 BY MS. FOSTER:

BY MS. FOSTER: 23 COURT REPORTER: I didn't hear that either. 23 24 Q. As you can see in the picture, there's, it looks like, a 24 BY MS. Did the trooper who sprayed you warn you before he did 17 think what is happening is when he moves a lot, we lose the

- 18 it?
- 19 **A.** No.
- 20 **Q.** Did he appear to be intentionally targeting you? Was
- 21 that your perception?
- 22 A. Yes.
- 23 MS. LANDRUM: Objection, Your Honor, again, lack
- 24 of personal knowledge and speculation.
- 25 MS. FOSTER: Your Honor, I'm asking about his

- 18 audio.
- 19 MS. FOSTER: Yeah, so if you could avoid moving 20 back and forth. Sorry.
- 21 THE WITNESS: So, yeah, I was blind at this point,
- 22 so I don't know exactly what hit me. But I was shoved
- 23 around. At some point in time I also hit a wall. I don't
- 24 know if I was being -- I was running into other people or if
- 25 I was being hit from behind by other people or people were

bumping into me. I don't know because I was blind at that

- 2 moment.
- 3 BY MS. FOSTER:
- 4 Q. Why were you blind?
- 5 **A.** Because I was pepper-sprayed in the face, and there was
- 6 also blood streaming down. So I don't know what -- it was a
- combination of [audio distortion]. 7
- 8 COURT REPORTER: A combination of? I didn't hear.
- 9 BY MS. FOSTER:
- 10 Q. You didn't finish the sentence. It's a combination of
- 11 what?
- 12 **A.** It was a combination of both pepper spray and then 13 blood, which I didn't know at that time what it was, but I
- 14 couldn't see.
- 15 Q. Okay. Did you leave the alcove that you were standing
- 16 in after you got pepper-sprayed?
- 17 **A.** Yes. We were pushed away from that alcove. I thought
- 18 that in that alcove the state troopers would pass us, but
- 19 they did not.
- 20 **Q.** Where did you go?
- 21 **A.** We were corralled down Nicollet Street towards 31st.
- 22 So, yeah, we kept on trying to stay in the alcove to get out
- 23 of the way of the state troopers, but then they specifically
- 24 kept on pushing us forward into where the rally was
- 25 happening. I was trying to just leave, but I couldn't see,
 - 42
- 1 so I got, like, corralled into kind of, like -- in the bus
- 2 station there was like a fenced-off area, which I think is
- 3 where the power generator or something was, and so we got
- 4 trapped inside like a fenced-off area.
- 5 **Q.** When you say "we," who do you mean other than yourself?
- 6 A. Myself and the journalists I was with.
- 7 **Q.** So it was a whole group of journalists that went to this
- 8 area?
- 9 **A.** Yes.
- 10 Q. Did the protesters come with you or were you segregated
- 11 from the protesters?
- 12 A. I didn't see protesters. I was mostly -- we were in a
- 13 pretty packed group of journalists. So, as I recall, it was
- 14 mostly journalists I was with.
- 15 **Q.** Were you safe there?
- 16 **A.** No, I wasn't because we were trapped. And then the
- 17 state troopers came and they kept on throwing concussion
- 18 grenades at us, telling us to leave, but there was nowhere
- for us to go. So, no, I was not safe there. We would have
- 20 been safe if we weren't [audio distortion].
- 21 THE COURT: I didn't hear you. You said we would
- 22 have been safe if what?
- 23 THE WITNESS: If we weren't targeted by the state
- 24 troopers.
- 25 MS. FOSTER: At this point I would like to play

- another segment of the video, starting at where we left
- 2 off --

4

7

10

- 3 THE COURT: You may.
 - MS. FOSTER: -- and going through 3 minutes and

43

44

- 5 46 seconds, approximately.
- 6 (Video recording played)
 - THE COURT: Let's stop here. You've made the
- record clear you have been -- the video played from 2:13 to
- 9 what is the stopping point?
 - MS. FOSTER: 3:46.
- 11 THE COURT: 3:46. Thank you, Counsel.
- 12 BY MS. FOSTER:
- 13 **Q.** Mr. Ou, towards the end of that video there were people
- climbing over a wall, it appeared. Do you know who those 14
- 15
- 16 **A.** Yes. So the first batch of people who were passing the
- 17 microphone, I think that was a TV crew. And then the second
- 18 person who was shoved over the wall is a colleague and
- friend of mine. His name is Mike Shum. 19
- 20 Q. You said he was shoved over the wall. Did you see who
- 21 was shoving him?
- 22 **A.** It was the state troopers who did that.
- 23 Q. Did you climb over the wall?
- A. I tried to at first, but I couldn't see and it was a 24
- pretty high wall, so I -- like, I couldn't see, so it just 25
- - 1 felt a little bit dangerous. So I was very disoriented at that time. But I had thought about this, but I had a
 - 3 backpack and all my camera gear and I couldn't see and I was
 - 4 bleeding, so it felt really -- it just -- I tried to, but it
 - 5 seemed a little difficult.
 - Q. You said you were having trouble breathing. Why were
 - you having trouble breathing? 7
 - **A.** Because I was pepper-sprayed in the face.
 - Q. Okay. Are you familiar with Plaintiffs' Exhibit 9,
 - which I sent to you prior to this hearing?
 - 11 A. Let me just take a look. Yes.
 - 12 Q. Do you recognize that photograph?
 - A. Yes. 13
 - 14 **Q.** What is that a photograph of?
 - 15 **A.** That was an N95 mask I was wearing at that moment.
 - 16 Q. And was this taken during the Floyd protests on
 - 17 May 30th?
 - 18 **A.** It was taken after, when I got back to the hotel room
 - 19 where I was staying.
 - 20 MS. FOSTER: Your Honor, I would like to offer
 - 21 Plaintiffs' Exhibit 9.
 - 22 MS. LANDRUM: No objections.
 - THE COURT: Exhibit 9 is received in evidence.

 - 25 **Q.** So what appears to be covering your mask in this photo?

CASE 0:20-cv-01302-WMW-DTS Doc. 219-1 Filed 09/03/21 Page 12 of 78 Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 45 47 1 A. I think it's a combination of blood and also pepper on fire and then something hurt. 2 spray or Mace. 2 Q. Did you go anywhere? **Q.** Did that make it difficult for you to breathe, the fact A. I tried to get help. And I was really disoriented, so I that your mask was covered in substances? was just trying to get out of that situation and find some 5 **A.** Yeah. 5 help. 6 6 Q. Did any of the troopers approach you while you were **Q.** Who did you ask for help from? trapped against the wall in that area? **A.** The law enforcement officers. There were state troopers 8 **A.** Yeah. One person, I think, threw a concussion grenade that were filing through and then, I think, Minneapolis at us and grabbed me, I think, as I remember, and I was kind Police were kind of passing me. 9 10 of, like, handled. But, yeah, I -- but it was hard for me 10 Q. Did anyone help you? 11 to see, so I think that's what happened. 11 A. No. 12 **Q.** Did they say anything? 12 Q. Were you still recording while all of this was 13 A. They -- I remember they said, like, "What do you want me 13 happening? 14 to do with this person?" I thought that they were going to 14 **A.** As you saw in the video, around like a minute before, I 15 arrest me. And at that point I just wanted anything to get 15 was trying to. So when I got into the alcove, I was kind 16 out of that situation. If they arrested me, so be it. I 16 of, like, still trying to film a little bit, but then I 17 just wanted to get out of the alcove because there was 17 couldn't see. So I was, like, half trying to do my job, 18 nowhere else to go. 18 thinking at that alcove that I was then finally safe, and 19 then the state troopers came and started throwing grenades 19 **Q.** Did they arrest you? 20 20 A. No. at us again and so then I went into survival mode again. So 21 I tried to report, but I couldn't. MS. FOSTER: I would like to play the video, 21 22 another segment, starting at where we left off. 22 MS. FOSTER: I would like to play another segment 23 (Video recording played) 23 of the video, starting at 3:51. 24 MS. FOSTER: I don't know if you heard that. 24 (Video recording played) 25 Should we -- can we replay that? 25 MS. FOSTER: So, for the record, we have stopped 48 1 THE COURT: And let's identify what portion of the at 5 minutes and 15 seconds in Plaintiffs' Exhibit 14. video that is. Is it 3:50? BY MS. FOSTER: 3 MS. FOSTER: It's 3:51 -- so 3:46 to 3:51. 3 Q. Who ultimately helped you at the end of that video, 4 THE COURT: Thank you. 4 Mr. Ou? 5 MS. FOSTER: Very brief segment. 5 **A.** A colleague of mine and a friend. His name is Peter van 6 (Video recording played) 6 Agtmael. 7 BY MS. FOSTER: 7 **Q.** Where did he take you? 8 **Q.** So is he talking about maybe handcuffing you? 8 A. He took me to the corner of 32nd, so down Nicollet, and A. Yeah. They said, "What do you want me to do with this?" 9 he kind of gave me first -- to the -- I guess the -- not the 10 The "this" was me. corner. So he started helping me there, and then we had to 10

11 Q. Okay.

12 **A.** I'm the "this."

13 **Q.** Was it obvious that you were injured at that point?

14 A. Yes, I --

15 Q. I'm sorry. Was it your perception that it was obvious

that you were injured at that point?

17 **A.** I was bleeding in my face, so, yeah, I was injured.

18 **Q.** Did the troopers offer to help you?

19 A. No.

20 Q. What did you do when they left?

21 A. I was asking for help.

22 Q. Were you still bleeding as you were asking for help?

23 A. Yeah. I also couldn't see and I was in considerable

24 pain, but it was -- I didn't know where -- this happened

very quickly. So mostly I couldn't see and then my face was

11 run again because I think they started -- so he was trying

12 to give me first aid, and some other civilians or bystanders

showed up and someone gave me water and someone gave me a 13

14 T-shirt and gauze and stuff. And so we were there for a

15 second and then we had to move again because there was

16 cops or there was explosions or concussion grenades and

17 [audio distortion].

18 Q. You faded out again. I'm sorry. Could you repeat the

19 end of that? You said you had to leave again because?

20 **A.** Because we were -- I guess we were targeted again by

21 concussion grenades. So everyone ran closer down

22 32nd Street and we got cover by the bus depot, like, just

23 half a block down.

24 **Q.** Eventually were you able to get medical treatment?

A. Yeah. I reconnected with the colleagues I was with, my 25

49

reporting partner, and they patched me up or they put gauze

- on my face, but then I kept on bleeding and eventually I had
- 3 to go to the hospital.
- Q. How long were you at the hospital? 4
- 5 A. Around four hours or so.
- **Q.** What did the doctors do to treat your injuries? 6
- **A.** They stitched my -- they gave me four stitches, and then
- I got a tetanus shot and a bunch of tests. I forget what.
- But they gave me tests and then they stitched me up.
- 10 Q. Was it painful?
- 11 A. It was pretty painful, yes.
- 12 Q. You said it took several hours. Did you get a
- 13 diagnosis?
- A. It was pretty clear what had happened. So it was trauma
- 15 to my face.
- 16 **Q.** Okay.
- 17 **A.** But then the other thing, too, is I had pepper spray
- 18 still kind of, like, dripping down all over my body, so that
- 19 was -- it was a combination of many things.
- 20 **Q.** Were you able to continue your coverage of the events
- 21 that night?
- A. Not that night. Actually, our editors pulled out a lot
- 23 of the teams working and we were all told to go back to our
- 24 hotels.
- 25 Q. Why did they do that? What was the reason you were

- 1 given?
- A. After -- I had not known this, but other people from NBC
- 3 News were attacked that night by law enforcement and so they
- 4 deemed it was too dangerous for us to stay out.
- MS. LANDRUM: Objection, Your Honor, hearsay. 5
- 6 That testimony was based off of hearsay, about the other
- 7 attacks.
- 8 THE COURT: Counsel?
- MS. FOSTER: He's explaining what his 9
- understanding of the events was and the reason for the
- 11 reporters being taken off the street.
- 12 MS. LANDRUM: With that understanding, Your Honor,
- 13 it's based off hearsay alone versus his personal knowledge.
- 14 THE COURT: Sustained.
- 15 MS. LANDRUM: Thank you, Your Honor.
- 16 BY MS. FOSTER:
- 17 **Q.** What happened the next day, Mr. Ou?
- 18 **A.** So the next day being -- so this happened at 8:00 on the
- 19 30th, and the next day was -- if you are asking what
- 20 happened, like, at midnight, I was in the hospital and I was
- 21 there until around, I think, in the early morning and then
- 22 we went to the hotel because we hadn't checked in yet.
- 23 And so I checked into the hotel with a bloody face
- and I -- it took another few hours to just clean my face,
- and so I started to file all my footage that night. So it

was a combination of working and then talking to, you know,

July 28, 2021

51

- 2 my girlfriend, my partner, and then also cleaning my face.
- 3 And then I talked to my editors when they woke up
- 4 and told them -- we kind of had a debriefing of what
- 5 happened. They asked me if I wanted to stay there, and I
- did. And so we made a plan with Dani, the reporter I was 6
- with, to go back out and keep working.
- Q. And where did you go back out?
- 9 A. In the morning we went by 30th and Chicago to just see
- 10 what was happening there. I found -- I had met some
- 11 characters, some people the night before, who I called and
- 12 we filmed them at home.

And then there was a protest in the evening near a highway, like on a highway, which I don't remember the name

- 15 of the highway because I'm not from Minneapolis, but. So
- 16 there was a protest there and that's what -- that was our
- 17 day. We were going to protests.
- 18 Q. And where were you when you were covering the
- protests -- that protest that was on the highway, where were 19
- 20 you standing?

13

14

- 21 A. We originally went down to kind of, like, this exit
- 22 ramp, but there was a lot of state troopers and I was pretty
- 23 shaken, so we kind of pulled back. And then I was filming
- 24 from like an overpass looking down at things. But we kind
- 25 of kept our distance.

- **Q.** Why did you keep your distance?
- A. I was scared. I didn't know how to act around the
- 3 police or just law enforcement in general because what
- 4 happened the night before really caught, I think, a lot of
- 5 us -- well, it caught me off guard and I just didn't know
- 6 how they would react to us because they targeted us pretty
- 7 deliberately the night before and I just wasn't sure, like,
- what -- whether they would attack us again. 8
- 9 Q. So did having been attacked and targeted the night
- 10 before affect where you decided to cover the events the
- 11 following night?

THE WITNESS: Yes.

COURT REPORTER: Excuse me. Is your microphone

on? I am having trouble hearing you.

MS. LANDRUM: Oh. My apologies, Your Honor.

19 THE COURT: And if you would like, you may remain seated, because it might be the best way for us to hear you.

21 And the Court knows you respect the Court. Thank you.

22 MS. LANDRUM: Thank you, Your Honor. We are

- 23 objecting to this line of testimony, the questions and the
- 24 answers, with regard to the phrase "intentional and
- 25 deliberate targeting." There's a lack of personal knowledge

CASE 0:20-cv-01302-WMW-DTS Doc. 219-1 Filed 09/03/21 Page 14 of 78 Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 53 55 1 and speculation as to the state of mind of any Q. 3 object on those bases. 3

4 MS. FOSTER: Your Honor, this line of questioning 4 5 5 goes to Mr. Ou's state of mind and to his perception that he

was being attacked and targeted. It's totally proper. 6 6

MS. LANDRUM: Your Honor, if I may, the phrase "deliberate and intentional," those are phrases that are

going at the state of mind of other actors who are not

10 Mr. Ou.

7

11 THE COURT: I will overrule the objection. My

12 hearing of the witness was his rationale and his

13 understanding and his reasons for his actions. So the Court

is receiving that evidence in that manner. 14

15 MS. LANDRUM: Thank you, Your Honor.

16 BY MS. FOSTER:

17 **Q.** So you were -- were you concerned about getting

18 assaulted again?

19 A. Yes. I was scared.

20 Q. Has that had a lasting impact on your ability to do your

21 job as a journalist?

22 A. Yeah, it has, even now.

23 Q. Did you return to Minneapolis in April 2021?

24 A. Yes.

25 **Q.** And why did you return to Minneapolis at that time?

1 A. I was assigned to cover the Chauvin verdict. It was --2 at that time we were expecting that there would be a verdict

3 in the trial. So around that same time there was another

4 incident in Brooklyn Center and so there were protests

5 related to Daunte Wright. And so around that same time that

6 I was going to cover the Chauvin verdict, that happened, so

7 we went.

8 Q. Where did you go in Brooklyn Center?

9 **A.** I went to the police department, where protests were

10 happening.

11 **Q.** And what kind of story did you cover there?

12 **A.** I did a combination of news, but I stayed back a bit.

13 So I did a story where I covered -- I was inside an

14 apartment building that overlooked where the protests were

15 happening and so I was with a family watching them kind of,

16 like, witness what was happening from their balcony because

17 their house/balcony looked over, right over, the police

18 station.

19 **Q.** Did that story get published?

20 A. It was published in The New York Times.

21 Q. Where were you physically located when you were covering

22 that story?

23 **A.** At the beginning I was kind of covering a march down on

24 the ground, but as things became a bit more tense, I went

inside and stayed inside this apartment block --

MS. FOSTER: I'm sorry.

THE COURT: -- his response.

MS. FOSTER: I thought he was done.

THE COURT: You may finish your response.

THE WITNESS: Yes. So I was inside of an

apartment block filming from someone's house.

BY MS. FOSTER:

10 **Q.** Why did you choose that location?

11 **A.** It felt safer because, you know, it was -- it was

12 difficult covering Minneapolis because, again, law

13 enforcement was really unpredictable, and that was

consistent. And I just really didn't want to get targeted, 14

15 so I decided to be somewhere safer.

16 **Q.** Was there a curfew in place that night?

17 A. Yes.

18 Q. What was your understanding -- and what was your

19 understanding of how the curfew applied to journalists?

20 **A.** As I understood it, the curfew did not apply to

21 journalists.

22 Q. Did you witness any dispersal orders being issued by law

23 enforcement that night?

24 A. Yes.

1

14

21

23

25

25 Q. Did you capture that on video?

A. Yes.

Q. Have you had an opportunity to review the video, prior to this hearing, that was marked as Plaintiffs' Exhibit 8?

4 A. Yes.

Q. And is Plaintiffs' Exhibit 8 a copy of the video that 5

6 you took that night?

7 A. Yes.

8 MS. FOSTER: Your Honor, I would like to offer

9 Plaintiffs' Exhibit 8.

10 MS. LANDRUM: No objections, Your Honor, subject

11 to there are some statements from a witness in the video

12 that would be hearsay, but the video itself and what it's

capturing we have no objection to. 13

THE COURT: Exhibit 8 is received.

15 (Video recording played)

16 BY MS. FOSTER:

17 Q. What was the announcement that we just heard saying --

18 about the media?

A. They told the media to disperse. 19

20 Q. Is it common for law enforcement to issue multiple

dispersal orders before they move forward with a mass arrest

22 after giving an order like that?

MS. LANDRUM: Objection --

24 THE WITNESS: I think --

MS. LANDRUM: -- no foundation.

CASE 0:20-cv-01302-WMW-DTS Doc. 219-1 Filed 09/03/21 Page 15 of 78 Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 **57** 59 BY MS. BY MS. FOSTER: 6

Q. Have you covered a number of protests in your career?

A. Yes.

Q. Have you witnessed dispersal orders in the past?

10

11 Q. Have you seen -- in your experience, have you seen mass

12 arrests taking place?

13 A. Yes.

14 Q. So do you have a common base of experience from which to

determine -- a base of experience from which to determine,

16 at least in your career, what has been common?

17 A. Yes.

18 MS. FOSTER: Your Honor, I think that establishes

foundation for the question that was asked. 19

20 THE COURT: You may ask the question.

21 MS. FOSTER: Okay.

22 BY MS. FOSTER:

23 Q. Is it common for law enforcement to issue multiple

24 dispersal orders before they move forward with mass arrests,

25 based on your experience?

58

A. In general, yeah.

Q. Can a significant period of time pass between the first

3 dispersal order and any arrests that occur?

4 A. Yes.

Q. Is it common for members of the media to stay during 5

6 this period of time so that they can cover the interactions

7 between police and protesters?

8 A. Yes.

Q. Do you believe that's important?

10 A. Yes.

11 **Q.** Why?

12 **A.** Because that's the foundational nature of our job as

13 journalists, is to bear witness and hold any side to

14 anything to account. And especially with law enforcement,

15 to hold them to account and just see what happens so we can

16 see with our own eyes, like, what -- how they act.

Q. Did you see any members of the media attacking law

enforcement officers that night in Brooklyn Center?

19 A. [Inaudible.]

20 **Q.** Could you repeat that?

21 THE COURT: I didn't hear your response.

22 BY MS. FOSTER:

Q. We didn't hear your response. 23

A. No, I did not see members of the media attacking law

25 enforcement. as Mr. Ou couldn't possibly know who on the ground was or

6 was not media.

THE COURT: Overruled. You may answer based on

your personal knowledge.

THE WITNESS: Sorry. Can you repeat the question?

10 I got --

7

9

BY MS. FOSTER: 11

12 Q. Sure. Based on your personal knowledge or what you saw,

13 were any journalists throwing things or looting?

14 **A.** No, I did not see that happen.

15 Q. To the extent that you were able to see what was going

16 on, what were the journalists you saw doing at the protest?

17 A. I saw journalists reporting, holding cameras, writing

stuff down in notebooks, holding -- streaming, doing their 18

19 job.

20 **Q.** And how were you able to recognize who were the

21 journalists?

22 **A.** People had cameras. They had notepads. They were

holding their phones in a way that made it clear that they 23

24 were livestreaming. It's pretty simple to tell who is doing

25 journalism.

Q. When you heard that dispersal message, did you leave the

2

3 **A.** No, I didn't because I was already in private property.

4 Q. Okay.

A. It didn't [audio distortion]. 5

Q. We didn't hear that. Could you move closer to the mike?

A. We were -- I was in private property and so -- and,

also, it was my understanding that that dispersal order did

9 not apply to journalists.

10 Q. Did anyone threaten you while you were on the private

11 property?

12 **A.** Yeah. When I was filming from the vantage point that

13 you saw inside -- not even on the balcony, but from inside,

14 law enforcement pointed stuff at us, pointed something at me

and said, "Go away, go away," like "Back off, back off." 15

16 And so I backed off because I didn't want to put the person

17 whose home I was in in jeopardy, because I didn't know how

18 the law enforcement would react if I was there. So I kind

19 of just made myself scarce.

20 Q. Were you able to identify which law enforcement agency

21 that individual worked for?

22 A. No.

23 Q. Were there multiple law enforcement agencies that you

24 saw present that night?

A. Yeah. There were state troopers there, but then also 25

61

63

July 28, 2021

- 1 Brooklyn Center was -- I'm not exactly used to what people
- 2 were wearing, but, as I remember, there was also National
- 3 Guard there and there were people wearing fluorescent
- 4 yellow, fluorescent greenish jackets and dark -- it seemed
- 5 like a combination of different law enforcement agencies.
- 6 Q. Did the presence of multiple agencies make it difficult
- 7 for you to identify who pointed the thing at you and told
- 8 you to back off?
- 9 **A.** Yes.
- 10 Q. How did you respond to that threat? What did you do?
- 11 **A.** I backed off because, you know, even though objectively
- 12 I knew that I was on private property and was filming, like,
- 13 I didn't need to go anywhere, as journalists we have to also
- 14 act ethically and knowing that if there was -- if law
- 15 enforcement punished the people I was filming, I wouldn't
- 16 want that -- I wouldn't want to cause somebody to get in
- 17 trouble because of what I was doing. And so it's always a
- 18 balance of what you are legally allowed to do, but ethically
- 19 how to not do harm to your subjects [audio distortion].
- 20 COURT REPORTER: His audio cut off at the end.
- 21 BY MS. FOSTER:
- 22 **Q.** Could you repeat the last sentence?
- 23 A. Yeah. It's a balance, because I made a decision -- you
- 24 always have to balance what you can legally do and ethically
- 25 what your responsibilities are to your subjects. At this
 - 62
 - 1 point my character was a person who lived in Brooklyn
- 2 Center, so I was thinking about maybe if it became known
- 3 that she had a journalist over, she would maybe be targeted
- 4 by law enforcement or something like that. So with that in
- 5 mind, I decided to be less visible to law enforcement and
- 6 film from a distance so they couldn't see me.
- 7 MS. FOSTER: Were you able to catch that?
- 8 COURT REPORTER: Yes.
- 9 BY MS. FOSTER:
- 10 Q. Has anyone from the State contacted you to discuss what
- 11 happened to you during the protests?
- 12 **A.** I got an e-mail I think around in the fall of 2020.
- 13 **Q.** Okay. Do you know who contacted you?
- 14 A. Yeah. His name was Jerry -- I don't know how to say his
- 15 last name -- Cziok. It's C-zed-i-o-k.
- 16 **Q.** Okay. Did you respond to that e-mail?
- 17 **A.** No, I did not.
- 18 **Q.** Why not?
- 19 **A.** My company at that time, NBC News, told me not to.
- 20 **Q.** So your employer basically instructed you not to
- 21 respond --
- 22 A. That's correct.
- 23 **Q.** -- is that what you are saying?
- Okay. How long has it been since you were
 - 25 injured?

- 1 A. That was June or May 2020 and it is now July. So a year
- 2 and a month or two.
- 3 **Q.** Has anyone from the State ever apologized to you for
- 4 what happened?
- 5 A. No.
- 6 Q. Have you decided to join this lawsuit as a named
- 7 plaintiff, Mr. Ou?
- 8 **A.** Yes.
- 9 Q. How would you describe your views towards law
- 10 enforcement before the protests we've been talking about
- 11 today?
- 12 **A.** Are we talking about the American context or --
- 13 Q. Yes. That's a good clarification.
- 14 **A.** Yeah. In the American context, I didn't think so much
- 15 of law enforcement. In fact, I've actually -- the story I
- 16 did before this, I embedded with a police department in
- 17 San Antonio for quite a few months and worked on a
- 18 documentary looking at a community police -- San Antonio
- 19 Police Department going to mental health calls. So I
- 20 didn't -- like, I had covered law enforcement and being
- 21 around protests, you know, you're in their proximity, but I $\,$
- 22 always operated under the assumption that, you know, if
- 23 you're not getting in anyone's way, you had the right to
- 24 film and, you know, just work. So I didn't really think
- 25 much of it.

64

- **Q.** How would you describe your relationship with the police
- 2 in San Antonio that you covered during that -- when you were
- 3 embedded with them?
- 4 A. It was guite good because these are mental health --
- 5 these are police officers who are also trained in mental
- 6 health, so they went to [audio distortion].
 - COURT REPORTER: He cut out again.
- 8 BY MS. FOSTER:

- 9 Q. You cut out. Sorry. I don't know why.
- 10 **A.** These are police officers who specialized in
- 11 de-escalation, so they would go to places with mental health
- 12 distress calls and they would, you know, use their
- 13 de-escalation training and their mental health skills to
- 14 kind of, like, de-escalate situations and then kind of,
- 15 like, get people into services. So it was actually a really
- 16 interesting thing to cover to show, you know, like, police
- 17 doing their jobs at their best and kind of like an example
- 18 for law enforcement to follow.
- 19 **Q.** When you cover a protest event, do you try to avoid bias
- 20 towards any group?
- 21 A. Yes. That's the --
- 22 Q. And why is -- I'm sorry. Go ahead.
- 23 A. That's the foundation of what we do as journalists, is
- 24 to report the truth without bias, you know, just report all
- 25 sides of a story with nuance and kind of, like, report in a

65

1 balanced way.

- 2 Q. How have the attacks that you experienced during the
- 3 protests in Minneapolis affected your ability to continue
- 4 doing your job as an objective observer?
- 5 A. In the American context it's difficult because it's hard
- 6 to operate safely in a protest situation or in general when
- 7 you don't know if someone will turn on you and attack you
- 8 without having really done anything.
- 9 And so it has been a little bit difficult for me
- 10 to know what's what, how to stay safe, how to not get in
- 11 people's way, you know, just how to navigate coverage in
- 12 America. It's actually been -- even now, a year and a bit
- 13 later, it still has been quite difficult to navigate.
- 14 **Q.** How long did it take you to recover from your physical
- 15 injuries?
- 16 **A.** My scar healed. I still have a scar right here
- 17 (indicating) that you can see, but it took quite some time
- 18 for all the pepper spray to get out of my hair. My eyes
- 19 were quite affected and my breathing was affected for quite
- 20 a few months afterwards. Some of my camera gear right now
- 21 is still pepper spray-ee [phonetic]. So it took some time.
- 22 And I have a scar here (indicating) that hasn't gone away.
- 23 Q. Would you say that you've recovered from the
- 24 psychological impact?
- 25 A. No, I have not. It's hard because, you know, you don't

66

- 1 want to make it about you, but it's hard because the things
- 2 that happened really affect you. And, you know, like, even
- 3 yesterday there was a thunderstorm where I was -- where I am
- 4 at right now and just even hearing loud noises or, you know,
- 5 seeing -- being in situations in large crowds, it's hard.
- $\,\,$ $\,$ It just makes you constantly, like, really nervous and not
- 7 know how to be safe.
- 8 **Q.** Do you continue to experience fear when you cover events
- 9 with a large law enforcement presence?
- 10 A. I do. I do because, yeah, I don't know how to act
- 11 anymore. In the American context it used to be just make
- 12 sure everyone knows that you are a journalist. I remember
- 13 covering protests in New York with the NYPD where I would
- 14 kind of go out of my way to, like, make eye contact with all
- 15 the police and show them my camera so that they could have,
- 16 like, some memory of me so that if there was, like, any
- 17 incident, they would know that I was there. And so I think
- 18 a lot of it is, like, make your intentions known so that
- 19 you're not mistaken for anything other than a journalist.
- 20 But now, I guess after what happened on the 30th,
- 21 in the American context I don't know what is safe anymore
- 22 because at that moment I thought that we were in the perfect
- 23 position. We were in a group of people. We were protected.
- 24 We were out of the way. They could have easily passed us if
- 25 they wanted to, but instead it almost felt like we were

5

targeted because we were journalists. And because of that,

2 now I don't [audio distortion] any protests.

Q. Could you repeat the very end of that?

6 A. So when you -- I don't feel safe covering protests or

7 being around police because I don't know how to act anymore.

8 Because what happened in Minneapolis on the 30th of May in

9 2020, I was in what I thought -- it was almost like a

10 textbook, the best place that we could have been. We had

11 cover and we were in a group of people who were so clearly

12 identified as journalists.

And I've replayed that over and over in my head to go -- to think to myself, like, where did we screw up, like, what did we do wrong. And that's a large part of what we do as journalists, is that we learn from our mistakes.

And any time things happen and when the stakes are even higher, like in Libya, where my colleagues have been killed, or in Syria, we take accidents and incidents and we kind of, like, think to ourselves, okay, what did we do wrong, how can we do things any differently.

And having thought about what happened in Minneapolis on the 30th of 2020, I don't know what the takeaway is. I don't know how I would have done anything differently. And because I don't have any -- other than to

68

July 28, 2021

67

just not have been there. And so because I don't -- I spent

- 2 a year and two months really trying to figure out, like,
- 3 what did we do wrong. And the fact that I don't have an
- 4 answer to that makes me feel fundamentally unsafe covering
- 5 protests or, you know, marches where there's law
- 6 enforcement. Because if the answer is, well, just don't be
- 7 a journalist and, like, just -- if you will be targeted no
- 8 matter what you do, then, yeah, I feel quite unsafe.

MS. FOSTER: Thank you. I have no further

10 questions.11 THE COURT: Let's take our break at this point and

then we will have our cross examination of this witness. So we will take a break now and I will ask everyone to be prepared to return at ten minutes after 11:00 Central Standard Time. So I believe that may be ten minutes after 12:00 your time.

MS. FOSTER: He is in Europe.

18 THE COURT: Sorry. I was thinking New York. I'm 19 quite provincial. So we will take a 15-minute break, and 20 then please be ready to return on camera for your cross 21 examination.

22 MS. FOSTER: You can keep it dialed in if you 23 want, Ed. That might be the easiest.

THE COURT: Yes.

MS. FOSTER: So we don't have to reconnect.

I 24 A. Yes. Q. And neither did you; is that right? 25 want to thank you for your testimony here today. 25 70 **72** 1 I would like to start off with asking you about 1 A. Yes. your experiences on May 30th that you just discussed with Q. Is it your practice not to follow directives from law 3 us. First, you did not arrive in Minneapolis until May 30, enforcement when you're covering protest activities? 4 2020; is that right? 4 **A.** We were under the understanding that the curfew did not A. I understand that that's your understanding of the legal 7 that area, correct? posture there, but is it your practice, generally speaking, 8 **A.** Yes. when an order is issued by law enforcement, that you do not 8 **Q.** And you did not begin your physical coverage in 9 follow those when you're covering a protest? Minneapolis until, I believe, 6:30 or 7:00 that night? 10 A. We -- when we operate, you know, we operate under what 11 **A.** Yes. 11 we're allowed to do. And at that moment we were on public 12 Q. Now, you began your coverage located near the Fifth 12 property, also not getting in anyone's way, and so based off Precinct in Minneapolis; is that correct? 13 13 my experience with the police in general is if the media 14 **A.** Yep. 14 makes themselves known and is not interfering, then we have **Q.** Were you aware that there were significant concerns that 15 15 the right to be places because that's our job. 16 the Fifth Precinct, like the Third, would be set afire? 16 Q. So the answer to my question is, yes, you believe that 17 MS. FOSTER: -- assumes facts not in evidence. 20 THE COURT: Overruled. You are asking what he 20 THE COURT: Sustained. 21 understood. 21 BY MS. LANDRUM: 22 22 Q. Now, you testified that you were somewhat close to MS. LANDRUM: Thank you, Your Honor. 23 23 BY MS. LANDRUM: protesters, is that right, when the dispersal order was 24 Q. I will ask the question again, Mr. Ou. Were you aware 24 granted -- or given? at that time, when you located yourself at the Fifth 25 A. Yeah.

73

- 1 **Q.** About 12 to 15 feet away from protesters when the
- 2 dispersal order was granted -- or given?
- 3 **A.** I guess somewhat -- so we were, by the time that they
- 4 had granted -- they were saying that, we were off to the
- 5 side, as I remember.
- 6 Q. Now, when you were off to the side, you were technically
- 7 between law enforcement and the protesters, is that correct,
- 8 off to the side but between the law enforcement line and the
- 9 line of protesters; is that correct?
- 10 **A.** We were behind the alcoves, so we were physically in
- 11 between. If the protesters are here (indicating) and we
- 12 were here (indicating), we were here but behind alcoves.
- 13 Q. Understood. Stated differently, when that law
- 14 enforcement line started to move forward, you did not
- 15 disperse north with the protesters; is that correct?
- 16 A. North is towards 31st, right? So, yes, that's true, we
- 17 did not, yes.
- 18 **Q.** Instead you attempted to stay in an alcove to the side?
- **A.** Yes. We thought that they would [audio distortion].
- 20 Q. And ultimately if that --
- 21 MS. LANDRUM: Sorry.
- 22 THE COURT: I didn't hear what the witness said.
- 23 Would you please repeat your response?
- 24 THE WITNESS: Yeah. We were in the alcoves
- 25 thinking they would pass us, the state troopers.
- 74

- BY MS. LANDRUM:
- **Q.** And so you were intending to locate yourself behind that
- 3 line of law enforcement as they were moving north, that was
- 4 your intention?
- 5 A. At that exact -- it depends on when you are referring
- 6 to. This is quite a dynamic situation. But we were
- 7 intending to stay out of the way in these alcoves, yes.
- 8 Q. So then at that point, had that been successful, you
- would have been facing -- you would have been further away
- from the protesters and you would have been looking at the
- 11 law enforcement line from behind?
- 12 **A.** Yes.
- 13 MS. LANDRUM: I would like to pull up Plaintiffs'
- 14 Exhibit 14, please, if we may, Ms. Kosek, which has already
- 15 been entered into evidence, specifically at 49 seconds.
- 16 BY MS. LANDRUM:
- 17 Q. And while we are pulling that up, Mr. Ou, I believe you
- 18 testified earlier this morning that persons who are
- livestreaming during a protest are considered members of the
- 20 media. Did I hear that correctly?
- 21 **A.** I think people who are engaged in acts of journalism are
- 22 members of the media.
- 23 **Q.** So it's your testimony that every person who is holding
- up a personal cell phone and livestreaming or taking
- photographs with their cell phone would be a member of the

- media?
- **A.** That or exercising their First Amendment right to film.
- Q. Okay. And you testified that you didn't see anybody on
- that day, May 30, 2020, who was a member of the media that

July 28, 2021

75

- was in any way antagonizing towards the Minnesota State
- 6 Patrol. Did I hear that correctly?
- 7 A. Yeah.

- Q. Okay. We will wait to pull up Exhibit 14.
 - (Pause)
- 10 Q. You had testified that immediately prior to the law
- 11 enforcement line moving north on Nicollet, that there were a
- 12 couple of individuals that were somewhat antagonistic
- 13 towards the Minnesota State Patrol and yelling obscenities;
- 14 is that correct?
- 15 **A.** [Inaudible.]
- 16 THE COURT: I didn't hear your response.
- 17 THE WITNESS: Yes.
- 18 MS. LANDRUM: And this is, for the record,
- 49 seconds into Plaintiffs' Exhibit 14. 19
- 20 BY MS. LANDRUM:
- 21 **Q.** Are these the individuals that were yelling those
- 22 obscenities?
- 23 A. Yeah, and off a bit, I guess, to where the right area
- 24 would be.
- 25 Q. And this individual that we see at 49 seconds, do you

- see there it appears that he is either taking a photograph
- or possibly livestreaming; would you agree?
- 3 A. Yes.
- 4 Q. Do you recognize that individual?
- 5 A. No.
- Q. Do you recognize him as being a member of the media?
- A. No. I don't know who that person is.
- Q. But it's your position that he is media based off the
- fact that he is holding up his phone in this image of your
- 10 video?
- 11 **A.** At this moment he's taking a picture. I don't know who
- 12
- Q. Now, at this moment this gentleman is between other 13
- protesters that are farther north on Nicollet and the line 14
- 15 of police officers that are south; is that correct?
- 16 **A.** Can you say that one more time?
- 17 **Q.** Sorry. So at this point this gentleman that we see here
- in Exhibit 14 has positioned himself between -- directly
- between the protesters that are north of him and the law 19
- 20 enforcement officials that are south of him, correct?
- 21 A. Yes.
- 22 Q. And that's contrary to one of your primary rules as a
- 23 journalist, is that right, not to get in between the
- 24 protesters and law enforcement?
- A. Who are you talking about in this exact context, like

77

1 what is contrary to?

- 2 Q. I am talking about the gentleman that we see here at
- 3 49 seconds in Exhibit 14. He has placed himself directly
- 4 between protesters and law enforcement, correct?
- 5 **A.** Yes.
- 6 **Q.** And that's contrary to your rule as a journalist to
- 7 never, in fact, do that?
- 8 **A.** That's inaccurate. We would be in those positions when
- $\,9\,\,$ it's safe. So I would very feasibly be in that position and
- 10 then retreat to [audio distortion].
- 11 COURT REPORTER: I'm sorry. He's cutting out.
- 12 THE COURT: Your voice is cutting out. Our audio
- 13 is not helping us right now. So I don't know what
- 14 adjustments can be made, but we did not hear your response.
- 15 THE WITNESS: I would be possibly, you know --
- 16 it's not a hard-and-fast rule to never get in between. Like
- 17 I said previously, we would be in that position if we felt
- 18 that that was a safe place to be at that exact moment and
- 19 maybe would get a shot or, you know, shoot what we need to
- 20 shoot and then go somewhere else that was safer. So a lot
- 21 of times it's these calculations that we make as we read the
- 22 situation.
- 23 BY MS. LANDRUM:
- 24 Q. You don't have any expertise in law enforcement; is that
- 25 right, Mr. Ou?

- 1 moment," and then what did you say?
 - THE WITNESS: At that moment it did not feel

July 28, 2021

79

- 3 tense. These people -- the protesters were saying things
- 4 that were antagonistic, but there was nothing being thrown.
- 5 And, you know, saying profanities towards the police at that
- 6 moment, in my assessment, was not -- would not -- did not
- meet a threshold that, oh, something is going to happen
- 8 because of this, because there are profanities. So I
- 9 assessed at that moment for myself that it was still quite
- 10 calm.

2

- 11 BY MS. LANDRUM:
- 12 **Q.** But that, again, is not based on any law enforcement
- 13 expertise or training that you have, right, Mr. Ou?
- 14 A. No, it's not, but I guess it comes from just knowing or
- 15 thinking of when there would be a proportionate response
- 16 from law enforcement and not to be in the middle of that if
- 17 there was one.
- 18 **Q.** Now, at a certain point -- we heard about the injuries
- 19 that you sustained that day. You became separated from the
- 20 other journalists in your group; is that right?
- 21 A. I became separated from my colleagues, like, my direct
- 22 colleague, the reporter I was working with and the security
- 23 team. So, yeah, we got separated, but I was with other
- 24 colleagues, like, who were not working with NBC News but
- 25 were fellow journalists.

- A. No, I'm not a law enforcement officer. 1 Q. And I t
- Q. So when you're making calculations as to when it'sappropriate for you to get in between law enforcement and
- 4 protest activity, that's based off of your assessment of
- 5 your personal safety?
- 6 **A.** Yes, and that's [audio distortion].
- 7 Q. And that's not --
- 8 COURT REPORTER: I heard, "Yes, and that's." I
- 9 didn't hear what he said after.
- 10 THE COURT: Did you have more to say in your
- 11 response?
- 12 THE WITNESS: Yeah. Sorry. That's based off of,
- 13 you know, my experience covering protests.
- 14 BY MS. LANDRUM:
- 15 **Q.** So outside of your personal factor -- your own personal
- 16 safety, you are not factoring in the law enforcement needs
- 17 when you are deciding to insert yourself in between
- 18 protesters and law enforcement?
- 19 **A.** We are thinking of how we're perceived and we are
- 20 thinking of, like, at that moment is it tense, is it more
- 21 tense, is there -- you know, like, I think you are always
- 22 making a calculation as to how appropriate would a law
- 23 enforcement response be. And at that moment it felt
- 24 [audio distortion].
- 25 THE COURT: I didn't hear what you said. "At that

- 1 Q. And I think you testified that after you experienced
- 2 your initial injuries, that you were blinded at that point;
- 3 is that right?
- 4 **A.** Yes.
- 5 Q. But based off of your other senses, it was your
- 6 experience or your belief that you were being corralled
- 7 north towards the protesters; is that correct?
- 8 **A.** Yes.
- 9 **Q.** And that was the movement of that enforcement line,
- 0 correct, that law enforcement was moving to disperse
- 11 everyone north; is that correct?
- 12 **A.** Yes.
- 13 Q. So your experience was that those law enforcement
- 14 officers were attempting to move you north as well?
- 15 **A.** Yes, that is accurate.
- 16 **Q.** But you, in fact, did not move out of that dispersal
- 17 area, did you?
- 18 **A.** At which moment?
- 19 **Q.** So ultimately you ended up back in the alcove; is that
- 20 correct?
- 21 **A.** Just timeline-wise, we were in the alcoves off to the
- 22 side and when I was first hit by a projectile, I was already
- 23 disoriented, so I was unable to kind of, like, figure out
- 24 where to go. So I went further into the alcove thinking
- 25 that the police, if they want to disperse people, they would

81

- 1 just -- they had the option to pass us and we were out of
- 2 the way.
- 3 $\,$ Q. So you remained in the area that law enforcement was
- 4 attempting to disperse, right?
- 5 A. Yes.
- 6 Q. Now -- let's see here. And after that point you had
- 7 other interactions with law enforcement; is that right? You
- 8 were asking for help; is that -- did I hear that correctly?
- 9 A. So I just want to clarify. There were kind of, like,
- 10 two alcoves. The first time when I was pepper-sprayed, that
- 11 was alcove number one. And then we were corralled and then
- we tried to get out to 31st Street, but then I ended up in
- 13 another alcove. I don't know if it's an alcove, but a
- 14 trapped, fenced-off area.
- 15 And so that's -- the interaction happened twice.
- 16 So the first time I was pepper-sprayed and then corralled
- 17 from the alcoves, which is where we are looking at right now
- 18 in this area on the screenshot. And then a second time I
- 19 interacted with the police again, that's when -- that's
- 20 around that time that I filmed my colleague being shoved
- 21 over a wall and that's -- yes, I interacted with them.
- 22 Q. But that second alcove was still in the dispersal area,
- 23 right, Mr. Ou?
- 24 A. Yes, the second place was in the dispersal area. At
- 25 that time we were trying to leave, but there was nowhere to
 - 82
 - 1 go, so that's when, I guess -- when I filmed my colleague,
- 2 Mike Shum, being shoved over the wall. If that is the idea
- 3 of how we are to disperse, it felt like a very dangerous
- 4 one.
- 5 **Q.** So you indicated that after that point your vision was
- 6 substantially impaired, correct?
- 7 **A.** Yes.
- 8 Q. And in that state of impairment, it sounds like you had
- 9 some other interactions with other law enforcement
- 10 officials, right?
- 11 **A.** Yes.
- 12 **Q.** But at that point -- and you recognize that there were
- 13 other law enforcement officials on the ground outside of
- 14 Minnesota State Patrol, correct?
- 15 **A.** Yes. Is the question do I know if there was different
- 16 police departments, like MPD, et cetera?
- 17 **Q.** Yes, that were present on the ground on May 20, 2020
- 18 where you were.
- 19 **A.** Yes.
- 20 Q. Now, you didn't file a complaint with the Department of
- 21 Public Safety Office of Internal Affairs, did you?
- 22 **A.** No.
- 23 Q. And when the Office of Internal Affairs reached out to
- 24 you, you didn't respond; is that correct?
- 25 A. That's correct.

- Q. So I would like to talk to you next about your coverage

July 28, 2021

83

- 2 in Brooklyn Center.
- Now, I heard that prior to coming to Brooklyn
- 4 Center you were preparing to cover the Chauvin trial
- 5 verdict; is that right?
- 6 A. Yes.
- 7 **Q.** In anticipation of that, did you attend the Operation
- 8 Safety Net press briefings that were happening weekly?
- A. No. There were a few things on YouTube or on Twitter,
- 10 if I understand, that were -- that I watched a few times,
- 11 but I did not physically attend.
- 12 **Q.** Okay. So then you did see guidance from OSN in order to
- 13 prepare for your coverage of the Chauvin verdict?
- 14 A. I wouldn't use the word "guidance" because, you know, as
- 15 journalists we monitor, we look at what's been tweeted out,
- 6 press conferences and stuff like that. So a lot of that is
- 17 passive. And it's our job to be informed of what people are
- 18 saying.

1

- 19 **Q.** But it sounds like you were fully aware that OSN was
- 20 reaching out in order to provide resources to the press in
- 21 anticipation of the Chauvin verdict; is that right?
- 22 A. As someone, just to be -- OSN, I am not familiar with
- 23 that acronym and, again, I'm based in New York, so I don't
- 24 regularly cover the Minneapolis/Minnesota state area, so I
- 25 don't know what that -- can you clarify that acronym?
 - Q. Sorry. I thought that you had said that you had seen
- 2 some of the YouTube videos from Operation Safety Net,
- 3 specifically the press briefings that were being given on a
- 4 weekly basis. Did I mishear that?
- 5 A. Again, I would see them every so often, but it's not
- 6 like I regularly sought them out. When you are on Twitter,
- 7 you just see videos. And especially when you are in
- 8 New York, you are not making a distinction between this
- 9 police department, that one, Brooklyn Center, Minneapolis.
- 10 It kind of -- it just depends on -- you get more specific as
- 11 you get closer to what you are covering.
- 12 Q. Did you reach out to anyone, Minnesota State Patrol, the
- 13 Department of Public Safety, to get guidance about how you
- 14 can be safe for purposes of the Chauvin trial coverage?
- 15 **A.** No, because it was pretty -- we shouldn't have to.
- 16 Again, my understanding is as long as we're not interfering
- 17 with police activities or law enforcement activities,
- 18 there's no permissions or things to seek to be safe other
- 19 than just use your common sense and don't -- you know, like,
- that's not something that we, as journalists, generallyshould have to do.
- 22 Q. So you covered the unrest in Brooklyn Center from an
- 23 apartment building; is that right?
- 24 **A.** Yes.
- 25 **Q.** How many days were you there?

Lori A. Simpson, RMR-CRR 651-848-1225

85

- 1 A. I was there for the duration of the week. I got there,
- 2 I think, on a Monday or a Tuesday and I was there for a few
- 3 days in and out.
- 4 Q. So in the video, I believe it's Plaintiffs' Exhibit 8,
- 5 you could hear quite clearly the dispersal order; is that
- 6 right?
- 7 **A.** Yes.
- 8 Q. And it was loud?
- 9 **A.** Yes.
- 10 Q. And it was -- it specifically indicated and instructed
- 11 media that the dispersal order did, in fact, apply to media;
- 12 is that right?
- 13 A. I -- as journalists, we are there to be able to cover
- 14 things. And the other thing, too, is from my exact vantage
- 15 point, I was in private property, so I wasn't outside.
- 16 Q. Going back to my question, though, Mr. Ou, that
- 17 dispersal order specifically instructed you, as a member of
- 18 media, that the dispersal order did, in fact, apply to you,
- 19 correct?
- 20 **A.** Yes, that is true, except we, as journalists, should be
- 21 in places -- where the freedom of the press is recognized,
- 22 we should be able to film activities so long as we are not
- 23 interfering with law enforcement or taking a part in
- 24 anything. And so --
- 25 **Q.** Let me just stop you there.

86

- 1 THE COURT: No. Let him respond to your question 2 and then you may ask a follow-up.
- 3 You may finish your response.
- 4 THE WITNESS: So in a lot of places, not just in
- 5 protests, like a lot of the times as journalists we are
- 6 often told, like, don't film here, get out of here,
- 7 et cetera, by law enforcement. And it's just a central
- 8 tenet to the First Amendment, which is if we are filming on
- 9 public property, we, the media, are allowed to undertake our
- 10 job, which is why, as I understand it, you know, we are
- 11 exempt from curfew. During COVID we were able to go out
- 12 because our job is a very specific function of keeping an
- 13 open society informed. And so that dispersal order, I felt,
- 14 did not apply to us because it is clear that we didn't need
- 15 to recognize the curfew.
- 16 BY MS. LANDRUM:
- 17 Q. Well, so because you heard the dispersal order, though,
- 18 Mr. Ou, you could not have been confused that law
- 19 enforcement believed that media was subject to the --
- 20 MS. FOSTER: Objection --
- 21 Q. -- dispersal order, correct?
- 22 MS. FOSTER: -- argumentative.
- 23 THE COURT: Overruled. You may answer if you can.
- 24 THE WITNESS: Sorry. Can you say that one more
- 25 time?

1 BY MS. LANDRUM:

- **Q.** Absolutely. Because of the nature of the dispersal
- 3 order, because of the content of it, where it specifically
- 4 said that the dispersal order applied to media, you were not

87

88

- 5 confused that law enforcement believed that you were, in
- 6 fact, subject to the dispersal order, right?
- 7 A. Right, but, again, there's two things at play. I was in
- 8 private property at that exact moment, so I don't know where
- 9 I would have gone. And that certainly did not apply to me
- 10 at that moment because what would they tell me, that I would
- 11 not be able to interview people in their homes? That would
- 12 be a gross violation of many press freedoms and the First
- 13 Amendment, to say I am not allowed to interview citizens in
- 14 their apartments where I am directly invited. So it did not
- 15 apply to [audio distortion].

COURT REPORTER: I didn't hear the last part.

17 THE COURT: The last bit we didn't hear. Did you

say so it did not apply to me that way?

19 THE WITNESS: At that exact moment. Because

20 how -- in what open, free society would the police tell me

21 that I couldn't be in someone's private property at that

22 moment? So that's why -- again, I was in someone's house,

- 23 invited, filming from private property, so I was already not
- 24 outside.

25 BY MS. LANDRUM:

Q. Mr. Ou, did you review the governor's executive order

- 2 declaring the curfew in April 2021 before you came to
- 3 Brooklyn Center?
- 4 A. I didn't personally look at it, but in talking to
- 5 colleagues, you know, et cetera, I knew generally what was
- 6 happening
- 7 **Q.** So you weren't aware, then, that that executive order
- 8 specifically stated that even persons exempted from the
- 9 dispersal order were not exempted from lawful orders from
- 10 law enforcement, right?
- 11 A. I don't understand.
- 12 Q. So you were not aware that that executive order
- 13 specifically stated that even if exempt from the curfew,
- 14 individuals that had that exemption were not exempt from
- 15 lawful orders from law enforcement, you were not aware of
- 16 that; is that right?
- 17 **A.** I'm aware of that, but, again, I was in someone's
- 18 private property. So just if I were to take that to its
- 19 logical conclusion, if I rented a flat or an apartment
- 20 across from there, would -- no law enforcement would have
- 21 been able to tell me to stop filming or not exist -- I could
- 22 very easily have had a flat there. And so I just don't
- 23 understand. It didn't apply to me, because if we're in a
- 24 world where the police can tell journalists to stop filming,
- 25 this is not America.

Goyette, et al. vs. City of Minneapolis, et al.

July 28, 2021

- 1 BY MS. McGARRAUGH:
- 2 **Q.** So you made this post in the early morning hours of
- 3 April 14th?
- 4 A. That's correct.
- 5 Q. All right. During that evening did you hear any
- 6 dispersal orders in Brooklyn Center?
- 7 A. Yes, I did.
- 8 Q. Can you tell -- what did those dispersal orders sound
- 9 like?
- 10 **A.** They were generally given over some sort of a loud
- 11 speaker. I believe it was a mobile loud speaker that one of
- 12 them was carrying, one of the state police officers, state
- 13 troopers. They formed a line out coming from the south side
- 14 of the department on the street of about, I would say, a
- 15 hundred officers. They were saying people need to disperse.
- 16 They were very specifically focusing on media. They said,
- 17 "Media need to leave the area." They said it nearly 50
- 18 times over the loud speaker. And being a journalist, I
- 19 believe I know my rights and I did not disperse because I
- 20 needed to be there to document what's happening in public.
- 21 Q. So you said that order was given maybe 50 times. Over
- 22 what period of time?
- 23 **A.** I would say an hour or so.
- 24 **Q.** Do you have a sense -- excuse me. You referred to a
- 25 line of maybe a hundred officers. Were those -- could you
 - 102
 - tell what agency they were affiliated with?
 - 2 **A.** Yes. They were state troopers. I believe every single
- 3 one of them was. There might have been one in between that
- 4 was not, but to my recollection, they were all state
- 5 troopers.
- 6 Q. Do you have any sense of -- well, from your observation,
- 7 could you perceive what triggered the transition from 50
- 8 dispersal orders to the line moving through?
- 9 A. I'm sorry. Can you repeat that?
- 10 **Q.** In your observation, what changed that went from 50
- 11 dispersal orders being given over an hour to the line moving
- 12 through?
- 13 **A.** To them chasing people?
- 14 Q. Yeah. What was -- what did you perceive the trigger to
- 15 be?
- 16 **A.** Well, I believe that they wanted to clear the area, but
- 17 they waited a long time. It was an hour, hour and a half.
- 18 It was essentially protesters expressing their displeasure
- 19 verbally to the line of officers. It stayed fine.
- 20 A small fire was started in the street,
- 21 essentially like a campfire shape with some pieces of wood.
- 22 The second that happened, all the troopers started rushing,
- 23 running after people, and it chased everyone down, including
- 24 cars. Cars were driving in the opposite direction. People
- 25 were running north away from the area on the sidewalk, on

- the grass. It created a fairly dangerous situation.
 - Do you want me to proceed with what happened after

103

104

3 that?

2

13

- 4 **Q.** Sure, yeah. What happened next?
- **A.** So we got to the corner of the gas station across from
- 6 the Pump N Munch. I actually in my first deposition said
- 7 Pump N Munch. It's the one across the street from the
- 8 Pump N Munch -- I wanted to correct that right now -- on the
- 9 other corner
- 10 Q. When you said "deposition," do you mean declaration?
- 11 A. Yes. Excuse me. Declaration. Sorry.
- 12 We got up to the corner. I recognized a
 - photographer. His name was Josh McFadden. He is a New York
- 14 Times freelance photographer. He is based out of upstate
- 15 New York and he was out here covering the entire trial as
- 16 well as the Daunte Wright protests.
- 17 We were trying to figure out a way to get out
- 18 because it was very hectic. There were -- as soon as we
- 19 turned the corner, there were cars that came screeching in,
- 20 officers jumped out, including National Guard. Mostly the
- 21 state troopers were around tackling people, grabbing them,
- 22 saying, "Get on the ground," arresting people before they
- 23 could actually disperse.
- 24 Q. Were you able to get back to your car?
- 25 A. Our car was on the -- actually, I came with Lyft, but I

1 asked him if I could get a ride earlier and he said that was

- 2 fine. So I saw him. And it was a Good Samaritan that
- 3 offered to give us a ride.
- 4 Q. Why didn't you go to Mr. McFadden's car?
- 5 A. His car was on the opposite side of the protest and it
- 6 was all blocked by vehicles and state troopers. We were not
- 7 allowed to go that direction. So I asked -- he actually
- 8 asked for a ride and this lady said, "Sure, I'll give you a
- 9 ride back." We hopped in the car, buckled our seat belts
- and were surrounded by state troopers with their weapons
- 11 pulled screaming, "Get out of the vehicle, get out of the
- 12 vehicle." And frantically I took my press pass, put it up
- 13 to the window and screamed, "Press, press, press, press,
- 14 press," like 50 times. One trooper grabbed me out. He
- 15 actually listened to me, but they took Josh. He threw him
- up into the car, and it took me telling them 50 times he was
- 17 also press and he was with me. He had also said, "Press" at
- 18 least ten times, had it around his neck, very identifiable
- 19 was press, multiple cameras on his sides.
- _____
- 20 **Q.** Were you also carrying a camera at that time?
- 21 A. I was.
- 22 **Q.** How large is your camera?
- 23 A. I have two. I have one with a bigger lens. So the
- 24 bigger lens would have been about this big (indicating), and
- 25 the other one is about that big (indicating) with the

smaller lens because they -- very similar size.

2 THE COURT: You need to describe what "that big"

3 is.

4 THE WITNESS: Okay. The 70 to 200 millimeter lens

is used for medium and zoom range and it's about, I would 5

6 say, six to eight inches in length. The wider lenses I

have, I have a 17 to 35 millimeter and a 24 to 70. Those 7

8 are about three to five inches in length. I believe I had

the 24-70, which was probably four-ish inches.

10 BY MS. McGARRAUGH:

11 Q. And Mr. McFadden had similar equipment?

12 **A.** Yes.

13 **Q.** And you were wearing a press pass?

14 **A.** I was.

15 **Q.** What did that look like?

16 **A.** It was an independent pass. So this is the tricky thing

17 about not having standard passes and why it's not possible

18 to do this, because there's people that go all over the

19 place. They are assignment based and there's no

20 standardized press pass for people to get. So I have an

21 independent pass that was made up for me. It has my

22 picture, identifies me as independent press. That's

23 basically all it is. It is has a little scanner on the

24 bottom that goes right to my social media on there. It just

has my picture as independent press on it. 25

perspective.

2 BY MS. McGARRAUGH:

Q. Are you confident that the officers that pulled you out

of that car are state troopers?

A. I am 100 percent confident.

6 Q. How do you know?

7 A. I saw the very identifiable sleeves with the Minnesota

state logo on their chest.

9 Q. How did that incident affect your ability to do your job

10 on that night?

17

18

1

11 **A.** Well, we had to leave the area. As soon as we got out

12 of the car, we were negotiating on how to get back to our

13 car. We didn't know how we were going to do that because

14 they closed off all the roads that got there. It was only

15 National Guard that offered to okay us to walk through this

16 specific area, and even the same time we walked very slowly.

What we did first, though, before we left, we went into the church, which was a safe haven for protesters and

19 for everyone alike. We got a little bit of something to

20 drink and a snack. And Josh had to process his photos and

21 he had to take a few minutes to wind down from the

22 encounter. It shook him up a little bit. And he had to

23 send it to The New York Times and he had to text his editor

at The New York Times telling him what happened; and, of 24

25 course, they were concerned.

106

Q. Did you have the opportunity to see Mr. McFadden's press

2 pass?

3 A. I did. It was a National Press Photographers

4 Association pass, which is a pretty standardized one, but

5 you have to apply to get it and it costs money to get. So

6 there's a barrier there, but anyone can get that.

7 **Q.** Did you perceive a difference in how your press

8 credentials were received versus his press credentials?

A. I don't know exactly why they listened to me. He did

the same thing I did. All I can tell you is that I am white

and he is black, and we are covering social justice

12 protests.

18

13 Q. Was it your impression that he was not believed that he

14 was a journalist?

15 **A.** That's my impression. He has spoken -- this happened to

16 him multiple times in other areas as well.

17 MR. HSU: Objection, hearsay.

THE COURT: Overruled.

19 THE WITNESS: This is a problem right now. A lot

20 of agencies are being criticized for not sending

21 African-American photographers to cover social justice

22 things and there's been a very conscious effort over the

23 last couple of years to make sure that they're included and

24 their voices are being heard and this sort of thing, and

they're not treated the same way in many situations from my 25 Lori A. Simpson, RMR-CRR So once we left the church, we talked to

108

the Guard. We obviously had to get back to our car. No one

3 was letting us go through here. Everything was blocked off.

They said, "That's fine." But the whole time we walked like 4

this (indicating). I had my pass up, hand out, because I 5

6 didn't want to spook anyone because we had to go back to an

7 area that was essentially closed all the way across the

8 protest. It was very uncomfortable. He was not

9 comfortable. I told him, "It will be okay. I'll go first.

10 I'll hold this." He's like, "I don't know about this." He

11 thought we were going to have an issue. And once that

12 happened, we got back to our car. I asked permission from

13 the Guard, "Can we leave here?" And he said, "Yes, you're 14 fine."

15 Q. Were you able to take photographs as you walked with

16 your hands up?

17 A. No.

18 Q. So you were not able to do your job during -- after that

19 portion of the evening?

20 **A.** (Shaking head.)

21 Q. I would like to move to the evening of April 16, 2021.

22 That's a Friday. Where were you on that evening?

23 **A.** I was at Brooklyn Center.

24 Q. What time did you arrive in Brooklyn Center?

A. I would say about 7:00.

109

Q. Okay. So going back to Friday night, did you hear any

- 2 **A.** There was a smaller number than the previous night. I

1 **Q.** What was the crowd like on that evening?

- 3 would say there was about 150 protesters out there. People
- 4 were mostly standing in place talking around the outside of
- 5 the fence. At this point, to my recollection, there was a
- 6 second fence that had been installed outside the department.
- 7 The first night we got there, the night that Daunte was
- 8 killed, there was no fence, so protesters got all the way up
- 9 to the department up in front. And then the next night we
- 10 came back, there was one fence there and then they had put a
- 11 secondary protective fence up at this point. So people were
- 12 kind of standing around. There were some umbrellas. People
- 13 were hanging out and chatting for the most part.
- 14 **Q.** Did you see any fireworks?
- 15 **A.** I did.
- 16 **Q.** Did you see them -- what direction did they go off?
- 17 A. Directly up or back behind the apartment complexes. So
- 18 they were straight up in the air. I actually have some
- 19 photos that were taken, you know, from those areas that were
- 20 just fireworks that were nowhere near the department that I
- 21 saw. They were mostly straight up.
- **Q.** Did you personally observe any fireworks fired in the
- 23 direction of law enforcement?
- A. I did not. 24

A. Yes.

A. No.

25 **Q.** Did you observe anybody throwing bottles?

protesters dispersed from the area.

4 Q. Was it riotous?

Q. In your opinion, was the crowd violent?

A. Was not. 5

6 **Q.** How did it compare to the sort of atmosphere of the

7 crowd on the prior evening, that Thursday?

8 A. It was very similar. I would say it was even more

- peaceful than the night before. It was very interesting. 10 The night before word got out, I believe it was through
- Signal, which is an encrypted app that people use on their
- 11
- 12 phone to talk to each other, and the word got out that there
- 13 was a kettle being set up around the protest by state
- 14 troopers. A kettle is when they surround the protest in a
- 15 circle and do a mass arrest. So this word got out very
- 16 quickly between journalists, activists, everyone that was
- 17 out there, and people started to disperse, like we don't
- 18 want to get arrested. We're -- no reason to be arrested,
- 19 we're just standing around, but we don't want to mess with
- 20 this. So this dispersal occurred over probably a 20-minute
- 21 period. By the time curfew hit, people were pretty much
- 22 dispersed.
- 23 Q. Did you observe a confrontation between law enforcement
- and protesters or journalists on Thursday, April 15th?
- 25 A. Not that I recall.

- dispersal orders on Friday night?
- **A.** Not that I recall.
- Q. Did you observe a mass arrest on Friday night?
- A. I did.

15

24

110

- **Q.** About what time did that occur? 6
- **A.** I would say 10:02.
- **Q.** Do you have -- what was your perception of what
- triggered that mass arrest starting?
- 10 **A.** I believe that officers were using the curfew as grounds
- 11 to make a mass arrest. I personally did not see anything
- 12 that night that warranted a mass arrest or arrest of anyone,
- 13 any individual. I believe their attempt was to quell future 14 protests.

MR. HSU: Objection, speculation.

16 THE COURT: Overruled.

THE WITNESS: So I can answer? 17

- 18 BY MS. McGARRAUGH:
- 19 **Q.** You can go ahead.
- 20 **A.** So I do believe that their plan was to make a mass
- 21 arrest and to scare people from coming back. I don't
- 22 believe there were grounds to make a mass arrest or make any
- 23 arrests in general. I thought that was their tactic.
 - I also believe that the previous night there were
- 25 a lot of -- there was a drone flying frequently, as well as

112

July 28, 2021

a helicopter, and I do believe they used it as intel on how 2

3 And as soon as 10:02 hit, state troopers came in

4 from the south and the east, sheriff in came from the corner 5 of the fence, and they plugged up those areas instantly. He

6 said, "Plug the hole in the fence. Go over here." They

watched exactly how activists left the area by using that as 7

8 intel.

- 9 **Q.** So you mentioned that you observed both the state
- troopers and the sheriff during that rush. What happened in
- 11 that initial rush?
- 12 A. It was pretty chaotic. No one expected to be rushed
- 13 like this because nothing happened the previous night. It
- 14 was very similar. It was just from the east there was a
- 15 line of probably 20 to 25 state troopers that came running
- 16 in, as well as from the south, and they met with the sheriff
- 17 kind of in a jumble. They came in screaming, "Get on the
- ground, get on the ground, get on the ground," and they
- started taking people down to the ground and started 19
- 20 arresting them.
- 21 **Q.** Where did you go?
- 22 **A.** I stayed inside the kettle because I believed it was my
- 23 duty to document the arrests that were happening at the
- 24 time. That is generally the job of media, is to document
- 25 people in power to make sure their power is not being

getting arrested. He said, "Get back in line. You are not 9

fucking faster, go, go, go, go faster," just very

11 aggressively kind of pounding their chest, trying to

intimidate me to not be able to do my job anymore. I got 12

13 past the fence. After that happened, they directed us to

18 **Q.** All right.

19 **A.** They told us to document from there.

20 **Q.** So I would like to look at Plaintiffs' Exhibit Number 1.

21 Can you tell me what this exhibit is.

22 A. This is the view that they gave us to document from

23 outside of the kettle. As you can see, there are state

24 troopers standing there with their backs turned. Sometimes

their face is to us. You can basically just see their legs.

- 12 license is going to be displayed with his permission. I
- 13 just wanted to note that for the record.
- 14 THE COURT: Okay. The record is so noted.

- 16 **Q.** On this Exhibit 5, whose photograph is on this page?
- 17 **A.** That is a picture of me that was taken from the state

- 19 **Q.** Okay. And then below that, do you see a map?
- 20 A. Yes, I do.
- 21 Q. Is that map approximately where your face was

- 23 A. Yeah, it looks accurate to me.
- 24 Q. And do you see in the corner that there is a text that

- 8 A. Yes, it is.
- Q. Looking at Exhibit 6, what's photographed at the top of
- 10 this page?
- 11 **A.** That's my independent press pass, and then below it is
- 12 my driver's license.
- 13 Q. Okay. You see that any identifying information on the

- 15 **A.** Yes, I do.
- 16 Q. And the map right below that, does this again depict

- **A.** To my knowledge, yes, it does. 19

 - **Q.** While we're looking at this, I want to talk just briefly

- A. Yes, it is.
- 10 Q. Okay. And how are you wearing it?
- **A.** Around my neck. There's a lanyard that pulls all the 11
- 12 way around my neck and then it sits in front of my chest.
- 13 Q. You were carrying two photographs, I believe you
- 14 testified?
- 15 **A.** I was carrying what?
- **Q.** Excuse me. Not two photographs. Two cameras?
- 17 A. Correct.
- 18 **Q.** What other gear did you have?
- A. I had a helmet, a full-face gas mask. I had a 19
- 20 bulletproof vest with plates inside of it. I had a cup. I
- 21 had shin guards.
- 22 **Q.** Why do you wear protective equipment?
- 23 A. This documentation can be very dangerous in a lot of
- ways. Many times I find myself dodging rubber bullets, 24
- 25 ducking. I had a flash-bang go off directly on my head

122

before, exploded on top of my helmet. Thankfully I had the

124

- helmet. I also usually use earplugs because the flash-bangs
- 3 are very loud and they are generally thrown
- 4 indiscriminately. Flash-bangs, they just kind of chuck them
- up over a fence. They want to make sure people are 5
- 6 uncomfortable and they want them to leave. Those
- flash-bangs are very rattling. You can feel it in your
- bones. It's essentially like an explosion. It is not 8
- comfortable at all. 9

10 I know photographers that have been hit and 11 wounded severely by rubber bullets. I have met people who

- 12 have lost their eyes by being shot by a rubber bullet.
- 13 Soren Stevenson, if you recall, last year here in Minnesota
- 14 lost his eye from a rubber bullet.
- 15 Q. All right. On the evening of April 16 through -- or 11
- 16 through 16, 2021, that's a Sunday through Friday, did you
- observe anyone claiming to be a journalist who was not? 17
- 18 **A.** I did not.
- 19 Q. What is your experience covering protests?
- 20 **A.** It is a wide range of experience. I was fortunate to be
- 21 able to travel the country this last year to document this.
- 22 I spent time in Portland; in Seattle; in Louisville,
- Kentucky; here; New York City; Washington, D.C.; Richmond, 23

- 3 orders to the crowd; is that correct?
- 4 A. Correct.
- 5 **Q.** About -- you heard about 50 times that order was issued?
- 6 A. 50 times specifically talking about media need to leave
- 7 the area, yes.
- 8 **Q.** A general order was also being issued to the crowd?
- 9 **A.** My recollection, yes, but generally it was targeted,
- 10 saying, "Media leave the area." That's what I recall,
- 11 "Media leave the area" about 50 times.
- 12 Q. And that was issued over the course -- those 50 times
- 13 was issued over the course of approximately an hour?
- 14 **A.** Yes, sir.
- 15 Q. And dispersal orders across that time were also being
- 16 issued to the crowd?
- 17 A. Yes, sir.
- 18 Q. And you stated that a fire was started in the middle of
- 19 the street near --
- 20 A. Yes.
- 21 **Q.** -- the police department?
- 22 And it was after that fire started that officers
- 23 began to advance towards the crowd?
- 24 **A.** Yes, sir.
- 25 **Q.** So the fire was the trigger for the advance?
- 130
- 1 **A.** It appeared to be that way, yes.
- **Q.** And you testified previously that you witnessed officers
- 3 arresting and detaining individuals throughout the crowd as
- 4 they advanced?
- 5 **A.** Yes.
- 6 **Q.** And they did so after they had issued the previous
- 7 dispersal orders over the preceding hour?
- A. Yes, sir.
- 9 **Q.** But the crowd did not disperse in response?
- 10 A. [Inaudible.]
- 11 COURT REPORTER: I didn't hear the answer.
- 12 THE WITNESS: I said, "No." Sorry.
- 13 BY MR. HSU:
- 14 Q. Is it correct that you attempted to leave the area in
- 15 response to the dispersal orders?
- 16 **A.** I attempted to leave the area in a car, yes, sir.
- 17 Q. And that car was driven by, you described, a Good
- 18 Samaritan?
- 19 **A.** Yes.
- 20 Q. Did you know who that person was --
- 21 A. [Inaudible.]
- 22 **Q.** -- to that night?
- 23 THE COURT: You have to answer with words. I did

- 5 MR. HSU: I can repeat the question.
- 6 THE COURT: You may.
- 7 BY MR. HSU:
- 8 Q. You didn't recognize the individual driving the car
- 9 prior to that evening?
- 10 **A.** No, I did not.
- 11 **Q.** And that vehicle wasn't marked as press or media, was
- 12 it?

- 13 **A.** No.
- 14 **Q.** And when you got in the vehicle, you were riding in the
- 15 back seat; is that correct?
- 16 **A.** Yes, sir.
- 17 Q. Was Mr. McFadden in the back seat as well?
- 18 **A.** Yes, sir.
- 19 **Q.** And officers then detained that vehicle and asked you to
- 20 leave the vehicle?
- 21 **A.** They pulled the driver out of the car. I never saw them
- 22 again.
- 23 Q. Officers detained you and pulled you out of the car as
- 24 well?
- 25 **A.** Yes, sir.
 - Q. And they pulled Mr. McFadden out of the car?
- 2 A. Yes, sir.
- 3 **Q.** And you showed your press badge to the officers?
- 4 A. Yep. I held it up to the window, screamed it 50 times,
- 5 and then after I got out of the car as well, yes.
- 6 Q. And after they pulled you out of the car, they
- 7 subsequently released you after they confirmed you were
- 8 press?
- 9 **A.** Yes, sir.
- 10 Q. And they also subsequently released Mr. McFadden after
- 11 they confirmed that he was press?
- 12 **A.** After I helped them confirm he was press, yes, sir.
- 13 **Q.** And you testified today that you didn't have any further
- 14 issue after you were released following that brief encounter
- 15 near the vehicle?
- 16 A. No physical issue, no, but I was not allowed to document
- 17 inside the area anymore.
- 18 **Q.** But you were free to leave the area?
- 19 **A.** Yes, sir.
- 20 **Q.** I would like to move to the events of April 15, 2021.
- 21 You testified that during that evening the crowd dispersed;
- 22 is that correct?
- 23 **A.** Yes, sir.
- 24 **Q.** And that was prior to the curfew?
- 25 A. To my recollection, it was just before the curfew and it

Goyette, et al. vs. City of Minneapolis, et al.

July 28, 2021

- 1 **A.** Okay.
- 2 Q. Does that refresh your recollection of the events of
- 3 April 16, 2021?
- 4 A. Well, it was essentially simultaneous saying, "Get on
- 5 the ground." That was what I am trying to say here. When
- 6 they said, "Get on the ground," they didn't say, "You have
- 7 ten minutes to disperse," if that makes sense. Like by
- 8 10:02 there was a swarm.
- 9 Q. And officers were directing the crowd to --
- 10 **A.** Get on the ground.
- 11 Q. You testified that officers were conducting a mass
- 12 arrest --
- 13 **A.** Yes, sir.
- 14 **Q.** -- on April 16th?
- 15 And officers were attempting to encircle the
- 16 crowd; is that correct?
- 17 **A.** Yes.
- 18 **Q.** And you recognized that they were conducting a mass
- 19 arrest at that time --
- 20 A. Yes, sir.
- 21 **Q.** -- when they started the encirclement?
- 22 **A.** Yes, sir.
- 23 Q. And you chose intentionally to remain within the
- 24 encirclement; is that --
- 25 **A.** Yes. I stayed there to document the arrests, yes, sir.
 - 138
- 1 Q. Officers directed you specifically to leave the area; is
- 2 that correct?
- 3 A. Yes, sir.
- 4 **Q.** And you continued to stay within the mass arrest area?
- 5 **A.** Yes, sir. I stood on the sidewalk and in the grass in
- 6 an area that was not obstructing to them.
- 7 Q. That remained within the encirclement area; is that
- 8 correct?
- 9 **A.** Yes, sir.
- 10 **Q.** And officers repeatedly directed you to leave the area;
- 11 is that correct?
- 12 A. Yes, sir.
- 13 **Q.** Is it your standard practice to disobey police orders?
- 14 **A.** No, sir.
- 15 Q. Yet when police ordered you to leave the area, you
- 16 refused; is that correct?
- 17 **A.** I stood to take photos.
- 18 **Q.** Within a mass arrest zone?
- 19 **A.** Yes, sir.
- 20 **Q.** Despite the fact that officers were directing you to
- 21 leave that area?
- 22 A. Yes, sir.
- 23 Q. And you testified that you were -- one officer grabbed
- 24 you by your coat; is that correct?
- 25 A. Yes, sir.

Q. And when he grabbed you, you were still within that mass

139

- 2 arrest area --
- 3 **A.** Yes, sir.

5

- **Q.** -- is that correct?
- You were -- eventually another officer pulled you
- 6 away from that encounter; is that right?
- 7 A. That's correct.
- 8 **Q.** And that was a state trooper?
- A. Yes, sir.
- 10 **Q.** And he directed you to move north out of the area?
- 11 **A.** Yes, sir.
- 12 **Q.** And that's when you ended up near a gas station; is that
- 13 correct?
- 14 **A.** There's time in between that. So in between that we
- 15 were out of the zone and directed to the area behind the
- 16 kettle, which is the photo that they put into the exhibit
- 17 where there's an obstructed view with a person holding up a
- 18 press pass. So I attempted to photograph there before
- 19 another trooper came over and said, "You need to leave the
- 20 area completely."
- 21 Q. And then he directed you to move north?
- 22 **A.** He said, "Leave the area now. Go to the gas station."
- 23 Q. And you obeyed his order at --
- 24 **A.** Yes, sir.
- 25 **Q.** -- that time?
 - **140** And you testified that as you were moving that
- 2 way, that one trooper held what appeared to you as a
- 3 chemical dispersal -- dispersant?
- 4 **A.** Yes, sir.
- 5 Q. But he didn't fire that at you, did you?
- 6 **A.** No.

- 7 **Q.** He didn't use it on you?
- 8 A. He did not.
- **Q.** Did you have any further physical interaction with
- 10 troopers prior to arriving at the gas station?
- 11 **A.** Between that time?
- 12 **Q.** Yes.
- 13 **A.** I do believe there was a small shove in the back when I
- 14 wasn't walking fast enough, but nothing other than that.
- 15 **Q.** And was that -- it was at the gas station that you were
- 16 photographed?
- 17 **A.** Yes, sir.
- 18 Q. And those are the exhibits that you testified to?
- 19 **A.** Yes, sir.
- 20 **Q.** After those photographs were taken, you were allowed to
- 21 leave; is that correct?
- 22 **A.** We were told to go across the street from the gas
- 23 station, and all the media was kind of lined up right there.
- 24 This is murky because the roads are all blocked. So being
- 25 able to leave means going through a zone of an active

149

- 1 traffic safety. But we also serve it in education in terms
- 2 of educating the public in terms of victims rights,
- 3 services.
- 4 And then what is probably most notable in this
- 5 context is we serve as the enforcement arm of the state, at
- 6 least in some part, because we oversee the Minnesota State
- 7 Patrol, the Minnesota Bureau of Criminal Apprehension, and
- 8 the Alcohol and Gambling Enforcement. That's not all of the
- 9 officers or peace officers that work for the State, DNR has
- 10 a separate section and they are run by that agency, but the
- 11 majority of peace officers in the state of Minnesota work
- 12 under the Department of Public Safety.
- 13 **Q.** Does the Department of Public Safety have an Internal
- 14 Affairs Division?
- 15 A. Yes, it does.
- 16 **Q.** Is that a separate division from the Minnesota State
- 17 Patrol?
- 18 **A.** Yes, it is.
- 19 **Q.** Why is that?
- 20 **A.** We believe that an independent review of cases brought
- 21 where there was an allegation of misconduct ensures an
- 22 independent and a thorough investigation. We also believe
- 23 that it increases the transparency for the public when they
- 24 have a complaint about any member of the Department of
- 25 Public Safety staff.

150

- **Q.** What is the mission of the Department?
- **A.** We are there to serve and protect Minnesotans. The
- 3 Department has a very broad mission, as I mentioned, with a
- 4 wide range of organizations. So protecting them from fires
- 5 with the state fire marshal, protecting them from traffic
- 6 collisions with officer traffic safety and the Department --
- 7 State Patrol, investigating crimes with the Bureau of
- 8 Criminal Apprehension, and then also working to -- working
- 9 in partnership with local jurisdictions to assist them when
- 10 they have needs, whether it is in criminal investigation, in
- 11 traffic crash reconstruction, or facilitating their
- 12 administration of justice.
- 13 **Q.** And you mentioned Minnesota State Patrol and its role
- 14 there. Are there any jurisdictional limits on the authority
- 15 of the State Patrol?
- 16 **A.** Minnesota State Patrol's primary jurisdiction is the
- 17 state trunk highways. That is really what their primary
- 18 role is. They also have assignments to protect the State
- 19 Capitol and they also provide the executive protection for
- 20 the governor.
- 21 **Q.** What is the source of those jurisdictional limits?
- 22 A. The Minnesota State Patrol's jurisdictional limits are
- 23 set in statute.
- 24 **Q.** Is the Minnesota State Patrol a statewide police force?
- 25 **A.** No, it is not.

Q. Why not?

- A. The state of Minnesota is made up of 87 counties and
- 3 then countless individual local jurisdictions, each of which
- 4 has local policing authority over what happens in their
- jurisdiction, whether it's in their town or their city or
- 6 within their county.

7 The Minnesota State Patrol's jurisdiction is

- 8 statewide in the sense that it is on any of the trunk
- 9 highways that cross the state from north to south or east to
- 10 west, but we have no local jurisdiction to investigate
- 11 crimes outside of our primary purview.
- 12 **Q.** Does the State Patrol have any authority over city or
- 13 county law enforcement entities?
- 14 A. No, it does not.
- 15 **Q.** And you mentioned that the State Patrol and Department
- 16 of Public Safety can assist local entities. What role does
- 17 the State Patrol play in that regard?
- 18 A. The State Patrol's role when we're called to assist, we
- 19 try to meet the local jurisdiction's needs where they are.
- 20 So in some cases we're there because they need traffic
- 21 control. For example, in the case of an emergency or a
- 22 flood, we might be there to do traffic control and traffic
- 23 direction. In other cases we would be there because they
- 24 need accident reconstruction or they need an accident
- 25 investigation and we have a high level of expertise in crash

152

1 investigations, as you would expect.

We, because of the State Capitol, have also been trained in crowd control and so we have been called upon by

4 other jurisdictions to assist them in crowd control when

5 they have felt the need.

But we typically try and meet the needs that the

7 local agency is asking us to fulfill if we have both the

8 resources and/or the expertise or the competence to do that.

- 9 **Q.** Does the State Patrol require a request from a local
- 10 entity before it provides those resources?
- 11 A. Yes, it does.

6

- 12 **Q.** What is the typical process for that type of request?
- 13 **A.** Typically you would see either -- the local
- 14 jurisdiction's on-duty officer, for example, chief of police
- 15 or a police captain, would request the State Patrol to come
- 16 in to do an accident reconstruction in some cases.

17 In the case of an emergency, typically it is a

chief-to-chief correspondence where the chief of a local jurisdiction would request Colonel Matt Langer, who is the

- jurisdiction would request Colonel Matt Langer, who is thecolonel and chief of the State Patrol, to assist or we may
- 21 get a request through the duty officer, which is a 24/7
- 22 operation out of the BCA where any emergency requests for
- 23 state aid are received and then can be transferred to the
- 24 proper jurisdiction.
- 25 Q. Commissioner, what is the Mobile Response Team?

153

- 1 A. The MRT or Mobile Response Team is a team of state
- 2 troopers who have been trained to do crowd control and to
- 3 respond as an emergency services response team. Primarily
- 4 they were trained to respond to crises at the State Capitol,
- 5 but over the course of the last few years we have been
- 6 called upon to expand where they respond to in the cases of
- 7 an emergency.
- 8 Q. You mentioned crowd control. Are there any other types
- 9 of events that they would respond to in terms of
- 10 emergencies?
- 11 **A.** They have responded to parades, civil unrest, and they
- 12 also have worked simply large-scale special events. For
- 13 example, they were involved I believe at the Republican
- 14 National Convention.
- 15 $\,$ $\,$ $\,$ $\,$ $\,$ Is the Mobile Response Team involved in any disaster
- 16 relief responses?
- 17 **A.** The Mobile Response Team has capabilities to do that
- 18 also. It depends on where the disaster would occur and what
- 19 the logistics are for responding, having troopers respond.
- 20 So if it was in greater Minnesota in the far north, it might
- 21 be more logistically feasible to send local troopers there
- 22 than it would be to send MRT from the Twin Cities, but in
- 23 some cases where the disaster is sustained and where there's
- 24 going to be a long-term need for troopers there that work in
- 25 a very close-knit team environment, you would see them sent
 - 154

- 1 there also.
- Q. When the State Patrol assists local law enforcement, who
- 3 is in charge regarding the setting of law enforcement goals?
- 4 **A.** The local agency sets the overall mission that we're
- 5 attempting to respond to. However, within the context of
- 6 that overall mission, the Minnesota State Patrol retains its
- 7 own jurisdiction and its own responsibility for the
- 8 direction of its actual officers. So while we may be called
- 9 to a city to assist, the captain or the lieutenant of the
- 10 State Patrol would be the person who is actually directing
- 11 the activities of the State Patrol.
- 12 Q. Does the State Patrol assume any control over the local
- 13 agency when it's assisting?
- 14 A. No, it does not.
- 15 Q. Commissioner, does the Department of Public Safety set
- 16 forth any standards of conduct for officers acting under its
- 17 umbrella?
- 18 **A.** Yes, we do.
- 19 MR. HSU: Your Honor, we would request permission
- 20 to publish to the witness and the Court what's been marked
- 21 as Exhibit 15 --
- 22 THE COURT: You may.

- 3 review the document briefly.
- 4 **A.** Certainly. It's scrolling still.
- 5 (Witness reviews exhibit)
- 6 Q. Commissioner, do you recognize this document?
- 7 **A.** Yes, I do.
- Q. What is this document?
- A. It's Minnesota Department of Public Safety. It's an
- 10 administrative policy published in 1996. It describes --
- 11 it's from the Office of the Commissioner. It was approved
- 12 by the commissioner and it describes -- thank you very much.
- 13 I was going to have to get spectacles out. It describes
- 14 conduct unbecoming a peace officer.
- 15 **Q.** And how do you recognize this document?
- 16 **A.** I reviewed this document when I took over the
- 17 organization, and I review it on an annual basis.
- 18 **Q.** Is this a true and accurate copy of that?
- 19 **A.** Yes, it so appears.
- 20 MR. HSU: Your Honor, the state defendants would
 - move to admit Exhibit 15 into evidence.
 - THE COURT: Any objection?
- 23 MR. RIACH: No objection, Your Honor.
 - THE COURT: Exhibit 15 is received.
- 25 BY MR. HSU:

21

22

24

1 **Q.** Commissioner, you've touched on it a bit already, but

- 2 could you please describe this exhibit for the Court and its
- 3 role in terms of the Department and its actions.
- 4 **A.** The document spells out the purpose for it, first of
- 5 all. So the purpose is to define conduct unbecoming, which
- 6 helps bracket for an officer what is conduct that should
- 7 be -- how we should operate. So while it defines the thou
- 8 shall not effectively, it also defines what you should be
- 9 doing also.
- 10 It's a policy specifically geared toward law
- 11 enforcement, so it's geared for peace officers, sworn peace
- 12 officers within the organization, and it talks about the
- 13 fact that we recognize that our effectiveness is dependent
- 14 upon community support and community respect and that that's
- 15 a two-way street and that we understand that without
- 16 community respect and without their confidence, that our
- 17 ability to function is at best de minimis.
- The scope applies to all officers of the
- 19 Department, so it applies to -- whether you're a BCA agent,
- 20 State Patrol, or in AGE. And it doesn't matter where you
- 21 are in the state of Minnesota, it applies to all of them
- 22 equally.
- 23 And then it outlines principles or pillars that
- 24 talk about what are the background for that. So Principle
- 25 One, for example, talks about all peace officers conducting

157

- 1 themselves in accordance with the Constitution of the United
- 2 States, Minnesota Constitution, and applicable laws. It is
- 3 effectively the oath of office that every peace officer
- 4 takes when they are sworn in as a peace office or when
- 5 they're promoted.
- 6 Q. Commissioner, how would an officer become aware of this
- 7 document?
- 8 **A.** Every peace officer who works with the State of
- Minnesota would be trained in this document. For example,
- 10 the Minnesota State Patrol, which offers a state police
- 11 academy at Camp Ripley, they would be instructed in this
- 12 document during their academy and then it's also reviewed
- 13 with them on an annual basis during performance reviews.
- Q. Commissioner, I want to draw you to -- your attention to 14
- 15 the language on page 2 under the second principle, item
- 16 number 4, and that states that an officer shall take no
- 17 action knowing it will violate the constitutional rights of
- 18 any person.

19 How do you understand that as it applies to peace 20 officers under the Department?

- 21 **A.** My understanding of rule number 4 is that as we look at
- 22 the United States Constitution and the Minnesota
- 23 Constitution, those amendments, the right to free speech,
- 24 the right to assembly, the right to not be searched without
- 25 warrant, the right against self-incrimination, all of those

 - rights are to be protected under this rule and that no
- officer should take any action that knowingly violates these
- 3 constitutional rights, because if they do, they then are
- 4 subject to discipline.
- Q. Would the intention of targeting members of the media or 5
- 6 the press be a violation of these standards?
- 7 A. Yes, it would.
- **Q.** I believe you mentioned the importance of partnership. 8
- Is it important for the Department and State Patrol to
- 10 maintain a relationship with members of the media?
- 11 **A.** Yes, it is.
- 12 **Q.** Why is that?
- 13 **A.** I was brought up as a community policing cop, that was
- how St. Paul trained their cops, and it's the philosophy
- 15 that I have operated under for the 40 years that I've been
- 16 in the business.

17 The basic philosophy of community policing, which 18 is generally recognized by everyone as the most effective and the most authentic form of policing, essentially says 19 20 that the public and the police have to work together.

21 And then as we think about how we break down who

- 22 is the public, we -- the media is one of those major
- 23 components. It's one of those groups that we recognize as
- 24 being a part of the public, just as we recognize elected
- officials, community groups, nonprofit organizations,

schools, they are all partners that we should be working

July 28, 2021

159

160

2 with.

3 The media is given particular attention as we talk 4 about community policing because we recognize that

- especially in the -- law enforcement has an educational
- goal. The media becomes really an essential partner with us 6
- in trying to make sure that the information we want to get
- 8 out, whether it's about distracted driving or drunk driving
- 9 or about a curfew that we want people to abide by, the media
- 10 plays an essential role in doing that. And they also play
- 11 an essential role as sort of a watchdog for the community,
- 12 bringing to our attention crime, in some cases, or
- 13 misconduct.
- 14 **Q.** With all of those concerns in mind, what steps does the
- 15 Department of Public Safety and Minnesota State Patrol take
- 16 to maintain their relationship with the media?
- 17 **A.** The Department of Public Safety at the commissioner's
- 18 level operates an Office of Communications, which has -- it
- 19 has, frankly, one of the more robust staffs that I've ever
- 20 worked with in terms of communication.

So almost all the divisions have a communications person that works with them and their job is to make sure

- 23 that they have ongoing relations with the media, both in
- 24 terms of advising the media when we have information or a
- 25 press release, but also fielding the day-to-day questions

158

21

22

1

2

the media has about incidents that happened across the state.

3 In addition to that role, we've also done an

4 extensive amount of outreach to the media, especially over

the last few years, to try and make sure that we are 5

- 6 operating with the media under best practices. And so
- 7 whether it is at the commissioner's level, at the State
- Patrol level or the BCA level or any of the other agencies, 8
- 9 we oftentimes find ourselves having regular dialogue with
- 10 the media and bringing them in to make sure they know what's
- 11 going on within the Department of Public Safety. We believe
- 12 that transparency is our best vehicle.
- 13 **Q.** Commissioner, I would like to move to more specifically
- 14 the unrest that occurred in Minneapolis in May 2020
- 15 following the death of George Floyd. Was the Department of
- 16 Public Safety or Minnesota State Patrol involved in those
- 17 events?
- 18 **A.** Yes, we were.
- 19 **Q.** And how did the Minnesota State Patrol become involved?
- 20 A. After George Floyd was murdered and after the video
- 21 became public, the duty officer made me aware of the crowds 22 that were gathering in protest.

23 As we coordinated with Minneapolis, asking

- 24 Minneapolis and Hennepin County what they needed and we
- 25 received requests from them, one of the concerns that was

161

- 1 voiced was that with a very large crowd that was moving in
- the direction of the freeway, that we might well have a
- freeway protest, which brought great concern to the State 4
- Patrol. We have seen people killed on the freeway. We've
- seen people run over on the freeway in those kind of 5
- 6 traffic-blocking events. So we began having the State
- Patrol position themselves to assist -- to be in position to 7
- 8 assist if we did have a freeway protest.

9 We received requests from the City of Minneapolis,

- 10 through the police department, to also assist them in the
- 11 Third Precinct area down off of Lake Street because they
- 12 were seeing very large crowds and they were concerned about
- 13 their ability to respond to those crowds.
- Q. And were you involved in the State Patrol and the 14
- 15 Department of Public Safety responses in your role as
- 16 commissioner?

3

17 A. Yes, I was.

25

5

6

14

15

18

19

20

- 18 Q. Can you describe, based on your experiences as the
- 19 commissioner and your role there, what was happening on the
- 20 ground during those events and what were the concerns faced
- 21 by the State Patrol and the Department?
- 22 **A.** There were several concerns, some expressed initially by
- 23 the City of Minneapolis and Hennepin County, others that we
- 24 saw once we actually got on the ground.
 - And then part of my role is I'm the homeland

162

- security advisor for the governor and so one of my jobs is
- also to make sure the governor is aware of major critical 3 events within the state of Minnesota that might affect or
- 4 involve state assets or require state resources to respond.

As we progressed through the first and second day,

- the crowds were gathering. We noted with some distress that
- 7 there were, in fact, multiple crowds and there was not just
- 8 one protest. There were, in fact, several protests spread
- 9 out over a larger geographic area, which made the city's
- 10 response more complicated and it was far more taxing to try
- 11 and have enough peace officers to respond to any one of
- 12 those crowds, some of which estimated in the eight to ten
- 13 thousand range at one point or another.

There was also calls from MPD that talked about the need for this to become a sustained element, that they

16 didn't expect that this was going to end appropriately --

17 not appropriately. In a timely fashion.

Many special events we respond to have a set beginning and a set end time and so you can plan for this is

a four-hour protest or this is an all-day protest. But in

- 21 this case, because the protests seem to be more organically
- 22 or spontaneously driven, it didn't have any boxes around it
- 23 in terms of where the protest was going to be. It didn't
- 24 have any boxes around it in terms of how long the protest
- 25 was going to last.

July 28, 2021 163

And it also didn't have -- what we oftentimes work

- with when we're dealing with protests or events, it didn't
- 3 have any clear defined leaders who you could work with to
- 4 help with the organization of the protest, to be able to
- work out what do they want to do, where do they want to go,
- 6 how can we facilitate their movement along streets and 7 highways.

8 So those all complicated the response to the 9 protests as a matter of planning.

And then as the protests continued, we saw two new elements that we had not seen really in my police career.

12 We saw the use of arson and we saw organized looting go on 13 with the protests.

And so while the protests would be going on in one place, we would have a car parts place or liquor store, oftentimes those seemed to be the two places that got hit first, they would be set on fire.

Once those were on fire, you would see stores nearby looted, which further depleted city and county resources to respond as they were trying to figure out how to get the fire department to the fires and then how to respond to the looting incidents.

The fire department, in fact, ended up calling to say they needed, in fact, protection because they couldn't get out of their fire --

THE COURT: Is there an objection?

MR. RIACH: Withdrawn, Your Honor. Withdrawn.

7 BY MR. HSU:

- 8 Q. Commissioner, I believe you touched on this in your
- 9 answer, but in your 44 years of experience, have you ever
- 10 dealt with the level of unrest that was faced in May 2020?
- 11 A. No. I have not.
- 12 Q. And you touched on a few of the points. What made it
- 13 stand out in your experience?
- 14 **A.** The size of the groups were far larger, the geographic
- 15 spread, and what seemed to almost be a coordinated effort,
- 16 that if you went to one area to meet a group, that group
- 17 sometimes would leave, but it would pop up in another area.
- 18 And so the level of coordination. The use of fire and arson
- 19 as a tactic was also a new element.

20 And then the looting that seemed to go on and went 21 on in places that did not seem to have any local connection 22 to the precipitating event. For example, we responded to 23 looting in West St. Paul on Robert Street and we responded

- 24 to looting in Anoka County and we responded to looting in --
- 25 the Lakeville City Hall was fire-bombed, none of which

165

- seemed to have any direct connection to George Floyd or the
- 2 Minneapolis Police Department protests. 3
- **Q.** In light of those challenges and those experiences from
- that time, can you describe for the Court what lessons were 4
- learned by the Department or by the State Patrol in terms of 5
- 6 handling these types of events.
- 7 **A.** There were several lessons learned. I would say from
- 8 the State Patrol's perspective, we learned that we needed to
- find a way to quickly mobilize large numbers of State Patrol
- 10 to be able to respond to an area, and that was something
- 11 that we had not really -- had never had to do before.

12 In the few events where the State Patrol had been 13 called in to a major special event, it had been a special

14 event, like the Super Bowl or like the Republican National

15 Convention, where we knew months in advance it was coming.

You could plan and stage for this.

16

17

18

19

20

21

1

3

4

5

6

7

But an organically spontaneous event calling upon us to not just move a couple hundred troopers, but literally to strip every highway in the state of Minnesota of all of the troopers they had to try and respond was an extraordinary event that we had never seen.

22 So how to mobilize them, how to work with the 23 National Guard was also a lesson learned. We learned about 24 what -- the capabilities of the Minnesota National Guard,

25 how quickly they could mobilize.

166

We also had to work through emergency declarations by the governor, the activation of the National Guard, and then how to actually get them into theater and get them into appropriate positions.

We learned that -- communication became one of the key points that I think we learned probably most acutely in especially the May 2020 events. Communication with the

- 8 media was -- right away that was one of the points that we
- 9 recognized that we needed to do more with, but also
- 10 communication with our elected officials and communications
- 11 with community groups were all part and parcel of, I think,
- 12 some of the lessons learned that we've applied as we moved
- 13 forward from that day.
- 14 Q. Commissioner, as a clarification, how many troopers were
- 15 mobilized in response to May 2020?
- 16 A. Every trooper that was able and ready in the state of
- 17 Minnesota was mobilized and brought into the Twin Cities to
- 18
- **Q.** And that had never happened before? 19
- 20 **A.** That had never happened before.
- 21 Q. Commissioner, were there any lessons learned regarding
- 22 the importance of media credentials or identification of
- 23 press members?
- 24 **A.** Yes, there were.
- Q. What were those lessons?

A. I believe one of the first nights that the State Patrol

- 2 was out on Lake Street we got calls that we had arrested
- 3 members of the media, and part of the question we had was
- 4 how do we determine who is a member of the media and so we
- 5 began asking the question of what credentials would clearly
- 6 identify members of the media so that we could expedite
- 7 their release if they were arrested or avoid arresting them
- 8 if that was possible. So credentials became a topic very

9 early on.

11

12

13

14

15

9

10

11

12

13

14

15

16

From that point on, I think virtually every event since then we have reminded the media via Twitter or social media to please have credentials with them and visible if at all possible so that we can avoid any unnecessary encounters with the media and so that we can facilitate -- in those cases where we do end up making an arrest with the media, so

- 16 we can expedite their release as quickly as possible.
- 17 Q. With regards to both those actions related to media and 18 broadly, what other actions did the Department take to act
- 19 or implement the lessons learned from May of 2020?
- 20 **A.** There have been several. I would say the ones that come
- 21 most -- come to mind, we tasked Bruce Gordon, who is the
- 22 director of communications for the Commissioner's Office, to 23 work with the media to talk about best practices, lessons
- 24 learned to try and figure out what we should gather from the

25 May 2020 events.

168

July 28, 2021

167

1 Beyond that, we committed to having a more robust schedule of briefings and trainings with the media, which we

- 3 did do, as we got into what we call OSN, the Operation --
- 4 OSN, which is the Chauvin trial preparation. We did
- trainings with them. We worked with the media before that. 5
- 6 We embedded media into our ranks, asked them to come join us
- 7 within -- on the inside of the line to help facilitate their
- 8 understanding of what we were doing.

And subsequent to those events we have contracted with 21CP, 21st Century Policing, which is a nonprofit organization or a think tank organization. They were the group that facilitated the Deadly Force Encounters Working Group that Keith Ellison and I put together. But we asked them to do an outreach to the media subsequent to --

But we did contract with 21CP. They have 6 surveyed, conducted focus groups and conducted interviews 7

18 Q. Thank you, Commissioner. Were there any lessons or

19 actions taken with regard to the efficacy of mass arrest

21 A. Yes, there were.

22 **Q.** What were those?

23 **A.** Two in particular.

2

3

4

5 6

17

18

19

20

21

22

24 One, we made a directive, and it has been

25 repeated -- ordered to be repeated at every roll call before

a team would go out, to remind them of First Amendment protest policies and to make sure that they were avoiding arresting the media if at all possible.

In addition to that, we also began working on a policy to expedite release. If we did have a media person that came into contact with the State Patrol, to get them 7 released as quickly as possible thereafter.

Q. Commissioner, were those policies and practices in 8 9 effect in April of 2021?

10 **A.** Yes, they were.

11 Q. And you mentioned it briefly, but could you please

12 describe for the Court, what is Operation Safety Net?

13 **A.** Operation Safety Net was the plan for how the City of Minneapolis and the County of Hennepin and, by extension, 14

15 the State of Minnesota would be prepared for potential

16 protests in the wake of the Derek Chauvin trial.

From a historical perspective, if we look at LA, Oakland, Ferguson, there are oftentimes riots that happen when the precipitating event started, but there are also at times riots or civil disturbances that occur when the jury's verdict comes out and it is not viewed favorably by the public.

23 Having no pre-knowledge of how the court case 24 would resolve, Minneapolis began planning in July of 2020 for how they should be prepared for potential protests

3 And in January of 2021 the State reviewed the

4 plan, because there was then a request from the City of

5 Minneapolis for potentially National Guard and State Patrol

6 and DNR assets to be assigned to this plan. The plan was 7 under-resourced in our opinion and at that time the State

8 Patrol, Minnesota National Guard, DNR, and others joined

9 with Minneapolis and Hennepin County into unified command

10 for a planning effort to revise the Operation Safety Net

plan, and we worked together through -- from January through 11

12 the end of the trial, when we demobilized and went through

13 what we call phase four.

Q. Commissioner, was the State Patrol and the Department of 14

15 Public Safety, did they join OSN in response to requests

16 from Minneapolis?

17 **A.** Yes, we did.

18 Q. And was the State Patrol or the Department of Public

Safety responsible for any other law enforcement agencies 19

20 involved with OSN?

21 A. No, we were not.

22 **Q.** What is unified command?

23 **A.** Unified command is a concept that originally came out of

24 the fire service, but it comes out of FEMA or NIMS, the

25 National Incident Management System. It is the recognition

1

2

3

11

that there are certain events, catastrophes that occur that are too big for any one department to be able to handle on its own.

4 And when you bring in multiple other jurisdictions 5 and multiple other departments to respond to whether it's a 6 special alarm fire, a tornado, a flood, or a civil

7 disturbance, there has to be a format for how the entities

8 that are joining into the effort work together.

9 And so unified command brings the senior staffs of 10 those organizations together so that they can work in concert and in a coordinated fashion to respond to whatever

12 it is that you are responding to, once again, natural or

13 man-made disaster.

14 Q. Who directs the mission goals under a unified command

15 structure?

16 **A.** The local jurisdiction has the -- is the decision-maker 17 under unified command. While it's a unified command and

18 everybody is at the table together, ultimately the decision 19 of what you do in a particular case in a particular

20 jurisdiction resides with the local jurisdiction that has 21 that.

22 So, for example, if we have a crisis that happens 23 in St. Paul, while the State Patrol may well be there as 24 part of unified command, the St. Paul Police Department and

25 Todd Axtell would be the decision-maker for that particular

1 incident.

- 2 Q. And would State Patrol -- in the context of Operation
- Safety Net, would the State Patrol retain control over its
- 4 own troopers?
- 5 **A.** Yes. The State Patrol would have command staff that
- would be responsible for the direction of its own personnel 6
- 7 while we're operating under -- whether in mutual aid or
- 8 under the Operation Safety Net under unified command.
- Q. And would State Patrol have any authority to direct the
- 10 conduct or actions of other agencies under Operation Safety
- 11 Net?
- 12 A. No, we have no legal authority over any other agencies
- 13 other than our own.
- 14 THE COURT: Other than?
- 15 THE WITNESS: Other than our own. Sorry.
- 16 BY MR. HSU:
- 17 Q. Commissioner, turning to the events in Brooklyn Center
- 18 in April 2021, how did the Department of Public Safety and
- 19 State Patrol become involved there?
- 20 A. On April 11th, as I recall, the Brooklyn Center Police
- 21 Department had an officer-involved shooting. BCA does the
- 22 investigations on the officer-involved shootings and so DPS,
- 23 under the auspices of BCA, and the use of force team were
- 24 sent to do the investigation there.
- 25 Shortly after their arrival at the scene, there

174

25

4

12

- there was a crowd that was refusing to leave.
- that there was cars being broken, windows being broken,

was a report that crowds had gathered at the crime scene and

- 3
- 4 Brooklyn Center had not been part of Operation
- Safety Net. The Hennepin County chiefs or what we would 5
- 6 call the west metro chiefs of police had made a decision
- 7 that they would create a mobile field force of their own,
- but that they were not going to move into Minneapolis as 8
- part of Operation Safety Net. Brooklyn Center was one of 9
- 10 those departments.
- 11 And so as the protests grew at the crime scene,
- 12 they called in the West Metro Command Team and they
- 13 responded there. They were able to disperse the crowd from
- 14 there, but shortly thereafter we got reports that that crowd
- 15 was now moving to the Brooklyn Center Police Department over
- 16 on Humboldt. The West Metro Command went with them to
- 17 protect the Brooklyn Center Police Department and City Hall.
- 18 Hennepin County, which is -- was part of Operation
- 19 Safety Net and where Brooklyn Center resides, was part of
- 20 Operation Safety Net and so as the crowd grew on that first
- 21 night, Hennepin County was asked to join in. And the State
- 22 was asked to work with Hennepin County and with Brooklyn
- 23 Center to assist them as there did not appear to be
- 24 sufficient resources to respond to Brooklyn Center.
 - Q. And in Brooklyn Center, was it the local entity in

- charge of the mission goals?
- 2 A. At the beginning Brooklyn Center Police Department was
- 3 in charge, and then within a day or so the mayor relieved
- 4 the chief of police of his position and there was a period
- where it was unclear who was in charge of the Brooklyn
- 6 Center policing effort.
 - And during that time frame Hennepin County Sheriff

175

- Dave Hutchinson assumed command of the incident when there
- 9 was a vacuum in place. He remained in command of the
- 10 incident for the next four or five days until the new
- 11 appointed -- newly-appointed interim chief for Brooklyn
- 12 Center re-assumed command of the operation.
- 13 **Q.** At any point did Minnesota State Patrol or the
- 14 Department of Public Safety assume command of the incident?
- 15 **A.** No, at no point were we in charge of the incident.
- 16 **Q.** Was the Department of Public Safety or State Patrol ever
- 17 responsible for any other law enforcement agency at Brooklyn
- 18 Center?
- 19 A. No, we were not.
- 20 Q. Was the Department of Public Safety or the Minnesota
- 21 State Patrol ever issuing commands to other law enforcement
- 22 agencies in Brooklyn Center?
- 23 A. No, we were not.
- 24 Q. Thank you, Commissioner.
 - MR. HSU: I have no further questions.

- 1 THE COURT: Cross examination? And we can take a stretch break at this time. I will take one. If anyone
- 3 else would like to join me, you may, just at your seats.
 - (Pause)
- 5 THE COURT: We are ready to resume.
- 6 MS. McGARRAUGH: We just lost our questioning
- 7 lawyer.
- 8 THE COURT: Okay.
- 9 (Pause)
- 10 THE COURT: We are ready to proceed.
- 11 MR. RIACH: Thank you, Your Honor.
 - CROSS EXAMINATION
- 13 BY MR. RIACH:
- 14 Q. Good afternoon, Commissioner Harrington. My name is
- 15 Kevin Riach. I'm an attorney for the plaintiffs.
- 16 A. Good afternoon.
- 17 **Q.** Now, you are familiar with the Police Officer Standards
- 18 and Training Board, correct?
- 19 A. Yes, I am.
- 20 Q. That's a board that's organized within the Department of
- 21 Public Safety, correct?
- 22 A. No, it is not.
- 23 Q. It's not a board organized within the Department of
- 24 Public Safety?
- 25 A. No, it is not.

- 1 **Q.** What is it organized within?
- 2 A. The POST Board is an independent standard and training
- board that is appointed by the governor. The Department of
- 4 Public Safety did up until fairly recently provide their HR
- 5 department, but it has its own board of directors, it has
- 6 its own appointed executive director, and it does not report
- 7 to the Department of Public Safety.
- 8 Q. Are the Board employees employees of the Department of
- 9 Public Safety?
- 10 A. No, they're not.
- 11 Q. All right. But you're familiar with the operations of
- 12 the Board, correct?
- 13 **A.** Yes. I have one member -- the BCA has one member that
- 14 sits on the POST Board on the training section.
- 15 **Q.** Okay. And you're aware that they from time to time
- 16 promulgate model policies for law enforcement to use to
- 17 guide their practices, correct?
- 18 **A.** Yes, I am.
- 19 **Q.** Sometimes those model policies are adopted and become
- 20 mandatory policies; is that correct?
- 21 **A.** If they propose a model policy and it is voted upon by
- 22 the Board, it can become a mandatory policy for all state
- peace officers or POST agencies, yes. 23
- 24 **Q.** It has to go through the rulemaking process at that
- 25 point; is that right?

178

- **A.** I'm not positive about whether it has to go through
- rulemaking or not.
- 3 Q. Okay. It goes through some kind of legislative
- 4 sausage-making and becomes mandatory for state law
- 5 enforcement, though, if that's the course the Board chooses
- 6 to take with the model policy?
- 7 **A.** That has been my experience, yes.
- Q. Okay. 8
- 9 MR. RIACH: Ms. Anderson, can you call up
- 10 Exhibit 71, please, Plaintiffs' 71.
- 11 BY MR. RIACH:
- 12 **Q.** We'll see if you can see these on the screen. If that
- 13 works, we'll just stick with the electronic version. Is
- 14 that okay, Commissioner?
- 15 **A.** Sure.
- 16 **Q.** All right. Now, what you are looking at is a document
- 17 labeled Plaintiffs' Exhibit 71. It says, "Background on
- 18 Draft Model Policy on Public Assembly and First Amendment
- 19 Activity" at the top of this document.
- 20 THE COURT: Okay. You have to raise your voice or
- 21 speak into the microphone, but we can't mumble what the
- 22 document says.
- 23 MR. RIACH: All right. Sorry, Your Honor.
- 24 BY MR. RIACH:
- Q. You are looking at a document. This is marked

Plaintiffs' Exhibit 71 and the title is Background on Draft

179

- Model Policy on Public Assembly and First Amendment
- 3 Activity; is that accurate?
- 4 A. That's correct, sir.
- **Q.** Have you reviewed this document?
- A. No, I don't believe I have reviewed this document.
- Q. Can you just briefly --
- 8 MR. RIACH: Well, let's do this. Turn ahead to
- 9 page 8, Ms. Anderson.

10

16

- MR. HSU: Objection, Your Honor. This document
- 11 hasn't been admitted into evidence.
- 12 MR. RIACH: First of all, I'm just looking to ask
- 13 some questions to see if I can lay foundation. Then if the
- 14 State still has an objection on hearsay grounds, I'll be
- 15 prepared to argue that, if that's okay with the Court.
 - THE COURT: Overruled.
- 17 MR. RIACH: Flip ahead to the next page, please.
- 18 BY MR. RIACH:
- 19 Q. You see that there's a section of this document entitled
- 20 Media, Commissioner Harrington?
- 21 A. Yes, I do.
- 22 Q. Were you aware that the POST Board was drafting a model
- 23 policy on law enforcement interaction with the media?
- 24 **A.** Yes, I knew that was one of the topics they were
- 25 entertaining.

- **Q.** How did you know that?
- **A.** I believe I saw it in the media actually, so.
- 3 Q. Okay. Did anyone at the Board consult with you about
- 4 this policy?
- **A.** Not with me particularly, no.
- Q. There is a representative of the Department of Public
- 7 Safety on the Board, though, correct?
- **A.** The BCA training -- the BCA director is, in fact, on the 8
- 9 POST Board, yes.
- 10 **Q.** Okay. Is he there to represent the interests of the
- 11 Department of Public Safety?
- 12 **A.** He's there to represent the BCA's interests as one of
- 13 the premiere training departments within the state of
- 14 Minnesota. So he's not a DPS or the commissioner's
- 15 representative, although he is a state employee and does
- 16 work for the Department of Public Safety, but he is in
- 17 command of his own police department effectively.
- 18 Q. Okay. And you see under subparagraph E here it
- 19 states -- this is the model policy that we're discussing and
- 20 laying some foundation for here -- it states, "Even after a
- 21 dispersal order has been given, clearly identified media
- 22 must be permitted to carry out their professional duties
- 23 unless their presence would unduly interfere with the
- 24 enforcement action."
- 25 Were you aware that this particular policy was

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021

18

under discussion at the POST Board?

2 **A.** Not in particular, no.

- 3 Q. Okay. Now, the POST Board maintains a website, correct?
- 4 A. That's correct.
- 5 Q. And that's located within the Department of Public
- Safety website, correct? 6
- A. There's a link to the POST Board from the Department of 7
- 8 Public Safety, but the POST Board has its own website.
- Q. Okay. But you can get there from the Department of 9
- 10 Public Safety website, correct?
- 11 A. I'm certain you can.
- 12 Q. Go to the section that says, "Boards" and click on it
- 13 and it says, "Department" -- or it says, "POST Board," and
- you click on that and then it takes you through to the POST 14
- 15 Board website?
- 16 **A.** I have no doubt that we can get there from there.
- 17 Q. All right. Very good. Are you aware that model
- 18 policies are regularly posted on the Peace Officer Standards
- 19 and Training Board website for review prior to discussion by
- 20 the POST Board at their sessions?
- 21 A. Yes, I am.
- 22 Q. Okay.
- 23 MR. RIACH: Your Honor, we would move to admit
- 24 Document 71, the POST Board model policy we've been
- 25 discussing.

1

THE COURT: Any objection?

2 MR. HSU: Yes, Your Honor. The State would object

- 3 to the admission of this document on several grounds, both
- 4 it's hearsay and lack of foundation. The Commissioner has
- testified he's not previously reviewed this document or was 5
- ever involved in the creation or drafting of the same. 6

Furthermore, the document at issue appears to be a draft policy, not a model policy approved through rulemaking

- 9 process, and therefore should have no basis there.
- 10 Furthermore, this exhibit was disclosed to state defendants
- 11 yesterday and we would further object as an untimely
- 12 disclosure of an exhibit as we didn't have sufficient time
- 13 to review and prepare in response to the same.

THE COURT: Anything further on this matter?

MR. RIACH: Your Honor, with respect to the

16 hearsay and the other evidentiary objections, I would just

- 17 reiterate what's contained in our briefing on the State's
- 18 motion in limine, that in proceedings such as the one we
- 19 have here, a preliminary injunction proceeding, especially
- 20 when there's limited time and opportunity to present live
- 21 testimony about things like this policy, flexible standards
- 22 of admission are allowed to permit the Court to have the
- 23 information it needs to make the decision on the motion at
- 24 issue in --

25

THE COURT: What is this exhibit being offered for

such that the Court would need to use it?

2 MR. RIACH: This exhibit is being offered to show

183

184

3 that -- and we can include this argument in our briefing

subsequent to this hearing. 4

5 THE COURT: Is it offered for the truth of the

6 matter asserted? What's its purpose?

7 MR. RIACH: It's not, Your Honor. It's offered to

show that a model policy has been developed that is --9 THE COURT: The relevance of a model policy is

what?

11 MR. RIACH: The relevance of the model policy is

12 it shows that law enforcement officers from multiple

13 agencies, who came together to promulgate this process with 14 community activists, have determined that provisions similar

15 to those contained within the plaintiffs' proposed

16 injunction are feasible and, in fact, going to be adopted as 17 best practices.

I don't want to get into argument here during my cross examination, but this policy is relevant because it shows that what the plaintiffs have proposed is something

21 that's been viewed as reasonable by multiple law enforcement

22 officers.

23 The members of the ad hoc committee that developed 24 this policy were made up of four community activists and

four law enforcement officers, including the head of the

25

182

1 Sheriffs Association and the Minnesota Peace Officers

Association. They came together and put this document 3 together. It went before the POST Board last week, at the

4 end of the week. The POST Board adopted it as a model

5 policy and advanced it through for review as a mandatory

6 policy. That adoption was unanimous by the entire POST

7 Board.

8 It's relevant because it shows that what we're 9

asking for makes sense. Now, Commissioner Harrington hasn't 10 reviewed it, so there's a limited amount of what I can ask

11 him about within the document, but given the nature of this

12 proceeding and the importance of the questions that the

13 Court has to consider here, this is the kind of evidence

14 that should be before the Court.

If the state defendants want to contest the accuracy of this document, its validity, think it's full of errors, it's fraud, whatever, if they have some evidence

18 that this isn't what it purports to be, they can certainly

19 advance that in their briefing, but it should at least be 20 before the Court. And I can represent this is pulled from

21 the Department of Public Safety website link that goes to

22 the POST Board.

23 THE COURT: Counsel, do you wish to be heard? 24 MR. HSU: Yes, Your Honor. We would stress again

25 that, as plaintiffs' counsel pointed out, this policy has

15

16

1

9

12

1 yet to be passed as any sort of permanent rulemaking

- authority. It exists as a draft policy reviewed by the POST
- 3 Board and that's all it is at this point.
- 4 Furthermore, to the extent that counsel alleges
- 5 that this is a model policy crafted by experts in the field,
- 6 we would further dispute this exhibit as an undisclosed
- expert opinion since plaintiff is offering it as apparent 7
- 8 best practices without any supporting expert testimony or
- 9 disclosures to support that inference.
- 10 THE COURT: The Court will admit it as an exhibit
- 11 of the Court, and its weight and merit will be -- is
- 12 evident, frankly, based on the arguments made by counsel.
- 13 So for limited purposes, frankly, informational and not any,
- it appears, bearing on the issues before the Court, it will 14
- 15 be admitted.
- 16 MR. RIACH: Thank you, Your Honor.
- 17 You can take that down, Ms. Anderson.
- 18 BY MR. RIACH:
- 19 Q. Commissioner Harrington, am I correct that no state
- 20 trooper has been disciplined for arresting a journalist
- 21 during your tenure as the commissioner of Public Safety?
- 22 A. Not to my knowledge.
- Q. Has any state trooper been disciplined for using force 23
- 24 against a journalist during your tenure as commissioner of
- 25 Public Safety?

186

- 1 A. Not to my knowledge.
- Q. And has any state trooper been disciplined for using
- 3 chemical weapons against a journalist during your tenure as
- 4 commissioner of Public Safety?
- 5 **A.** Not to my knowledge.
- 6 MR. RIACH: Ms. Anderson, can you call up
- 7 Exhibit 68, please.
- BY MR. RIACH: 8
- 9 Q. Do you recognize the image that you are seeing on the
- screen there, Commissioner Harrington?
- 11 A. No, I do not.
- 12 Q. Okay.
- 13 MR. RIACH: Can you play the first part of this --
- 14 the first minute of this video, Ms. Anderson.
- 15 MR. HSU: Objection, Your Honor. The video has
- 16 not been offered into evidence and on its face it appears to
- 17 be a hearsay statement.
- 18 MR. RIACH: Your Honor, I'm simply seeing if we
- 19 can get some foundation on this. If not, I am going to
- 20 offer it as an exhibit anyways and if the State has a
- 21 hearsay objection, I'll address that when the State makes
- 22 its objection. I'm sorry if the Court can't hear me. I'll
- 23 try to move --
- 24 THE COURT: I couldn't hear you. You said you
- have no foundation?

MR. RIACH: Not yet. Not yet. And it may not

187

188

- 2 have any when I'm done, Your Honor, but I would like to at
- 3 least show Mr. -- Commissioner Harrington the first section
- 4 of the video and ask him foundational questions. If he has
- none, I still intend to offer it as an exhibit. The State,
- 6 I anticipate, will object on hearsay and foundational
- 7 grounds. I'll make my argument. Then the Court can decide
- what it would like to do. But it should be pretty brief.
 - THE COURT: You may proceed as you have indicated.
- 10 The matter -- the exhibit is not admitted. You're seeking
- 11 to lay foundation for it, correct?
 - MR. RIACH: That's correct, Your Honor.
- 13 THE COURT: Okay.
- 14 MR. RIACH: Okay. Can you play the first minute
- 15 of the video, Ms. Anderson.
- 16 (Pause)
- 17 BY MR. RIACH:
- 18 Q. While we are awaiting the video -- oh, maybe we've got
- it here. 19
- 20 (Video recording played)
- 21 Q. Having watched the first minute or so of this video, do
- 22 you recall having seen this video before?
- 23 A. I don't recall it particularly, no.
 - **Q.** Are you familiar with the arrest of Omar Jimenez in May
- 25 of 2020?

- A. I'm not particularly -- I do not recall that in
- 2 particular, no.
- 3 Q. Okay. Do you recall discussion during the George Floyd
- protests of a CNN news crew being arrested while they were
- covering the protests? 5
- 6 A. Yes, I do.
- 7 **Q.** Okay. And what do you recall about that discussion?
- A. That there was a complaint, that we were told that a CNN 8
- group was arrested. We got a call -- I believe the 9
- 10 governor's office received a call from the CEO of CNN. The
- 11 governor responded. And CNN did not ever file a complaint
- 12 with internal affairs alleging any misconduct against the
- 13 State Patrol subsequent to that.
- 14 Q. Did you have any conversations with Governor Walz about
- 15 that arrest?
- 16 **A.** Nothing in particular. I heard from Governor Walz his
- 17 displeasure at having news media arrested, so that was very
- 18 clear from his public statements and the statements we had
- 19 as we were coordinating resources.
- 20 Q. Did you have any discussions with Colonel Langer, the
- 21 State Patrol commander, about the arrest of the CNN crew?
- 22 **A.** We had the same level of conversation about that that
- 23 was not the way we wanted to be doing business and that we
- 24 needed to make sure that we could identify and expedite --
- 25 in those cases where someone was arrested, that we could

189

- 1 expedite their release as quickly as possible.
- 2 Q. Did you ask any questions of Colonel Langer about what
- 3 happened?
- **A.** No, not in particular. 4
- Q. All right. Were you concerned that you heard a report 5
- 6 that state troopers had arrested a CNN crew?
- A. Yes, I was. 7

17

18

19

20

- 8 Q. And why were you concerned?
- **A.** As I said earlier, I really do believe that the media is
- 10 a partner that we need to work with and it is -- whenever
- you are making an arrest, I think, especially an arrest of 11
- 12 the media, I think that's something that should be -- that
- 13 is concerning. It is not something that we do every day.
- It is an exceptional -- it should be an exceptional event. 14
- 15 And even in the context of what was a fairly massive amount

16 of civil unrest, it still was concerning that it happened.

And, frankly, there also was just a concern of what were -- what happened behind the scene there. And so I was assuming that we would have a complaint from them that

- would then be investigated and we would have some facts that 21 would come out of that. They never did choose to make the
- 22 complaint and so I don't know that there was any
- 23 investigation beyond the initial complaint about it.
- 24 Q. So there was no complaint, so the State Patrol, as far
- as you know, never investigated the event further? 25

190

A. Not that I'm aware of, no.

2 MR. RIACH: Your Honor, at this time I would move

3 to admit Plaintiffs' Exhibit 68. I anticipate the State

- 4 will have a number of objections. I'll make the same
- arguments right out of the gate, which is this is a very 5
- 6 important matter for the Court to -- I'm sorry. I can tell
- 7 now that I am in mike range. This is a very important
- 8 matter for the Court, making this decision, and the Court
- 9 should see and hear all the relevant evidence that can be
- 10 put before it.

11

We're constrained by the nature of this hearing

12 and these proceedings from duly authenticating things like

- 13 this video. But if the State has any argument, after
- 14 viewing the video, that it doesn't -- that it purports to 15
- show something that didn't happen, that it's inaccurate,
- 16 that it's fraud, I would certainly welcome them presenting
- 17 that evidence. Otherwise we would like to admit it for what
- 18 it is.
- 19 And I do have a few more questions for
- 20 Commissioner Harrington. I would like to watch the video
- 21 with him and ask him a few follow-up questions based on
- 22 what's in the video. I am not sure that intrudes into
- 23 hearsay because I'm going to be asking him if what he sees
- 24 is consistent with the policies he discussed on his direct
- 25 examination. But that's what I would ask the Court for

permission to do at this time.

2 THE COURT: Okay. And you said you want him to

3 see it for what it is. What is "it"?

4 MR. RIACH: It's a video of the arrest of Omar

Jimenez, the CNN crew and the reporter that we were just

6 discussing during my cross examination of Commissioner 7

Harrington.

THE COURT: Okay. Counsel?

9 MR. HSU: Yes, Your Honor. As counsel

10 anticipated, we object to the admission of this exhibit on

11 the grounds of hearsay and also on the grounds of

12 foundation, authentication. Commissioner Harrington has

13 testified he hasn't seen this video before.

Furthermore, while we recognize the important issues before this Court, the issues with presenting a video like this unauthenticated is it appears to be an edited news clip. So we don't have the full extent, context, or scope of the footage or the events preceding or subsequent to.

And as Commissioner Harrington has stated, he doesn't have the foundation to testify to those events specifically either. Accordingly, admitting this exhibit and presenting it here would risk misconception of the events at hand and offers an improper view as portrayed by this video.

THE COURT: Any response?

192

July 28, 2021

191

MR. RIACH: We would just ask that the Court afford the evidence the weight the Court believes it

3 deserves. I would --

THE COURT: Is there foundation for it? Is it a

5 complete -- how do I know that it's not edited? I just

6 don't have -- I am trying to get some sense of 7

authentication.

8 MR. RIACH: Sure, Your Honor. And I'll represent 9 to the Court that this is a video that I downloaded from the 10 CNN website. And we can watch the video. I don't think

11 there are any visible edits in the video. It's a matter of

12 public record, frankly. It's been viewed many times around

13 the world, including by Governor Walz. Really it's the

14 conduct that is seen in the video that is what I would like 15 to ask Commissioner Harrington about. If the Court has

16 concerns that there's something amiss with the video,

17 obviously the Court can reject this testimony and ignore

18 what we see here.

19 I would note that there are multiple affidavits, 20 declarations that have already been submitted in support and 21 opposition of this motion that contain hearsay, evidence 22 without foundation. It's just the nature of these kinds of 23 proceedings that some of these evidentiary rules have to be 24 viewed flexibly. Otherwise important information is not

25 considered as part of the process.

1 arrested or what the circumstances that surround that are.

- So I'm unable to give you an answer based on what I've just
- 3 seen.
- 4 Q. Okay. Rule number 6 states, "Peace officers learning of
- 5 conduct or observing conduct which is in violation of any
- 6 law or policy of this department shall take action and/or
- report the incident to the officer's immediate 7
- 8 supervisor...."
- 9 Are you aware of any internal reports or
- 10 complaints based on this incident?
- 11 A. I'm not sure what you mean by "internal reports."
- 12 **Q.** Fair point. Let me rephrase the question. Are you
- 13 aware of any state troopers who reported this incident to
- 14 their supervisor?
- 15 **A.** I cannot say that I know in particular. I know that
- 16 State Patrol documents all arrests as a matter of general
- 17 practice and procedure. So it would be unusual in my
- 18 experience for them not to document an arrest.
- 19 Q. Okay. But no trooper, to your knowledge, reported this
- 20 arrest as a violation of the rules that we're looking at
- 21 right now; is that correct?
- 22 A. None that I'm aware of, no.
- Q. And you haven't -- prior to today you hadn't seen this 23
- 24 video, correct?
- 25 **A.** I don't remember seeing this particular video.

200 198

- Q. Okay. And you hadn't looked into this incident at all,
- 2 correct?
- 3 A. No, other than to check whether -- I knew that there had
- been CNN reporters arrested. I checked to see if a
- complaint had been lodged by CNN; and when I found that 5
- there was no complaint lodged by CNN, I didn't pursue the 6
- 7 matter further than that.
- 8 Q. Okay.
- 9 MR. RIACH: Your Honor, it's my understanding we
- have a hard stop at 3:30; is that correct?
- 11 THE COURT: That's correct.
- 12 MR. RIACH: Well, I will end my cross examination
- 13 now. Thank you, Commissioner Harrington.
- 14 THE WITNESS: Thank you.
- 15 THE COURT: Is there anything further for this
- 16 witness?

18

- 17 MR. HSU: Nothing further, Your Honor.
 - THE COURT: May the witness be excused?
- 19 MR. HSU: Yes, Your Honor.
- 20 THE COURT: Sir, you are excused.
- 21 MS. LANDRUM: Your Honor, the defense calls Major
- 22 Joseph Dwyer.
- 23 And, Your Honor, while we're waiting for Major
- 24 Dwyer, I would just like to note for the record that based
- off our rough timekeeping, we've put on approximately an

hour and 15 minutes of testimony, which includes both of our cross examinations.

199

- 3 So I understand that there's a hard stop today at
- 4 3:30 and that Your Honor has other things on her schedule.
- I just want to mention that, as a result, we will not get as 6 much time to put on our affirmative testimony as plaintiffs
 - were allotted.

7

25

10

12

- 8 THE COURT: Okay. Are there witnesses that you
- 9 are planning to excuse because of that?
- 10 MS. LANDRUM: No, Your Honor. We were thinking 11 that we were going to be spending more than 40 minutes with
- 12 Major Dwyer inasmuch as there's a lot of ground to cover
- 13 here with regard to the unrest in May of 2020, as well as 14 April of 2021.
- 15 So, from that standpoint, I have been trying to cut questions on my outline here to make sure that we cover
- 16 17 everything that we believe Your Honor would need to hear.
- 18 That being said, I am nervous about being done by 3:30. And
- then, of course, plaintiffs will want to cross-examine. 19
- 20 THE COURT: Certainly. And so it may mean that we 21 need to schedule more time for the hearing.
- 22 MS. LANDRUM: I will move as quickly as humanly 23
- possible, Your Honor, but I worry that we won't be able to 24 cover everything that we had hoped.
 - THE COURT: I think we need to proceed as you see
- fit to proceed professionally. If we need to have more time
- for this hearing, we will have more time. The Court's 3
- schedule is not going to impede the ability to fairly 4 adjudicate this issue. Okay?
- 5 MS. LANDRUM: Absolutely.
- 6 THE COURT: And so I'm not going to end the
- hearing and the submission of evidence and the presentation
- 8 of witnesses and close and take the matter under advisement
- 9 based on the 3:30 stop. Okay?
 - MS. LANDRUM: Okay, Your Honor.
- 11 THE COURT: So if we need to, we will reconvene.
 - MS. LANDRUM: Thank you, Your Honor. We call
- 13 Major Dwyer to the stand. Thank you.
 - (Witness sworn)
- 15 COURT REPORTER: You can have a seat. If you
- 16 could state your name, spelling your first and last name, 17 please.

- 13 A. It does.
- 14 MS. LANDRUM: Defendants move to admit Exhibit

- 16 MR. RIACH: No objection, Your Honor.
- THE COURT: Exhibit Number 11 is received. 17
- 18 BY MS. LANDRUM:
- Q. Major, do Minnesota State Patrol troopers or lieutenants 19
- 20 or even members of your rank participate directly when
- 21 internal affairs complaints are being investigated and
- 22 making investigatory decisions?
- 23 **A.** So this is an independent process. There will be
- initial conversations that will initiate the disciplinary 24
- 25 process, but as far as our insertion, no.

210

- **Q.** And why is that?
- **A.** To provide transparency and to rule out any type of
- 3 nepotism that may be claimed, independent from our agency.
- 4 Q. Major, I would like to switch gears here and talk about
- 5 May of 2020. Do you have any personal knowledge of what
- 6 occurred in Minneapolis in May of 2020 following the murder
- 7 of George Floyd?
- 8 A. Yes, I do.
- **Q.** And how did you develop that personal knowledge?
- A. So I was -- at that time held the rank of captain and
- 11 was a commander of our Mobile Response Team.
- 12 **Q.** And during the testimony of Commissioner Harrington, he
- 13 testified a little bit about what was occurring on the
- 14 ground, but could you testify from your personal experience
- 15 what was occurring on the ground during that time in
- 16 Minneapolis.
- 17 **A.** So at the time that our state assets were inserted,
- 18 specifically the Mobile Response Team and then progressing
- to the entire State Patrol, it was an evolution of an event,
- 20 reaching, you know, to various pinnacles of riotous
- 21 behavior. At times, you know, reflecting back, it was
- 22 complete pandemonium and, as far as details, just utter
- 23
- 24 Q. Were there any other law enforcement agencies involved
- in the response in Minneapolis in May of 2020?

- A. There were.
- 2 Q. As a state agency, statewide agency, was Minnesota State
- 3 Patrol in charge of any of those other law enforcement
- 4 agencies?
- **A.** They were not. 5
- 6 Q. Why not?
- **A.** So our statutory existence from 299D is that of a
- separate entity. So we do not hold any authoritative power
- over any local jurisdiction or sheriff's jurisdiction of any
- 10 of our allied agencies.
- 11 Q. Does Minnesota State Patrol give orders to other law
- 12 enforcement agencies?
- 13 A. We do not.
- Q. When did Minnesota State Patrol's involvement on the 14
- 15 ground in Minneapolis began in 2020?
- 16 A. So specifically to our Mobile Response Team, we were
- 17 requested on Tuesday, May 26th.
- 18 **Q.** Requested by who?
- A. That would have been the Minneapolis Police Department. 19
- 20 Q. And when did Minnesota State Patrol's involvement end in
- 21 that unrest that was happening?
- 22 **A.** So we were involved in demobilization. It would have
- 23 been June 7th, which was a Sunday.
- Q. So I know we're talking about a substantial amount of 24
- 25 time here and there's a lot of details to cover, but I want

- to focus from your perspective as a law enforcement official
- on the ground the key events that Minnesota State Patrol participated in, going in chronological order to the best
- 4 that you can.

5 What was the first major event that Minnesota

- 6 State Patrol was involved in on the ground?
- **A.** So that Tuesday we were asked to provide site security 7
- 8 basically outside of the Third Precinct, but not an overt
- 9 presence, standing behind a line of Minneapolis police
- 10 officers. That night was drawn to a conclusion as most
- 11 nights were, there was a pinnacle event and then activity 12
 - subsided.

13 The very next evening -- I should say that all of

- our troopers returned to their home destinations throughout 14
- 15 the state and the very next evening was, like, the same
- 16 cycle, notified at approximately the same time and then
- 17 tasked with security again outside of the Minneapolis Police
- 18 Department.
- 19 **Q.** What precinct?
- 20 **A.** The Third Precinct.
- 21 Q. And what day was this? So you testified that you're
- 22 securing the Third Precinct and this is the second night.
- 23 What day is that?
- 24 **A.** So that is Wednesday.
- 25 **Q.** And what significant event happened there?

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 213 215 1 **A.** So that was the -- again, escalation and really the MS. LANDRUM: Oh, it's actually quite short. LANDRUM: 10 what was the next major event that Minnesota State Patrol 11 Q. Do you recognize this video, Major? 11 was involved in? 12 12 A. I do. A. So on the next shift cycle, which would have been 13 13 **Q.** Was this a video you took? Thursday, we were actually removed from the Third Precinct 14 **A.** I did, yes. 14 and that security aspect and given an assignment downtown 15 Q. Does this appear to be an accurate copy of the video you 15 outside the First Precinct to provide security and then also 16 took? 16 to prevent any type of looting on Nicollet Mall. 17 A. It is. 17 Q. So you were reassigned away from the Third Precinct. What happened that night at the Third Precinct? **Q.** And is this the scene from the Third Precinct? 18 19 **A.** It is, the intersection of Lake and Minnehaha. 19 **A.** So that was the evening that the Third Precinct was 20 MS. LANDRUM: Exhibit 42, Your Honor, actually has 20 abandoned and destroyed. 21 two videos within it. Permission to play the second one? 21 **Q.** The mission that Minnesota State Patrol was called to on 22 THE COURT: You may. 22 Nicollet Avenue that evening, can you just briefly describe 23 23 (Video recording played) how that went. 24 BY MS. LANDRUM: 24 **A.** Yes. We progressed through the evening. There were a

25

variety of various crowds down in that downtown area, some

Q. Major --

- **Q.** And so you mention "the next cycle." Where did that
- 1 scheduled events outside the First Precinct, but ultimately 2 criminal and dangerous activity was curbed. There was some
- instance of damage to property on Nicollet Mall, but by and
- 4 large it was evaded.
- 5 **Q.** What was the next key event for purposes of Minnesota
- 6 State Patrol's participation during the unrest in
- 7 Minneapolis in May 2020?
- 8 **A.** So it would have been that very same day, the Thursday
- evening into the early morning hours of Friday, we were
- 10 tasked or I was advised that we needed to go down and
- 11 establish as large as perimeter, based on the Third Precinct
- 12 dynamic, as large as perimeter as possible to provide like a
- 13 safety barrier so that the events that occurred on Tuesday,
- 14 Wednesday, Thursday would not occur again.
- **Q.** So was there significant concerns, safety concerns,
- 16 around the area of the Third Precinct despite the fact that
- it now been sort of abandoned and lit on fire? 17
- 18 **A.** Without a doubt based on the previous night's activity,
- 19 criminal and otherwise, yes.
- 20 Q. We've heard testimony when you were not in the room,
- 21 Major, about the arrest of CNN -- a CNN crew. Were you
- 22 aware that that happened?
- 23
- **Q.** Are you aware of approximately when that happened? 24
- **A.** It would have been that early morning hours of Friday.

 - Q. So was that the same time when Minnesota State Patrol was being called to establish a larger perimeter in that
- 3 area?
- 4 **A.** Yes, it is.
- **Q.** Was that a safe area? 5
- 6 **A.** Based on what we had seen transpire the previous two
- 7 nights, the evacuation of the Third Precinct and the arson
- 8 that occurred, it was not.
- **Q.** Were individuals being dispersed or otherwise arrested
- 10 in that area because of the safety concerns there and the
- 11 looting and rioting and fires?
- 12 **A.** Yes, they were.
- 13 Q. Now, in order to establish the perimeter that you just
- 14 mentioned, what did Minnesota State Patrol do to assist
- 15 Minneapolis?
- 16 **A.** So really the first time in the history of our agency,
- 17 we had called every state trooper and activated them in the
- early morning hours to respond to the city of Minneapolis.
- **Q.** Had that ever happened before?
- 20 **A.** Not to my knowledge.
- 21 **Q.** What's the next significant event that occurred?
- 22 **A.** So we did establish that perimeter, just a large,
- 23 multiple-block area. And then upon successfully doing that,
- 24 we started the next cycle, which would have been Friday
- evening into Saturday morning.

- happen; where was that?
 - **A.** So on this particular day we were provided an assignment
- to respond to the area of the Fifth Precinct. There was a
- large demonstration outside there. Based on concerns of
- 6 what had happened at the Third Precinct, we were asked to
- respond and try to prevent, you know, a similar situation of
- arson and damage and just harm to citizens in that area. So
- we did respond to that area. Immediately the crowd
- 10 dispersed, and that was after curfew, so at that point we
- 11 initiated patrolling the streets on foot patrol and issuing
- 12 curfew citations, curfew enforcement basically.
- 13 Q. Okay. And that's around the area of the Fifth Precinct?
- 14 A. Yes, ma'am.
- 15 **Q.** What happened next?
- A. So working collaboratively with Minneapolis Police
- 17 Department, we did try to effect a mass arrest.
- 18 Q. And the Court has heard today that phrase, "mass
- arrest," but it would be helpful, I think, if you would just 19
- 20 explain to the Court from your perspective. What is a mass
- 21 arrest?

25

- 22 A. Yes. So in the arena of crowd control or crowd
- 23 management, there are a couple of different tactics that we
- 24 can employ.
 - One of it is crowd dispersal. The issue with

220

July 28, 2021

219

- crowd dispersal, and especially given the environment that we were transgressing through, it just pushes the, if you
- 3
- will, problem area to another area or allows it to occur,
- 4 you know, the next evening. So that's the cycle. It really
- 5 doesn't culminate to an end.

6 A mass arrest situation, working in conjunction

- with various departments, if you have enough resources to
- 8 encircle a group, putting pieces of the puzzle into place
- 9 systematically, and I like to call it like a choreography,
- 10 so that it's built in a timely fashion, allowing people
- 11 to -- you know, an avenue of exit and then if there's
- 12 noncompliance, that final piece comes into place and then
- 13 there's enforcement action taken.
- 14 Q. You mentioned there that dispersal on its own was not
- 15 always effective. Is that a lesson that Minnesota State
- 16 Patrol was learning on the ground in Minneapolis in May of
- 2020? 17
- **A.** Yes, we were.
- 19 **Q.** Are mass arrests common?
- 20 **A.** Previously, no. Over the last 18 months it has been
- 21 more common based on the environment that we're working
- 22 through.
- 23 Q. Now, you mentioned that you attempted to do a mass
- 24 arrest. Where did that -- where was that occurring?
- 25 **A.** After navigating through the city streets, in the area

- Q. What about in the area of the Fifth Precinct, did
- 10 Minnesota State Patrol participate in any attempt to do a
- 11 mass arrest there?
- 12 **A.** Yes, we did.
- 13 Q. Major Dwyer, are you familiar with the Declaration of
- 14 Edward Ou?
- 15 **A.** Yes, I am.
- 16 Q. Did I ask you to review that this morning before your
- 17 testimony?
- 18 A. Yes, ma'am, you did.
- 19 Q. And did you, in fact, review it?
- 20 **A.** I did.
- 21 Q. And did I ask you to review the videos that he took that
- 22 were attached to his declaration?
- 23 A. Yes, you did.
- 24 Q. And did you review those videos?
- 25 A. Yes, ma'am.

- Q. Was a dispersal order given before that law enforcement
- line started to move forward?

Street and effect a mass arrest.

- 3 A. In conjunction with the curfew order, there was a
- 4 dispersal.
- **Q.** What was the basis for the dispersal? 5
- 6 A. Being after curfew and that this was no longer a
- lawful -- it was after hours. 7
- Q. Did the dispersal order apply to media, members of the
- media who were present in that area? 9
- A. Yes. 10
- 11 O. Why?
- 12 A. Because even though media personnel were exempt from a
- 13 curfew order, based on the law enforcement operation to
- provide a safe perimeter and safe area to work, not only for 14
- 15 the law enforcement personnel, but everybody in that area,
- 16 it was the intent to clear the entire landscape.
- 17 Q. Why couldn't media just stay behind? Why couldn't they
- stay behind the law enforcement line as it was moving
- 19 forward to effect the mass arrest?
- 20 **A.** From a law enforcement perspective, that provides a
- 21 significant security risk, not only to personnel, but for
- 22 their safety as well. We also house a large number of
- 23 resources, tools that we need to effectively move crowds.
- 24 So the best practice is that everybody stays out in front of
- 25 the line and either disperses in the direction -- the

222

- 1 **Q.** So you're familiar, then, when I refer to what is
- 2 Plaintiffs' Exhibit 14, which is an exhibit during the
- 3 daytime which appears to be outside of the Fifth Precinct.
- 4 Would you agree with me, having viewed that this morning,
- 5 that it looks like that is in the area of the Fifth
- 6 Precinct?
- 7 **A.** Yes, it is.
- 8 **Q.** After having watched that video again this morning, can
- you describe to the Court from a law enforcement perspective
- 10 what was happening there.
- 11 **A.** So the video, as viewed, provides, you know, a very
- 12 short and small window into the event that was transpiring.
- 13 So there is, you know, an active line of law enforcement and
- 14 they are moving down the street there. There is an
- 15 encounter with Mr. Ou. And what's not seen on the video is
- 16 everything, you know, in the periphery, and, again, it is a
- 17 chaotic event.

18 And I think reflecting on that scene, you know, we

- 19 had came up a side street adjacent to Nicollet Avenue,
- 20 descended on 32nd Avenue or thereabouts. And immediately
- 21 upon, you know, forming the line formation on Nicollet Mall,
- 22 we were met with volatility and debris thrown, from rocks,
- 23 bottles, metal projectiles. There's even a report from one
- 24 of our troopers seeing a machete fly through the air and
- land near him. There were still fires, maybe not from this

- 5 Q. Taking a step back, in your 22 years of experience,
- 6 Major, prior to this time did you have experience in crowd
- 7 control?
- 8 A. Yes, I do.
- **Q.** Can you describe that to the Court.
- 10 **A.** So I've been involved in field force operations since
- 11 2008 prior to the Republican National Convention. And since
- 12 that time I've been a member of our Field Force Team, which
- 13 is now our Mobile Response Team. But I've attended all the
- 14 training and have led the training, but I also hold some
- 15 credentialing on a federal level with the Center For
- 16 Domestic Preparedness and instruct for them in field force
- 17 operations.
- 18 **Q.** So it sounds like you actually have a lot of experience
- 19 in crowd control?
- 20 **A.** Yes, ma'am.
- 21 Q. Okay. On the ground in Minneapolis in 2020, was
- 22 Minneapolis State Patrol -- or Minnesota State Patrol ever
- 23 called to use any type of force, such as less lethal
- munitions or chemicals? 24
- 25 **A.** So we did employ riot control tools.

- Patrol's use of force policy?
- 6 A. It does.
- Q. If a trooper were to violate this policy, would they be

- subject to discipline?
- A. Yes, ma'am.
- 10 Q. Now I would like to talk to you about what Minnesota
- 11 State Patrol did immediately after the May into June 2020
- 12 unrest subsided. From a high level, what lessons did
- 13 Minnesota State Patrol learn when it comes to the treatment
- 14 of media?
- 15 **A.** So there's tactics or there are procedures that we have
- implemented. We've always had an outstanding relationship
- and held that in high regard and want to continue that. So 17
- 18 from a documentation standpoint, we invested into certain
- 19 tools. We made ourself what we would say readily
- 20 identifiable in the interest of transparency, that if there
- 21 was an issue, that it could be identified that that indeed
- 22 was a state trooper that was involved. And some of those
- 23 tools, specifically we invested in the Intrepid app and
- 24 Salamander application just for better oversight of our
- 25 operations.

230

- 1 Q. Can you describe for the Court what types of tools were
- 2 used.
- 3 **A.** So there's a variety, but actually through the course of
- 4 evaluation, we've actually limited our inventory. So there
- 5 may be blast balls that are inert. There may be some that
- 6 carry a payload or other dispensaries. There are chemical
- 7 agents as well that we use, specifically CS gas, along with
- 8 direct impact. And then every trooper on their belt carries
- pepper spray, but also there are larger canisters that are
- 10 used.
- 11 **O.** Has the Minnesota State Patrol ever utilized rubber
- 12 bullets?
- 13 **A.** We do not.
- 14 Q. Would any of those agents be utilized without first
- 15 giving an opportunity to disperse?
- 16 **A.** They would not.
- Q. Does Minnesota State Patrol have any policies or 17
- procedures pertaining to the use of force?
- **A.** We have a specific use of force policy. 19
- 20 MS. LANDRUM: Permission to publish Exhibit 10 to
- 21 the witness, Your Honor?
- 22 THE COURT: You may.
- 23 BY MS. LANDRUM:
- **Q.** Major, do you recognize Exhibit 10?
- 25 A. I do.

- Q. And specifically what do those tools, Intrepid and
- Salamander, do for State Patrol?
- A. Basically provide tracking of not only personnel, but,
- like, the Intrepid application allows real-time
- documentation in the field, so as commanders or whoever is 5
- logging information, that is stored on a server or web base
- and it can be monitored virtually real time by supervisory
- 8 or command staff and there's input that can be given related
- 9 to the events.
- 10 Q. And I think you mentioned about Minnesota State Patrol
- 11 being more identifiable. Can you just explain that to the
- 12 Court to make sure we understand what you mean by that.
- 13 **A.** Through the course or the aftermath of events in
- 14 Minneapolis, there were several events that were brought to
- 15 our attention and every time it was always State Patrol,
- 16 State Patrol, State Patrol.

17 So on the front chest protector or the front panel 18 of our chest protector, there's an identifier. Previously

- 19 it just used to be one row of text. As we tried to identify
- 20 individuals in like a Twitter video or grainy quality videos
- 21 that are posted in a myriad of places, it became apparent
- 22 that, like, if it said, "Sheriffs" or "Police "Officer" --
- 23 there was only one during this event that really stood out
- and that was our partners from the DNR. They had two rows 24
- of text, "Conservation Officer." So in an effort to just

233

July 28, 2021

235

- 1 make us readily identifiable, we went with a state
- 2 silhouette with a bright white background and then it says,
- "State Trooper" on it and it's approximately eight inches by
- 4 four inches wide.
- 5 **O.** And is that because Minnesota State Patrol wanted to be
- 6 easily and readily identified as Minnesota State Patrol?
- A. Without a doubt. 7
- 8 **Q.** And just to clarify the testimony that you just gave, in
- May -- for purposes of May 2020, I think you said it
- 10 was Patrol, it was Patrol. Did you mean
- 11 there that other officers were being confused for Minnesota
- 12 State Patrol?
- 13 **A.** That is correct.
- 14 Q. I would like to move to a discussion of Operation Safety
- Net, which the Court has already heard about. But are you 15
- 16 familiar with Operation Safety Net?
- 17 A. I am.
- 18 Q. Are you aware of any steps Operation Safety Net took to
- plan for the presence of media for purposes of the Derek 19
- 20 Chauvin trial?
- 21 A. I am. There were different platforms of outreach to
- 22 make contact with our media partners, different forums. I
- 23 participated in one that was best practices if media
- 24 encountered law enforcement. And then also I know that
- there was an initiative to move towards a standardized press 25
 - 234

17

- credential. 1
- **Q.** You mentioned that you participated in something
- pertaining to best practices. Best practices as to what?
- 4 A. As far as if there is interaction on the media side with
- 5 our partners in law enforcement, of how to navigate safely
- 6 through these very tumultuous and unpredictable events.
- **Q.** And you mentioned the discussion of a press credential. 7
- 8 Can you explain that further to the Court.
- **A.** So in the interest of -- much like our front panel chest
- 10 protector to make us readily identifiable, if there was one
- 11 standardized press pass or credential, it would serve the
- 12 same purpose. So looking at it, you would be able to
- 13 identify that individual as press. Even if they were
- 14 standing side by side with somebody active in the crowd or
- 15 an agitator, a bad actor, there would be that discernible
- 16 markings to allow us to make sure the correct action was
- 17 taken.
- **Q.** In your law enforcement experience, do members of the
- media sometimes get so close as to be side by side with
- 20 agitators or other members within a crowd situation?
- 21 **A.** In recent events I've seen that frequently.
- 22 Q. From a law enforcement perspective, why would it be
- 23 important for you to be able to clearly identify who is or
- 24 is not media visually?
- 25 **A.** So in a crowd dynamic, there is this intermixture of

- everybody. And so there are people that, you know, come to
- the event out of curiosity, there are individuals that come
- to the event to cause harm or damage or create chaos, and
- then there are media individuals that are there to cover the
- events and report on that. So to have that amount of people
- 6 in a very small footprint, it's very challenging to identify
- 7 which person is affiliated with which group.
- 8 Q. Can you explain that to the Court, why that is. Because
- we have heard testimony today from individuals claiming that
- 10 they were easily and readily identifiable as media. Can you
- 11 explain from your perspective how that occurs in the field.
- 12 **A.** As far as trouble in identifying?
- 13 **Q.** Being able to identify who is or is not media.
- 14 A. Certainly. So what we saw in Brooklyn Center and
- Minneapolis, there's, let's say, kind of a covert or trying 15
- 16 to blend in with the crowd that perhaps media is engaged in.

Because we have seen that when media is identified

- 18 by certain groups of demonstrators, protesters, that they
- 19 aren't always accepted kindly and that they direct action
- 20 towards some of these reporters based on, you know, certain
- 21 stories that they've provided or direction or, you know,
- 22 something portrayed in the news. So we've actually had to
- 23 separate reporters from bad actors in the past.

And then on the other side, it provides a tool for

24 25 demonstrators. Those that would like to engage in criminal

- activity or riotous behavior, it provides them almost like a 1 cloak of, again, blending in, not anonymity, but they are
- portraying themselves as media personnel so that they are,
- you know, in this hands-off type environment, knowing the
- particulars of how we treat media and wanting to uphold the
- 6 Constitution and freedom of press.
- **Q.** So you mentioned two concerns there with regard to the 7
- identification of media, one possibly being a safety issue
- for the media coming from persons intending to do harm in 9
- 10 the field. Did I hear that correctly?
- 11 **A.** Yes, that is correct.
- 12 Q. Have you seen that yourself in the field?
- 13 A. Yes.
- 14 **Q.** Did you see that in Brooklyn Center?
- 15 **A.** There were instances of that in Brooklyn Center. We've
- 16 seen it at the Capitol. We've seen it in other venues.
- 17 **Q.** And then you also mentioned that another concern is that
- 18 individuals might claim to be press who aren't, in fact,
- 19 press. Did I hear that right?
- 20 **A.** Yes, that is correct.
- 21 Q. Is that something that you've actually seen in the
- 22 field?
- 23 A. Yes.
- 24 **Q.** And did you see that in Brooklyn Center?
- A. Yes, we did. 25

237

July 28, 2021 **239**

240

- 1 **Q.** And were some of those instances documented?
- 2 A. They were.
- 3 **Q.** Okay. Because that's active criminal investigative
- 4 data, I won't be asking specific questions about those.
- 5 So let's just take a step back, then. We started
- 6 bleeding into Brooklyn Center. Taking a high level, did
- 7 Minnesota State Patrol have involvement in responding to
- 8 Brooklyn Center?
- 9 A. Yes, we did.
- 10 Q. How did Minnesota State Patrol become involved?
- 11 **A.** Again, much like the events of Minneapolis, in the death
- 12 of Daunte Wright we were asked to provide additional
- 13 services or resources to the city as their resources were
- 14 not adequate to respond to the event.
- 15 **Q.** And who made that request?
- 16 **A.** That would have been the City of Brooklyn Center.
- 17 Q. Was Minnesota State Patrol the only other law
- 18 enforcement agency that came to aid Brooklyn Center?
- 19 **A.** They were not.
- 20 Q. Who else responded?
- 21 A. So there was a variety of metro or suburban departments.
- 22 West Metro Command, they were there, the Hennepin County
- 23 Sheriff's Office. A variety of departments.
- 24 Q. Was Minnesota State Patrol in charge of the law
- 25 enforcement response that occurred in Brooklyn Center in
 - 238

- 1 April 2021?
- 2 A. No, we weren't.
- 3 Q. Was Minnesota State Patrol issuing commands to any other
- 4 law enforcement agency on the ground in Brooklyn Center in
- 5 2021?
- 6 **A.** No, we were not.
- 7 Q. From a law enforcement perspective -- first of all,
- 8 Major, were you on the ground in Brooklyn Center?
- A. I was.
- 10 Q. From a law enforcement perspective, what was occurring
- 11 on the ground there?
- 12 A. Again, it's this chaotic environment. Initially that
- 13 first day, that Sunday, a very energetic, boisterous crowd,
- 14 noncompliant, agitated, engaging in, you know, throwing
- 15 debris, much like what we saw in Minneapolis. But when
- 16 dealing with this crowd, my assessment of it was even more
- 17 noncompliant than Minneapolis. The groups of individuals or
- 18 individuals themselves were not afraid to stand, like, toe
- 19 to toe with law enforcement.
- 20 Q. I'm certain that you witnessed individuals there who
- 21 were not engaging in unlawful conduct, right?
- 22 A. Yes.
- 23 Q. But so I'm hearing that there were some individuals
- 24 engaging in unlawful conduct?
- 25 A. That is correct.

- 1 Q. Did Minnesota State Patrol incur any injuries as a
- 2 result?
- 3 **A.** We did have troopers that were injured.
- 4 Q. How did this unrest in Brooklyn Center, and I think you
- 5 touched upon this a little bit, but how did it compare as a
- 6 whole to what you experienced in May 2020?
- **A.** So it really contributed to -- a difference was the
- 8 smaller footprint. In Minneapolis it was spread out, you
- 9 know, through a large sector or various sectors of the city.
- 10 In Brooklyn Center, it was confined to the area directly in
- 11 front of the Brooklyn Center Police Department, specifically
- 12 that Humboldt Avenue area and just that north-south
- 13 corridor, and those week's events transpired in that very
- 14 small footprint. So there is a small, like, commercial
- 15 sector, but also there is a larger residential footprint as
- 16 well.
- 17 **Q.** And when did Minnesota State Patrol -- or how long was
- 18 Minnesota State Patrol on the ground in Brooklyn Center?
- 19 **A.** For a period of a week.
- 20 Q. Can you describe for the Court from a high level what
- 21 the law enforcement response to that was. What did law
- 22 enforcement do in response to the unrest they were seeing?
- 23 **A.** Certainly. So we worked cooperatively, collaboratively
- 24 with our law enforcement partners of those various
- 25 jurisdictions to quell the unrest.

1 Q. And how did you do that?

- 2 A. So there were evenings that we would try to effect,
- 3 like, the mass arrest situation. Some of those evenings
- 4 were successful. The very first night that we were there,
- 5 putting all the, again, puzzle pieces together, one arrest
- 6 was effected out in front of the police department. And
- 7 then the Friday evening, that was on the other end of the
- 8 spectrum where a large mass arrest was effected.
- 9 Q. The Court heard a little bit of testimony today about a
- 10 fence around the Brooklyn Park -- or Brooklyn Center Police
- 11 Department. Can you share, what was the law enforcement
- 12 purpose of that?
- 13 **A.** Really it was a de-escalation.

So any time that there's law enforcement insertion, we recognize that that very well could serve as an audience at some point and there's a lot of energy directed at that group of law enforcement, which we saw

18 there.

So in an effort to remove that law enforcement line, which was there the first night, on Monday there was a single fence that was erected on the front side of the

22 Brooklyn Center Police Department.

And then on a subsequent night there was a double layer of fence, which would allow for law enforcement to be

totally removed and at a greater distance from the crowd,

EXHIBIT A

1 not to incite undue or unneeded energy.

- 2 Q. Was that a lesson learned from May 2020, the fencing?
- 3 A. Without a doubt, and that's a tactic that is still
- 4 implemented in locations.
- 5 Q. Did Minnesota State Patrol officers take photos of what
- 6 was occurring in Brooklyn Center?
- 7 A. They did.
- 8 Q. And where were they housed?
- 9 **A.** So we do have a server, a specific drive based on
- 10 events, and they're kept at that location.
- Q. And were they also obtained through Intrepid, the new 11
- 12 system that you just discussed?
- 13 A. Yes, ma'am.
- MS. LANDRUM: Permission to publish Exhibit 43 to 14
- 15 the witness, Your Honor?
- 16 THE COURT: You may.
- 17 BY MS. LANDRUM:
- 18 Q. Exhibit 43, Major, is a compilation of photos, and
- 19 Ms. Kosek will cycle through them quickly. Do you recognize
- 20 these as being photos taken from Brooklyn Center?
- 21 A. I do.
- 22 **Q.** And how do you know that?
- 23 A. It's a depiction of various debris. Location is outside
- 24 of the Brooklyn Center Police Department in the area of
- 25 Humboldt Avenue.

- Q. And are these maintained by Minnesota State Patrol as
- part of their law enforcement duties?
- 3 A. They are.
- 4 MS. LANDRUM: The state defendants move to admit
- Exhibit 43 into evidence, Your Honor. 5
- MR. RIACH: No objection. 6
- THE COURT: Exhibit 43 is received in evidence. 7
- 8 MS. LANDRUM: Thank you, Your Honor.
- 9 BY MS. LANDRUM:
- Q. Were dispersal orders given in Brooklyn Center, Major?
- 11 **A.** Yes, ma'am, there were.
- 12 **Q.** Did they apply to media?
- 13 A. Yes.
- 14 **Q.** Why?
- 15 **A.** Much like in the city of Minneapolis, the environment
- was unsafe and it needed to be cleared in order to prevent
- 17 the ongoing activity that was occurring.
- 18 Q. Now, the Court heard testimony today that in Brooklyn
- 19 Center the dispersal orders specifically mentioned the
- 20 media. Can you explain why.
- 21 A. Yes. So understanding the dynamic that we navigated
- 22 through in Minneapolis and wanting to make it clear to our
- 23 media partners and provide like a safe environment and,
- 24 like, specific instructions, like this is -- in order to
- continue reporting of events, we've designated an area or a

- safe location for you to continue your journalism.
- 2 **Q.** And how are the dispersal orders issued?
- A. So we have what's called an LRAD, it's a long-range
- acoustical device, and they're broadcast on that device.
- Q. This morning did I direct you, Major, to review the
- videos -- we already reviewed this, but so this morning I
- asked you to review the videos of Edward Ou; is that
- 8 correct?
- A. Yes, ma'am.
- 10 Q. And had you seen those before?
- 11 A. I have.

13

- 12 Q. I think it's worth --
 - MS. LANDRUM: Shirley, if you can pull up very
- 14 quickly Plaintiffs' Exhibit 8, we'll play it again. It's
- 15 been admitted into evidence.
- 16 (Video recording played)
- 17 MS. LANDRUM: Can you pause it there, Shirley.
- 18 Thank you, Shirley.
- 19 BY MS. LANDRUM:
- 20 Q. Major, can you share with the Court from a law
- 21 enforcement perspective what you're seeing in this video.
- 22 **A.** So my assessment and recollection is there's a line of
- 23 law enforcement, which would be to the south here on
- 24 Humboldt Avenue. It's directly in front of the Brooklyn
- Center Police Department. And there are still a number of 25

individuals out in front of that law enforcement line to the

- north of them.
- Q. Now, here at this portion where Ms. Kosek has stopped
- the video, can you see two individuals that appear to be
- 5 recording the law enforcement officers?
- 6 A. I do.
- 7 Q. Based on your law enforcement experience on the ground,
- can you determine, one way or the other, whether or not
- these are members of the media?
- 10 **A.** Given this snapshot in time, no.
- 11 **Q.** Why not?
- 12 A. Like I spoke about previously, just mere attire and in
- 13 an effort to blend in, but also it's just the use of cell
- 14 phones or devices, cameras. This is not uncommon, for
- 15 everybody to bring a cell phone or some sort of recording
- 16 device to these events.
- 17 Q. Now, in the shot here you can see some individuals in
- the street that appear to be between the law enforcement
- 19 line and protesters. Can you explain to the Court, is there
- 20 anything problematic with their location there?
- 21 A. Yes. So the intent of the law enforcement line in this
- 22 general area, in order to bring the events of this
- 23 particular evening to a close safely, is to actually clear
- 24 the streets.
- 25 What is to the north of this location is a large

Did Minnesota State THE COURT: Any objection? 6 Patrol utilize force of any kind in order to effectuate a 6 MR. In Brooklyn Center did you ever personally witness a BY MS. LANDRUM: 10 trooper intentionally targeting a member of the media with a 10 Q. Can you just describe for the Court -- do you have any 23 MS. LANDRUM: State defendants move to admit 24 recognition of what you're seeing here? 24 Exhibit 21, Your Honor. 25 **A.** Yeah. So this is the very commercial area that I spoke 25 MR. And what was occurring at this area at the time? 3 Ms. Kosek. 4 MS. LANDRUM: Could you play it again, Ms. Kosek. 4 (Video recording played) 5 BY MS. There's a moment here in this video where you see a 7 at previous riots, the looting, the damage to property, the bright light flashing, right there (indicating). Can you Dollar Tree was subject to arson and the individuals, you describe for the Court what that is. 8 9 know, capturing that. **A.** So at many of these events the crowd, members of the 10 BY MS. So this very well could be like a high-intensity 12 the ground, would you identify all these people as being 12 light that is pointed towards law enforcement. Otherwise, 13 13 members of -- journalists or members of the media? you know, it's not out of the realm of possibility for laser A. Given that snippet of video, it's very hard to discern 14 14 light to be used. 15 15 who is media and who is general public. MS. LANDRUM: Permission to present to the witness 16 MS. BY MS. LANDRUM: 19 20 BY MS. LANDRUM: 20 Q. Major, do you recognize Exhibit 22? 21 Q. Given what was occurring here, the looting, as you 21 A. I do. 22 mentioned, is it appropriate for people to be in this area? 22 **Q.** What is it? 23 A. So this also would be unsafe, and this area needs to be 23 **A.** So that's a scene from Brooklyn Center outside the 24 cleared to prevent further criminal activity. 24 residential area in the area of 6700 Humboldt and the crowd Q. Did Minnesota State Patrol take any videos of the unrest 25 in that area.

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021

- 1 **Q.** Is this a video that Minnesota State Patrol took?
- 2 A. It is.
- 3 **Q.** Does this appear to be an accurate copy of the video
- Minnesota State Patrol took in Brooklyn Center in April
- 2021? 5
- A. Yes. 6
- 7 MS. LANDRUM: Your Honor, the state defendants
- 8 move to admit Exhibit 22.
- 9 MR. RIACH: No objection.
- 10 THE COURT: It is received.
- 11 BY MS. LANDRUM:
- 12 **Q.** Now, we'll probably have Ms. Kosek play it a couple
- 13 times and you could just maybe provide a narrative for us,
- what all we're seeing here on the ground and sort of from 14
- 15 the law enforcement perspective the importance of it.
- 16 Maybe we could talk about the umbrellas first.
- 17 What's happening there with the umbrellas?
- 18 **A.** So that's not out of the realm of normal at these
- 19 events. We've seen it across the nation and now we've seen
- 20 it in Minnesota. But they are used to mask, like, the next
- 21 intentional move, to provide concealment, whether it is to
- 22 compile debris to be thrown or talk about strategy, like the
- 23 next move that they're going to implement, but really the
- 24 biggest fear is some type of weaponry directed at law
- 25 enforcement.

- **Q.** At this point in the evening, would a dispersal order
- already have been issued?
- 3 A. Yes, it would have.
- 4 Q. Now, I have seen periodically what looks like objects
- being thrown towards law enforcement. Am I seeing that 5
- 6 right?
- 7 A. Yes, you are.
- 8 MS. LANDRUM: If you could play it again,
- 9 Ms. Kosek. Thank you.
- 10 (Video recording played)
- 11 BY MS. LANDRUM:
- 12 Q. I also notice this really bright light here kind of in
- 13 the bottom left quadrant. What's that?
- 14 **A.** So this individual driving this vehicle was present on
- 15 most nights in the area and, again, that's a distractionary
- 16 device. It affects the visibility of our troopers and
- 17 causes distraction.
- 18 MS. LANDRUM: If we can pause it here, Ms. Kosek.
- 19 BY MS. LANDRUM:
- 20 Q. So you can see here that an individual is just running
- 21 across the line of protesters, and then there's another
- 22 individual standing there with what looks like a GoPro.
- 23 From a law enforcement perspective, is that a safe place for
- 24 those individuals to be?
- A. Under the current conditions, no.

- **Q.** Given the dispersal order, is that a lawful place for
- 2 them to be?
- 3 A. It is not.
- 4 Q. And from your perspective as a law enforcement official,

251

252

- the individuals that you can see here, some of whom on the
- sides are recording, would you consider them to be media or 6
- 7 would you be able to identify them as media?
- A. Given the information that I have here, again, it's hard
- to discern who is affiliated with media or who is a member
- 10 of the public.
- 11 Q. I want to turn to the evening of Friday, April 16th, and
- 12 I think that you mentioned that that was the night where
- 13 there was the largest mass arrest. Did I hear that right?
- A. Yes, ma'am. 14
- 15 **Q.** Was a dispersal order given that day?
- 16 A. It was.
- 17 Q. Who gave it?
- 18 **A.** A member of the law enforcement. I don't recall if it
- was the State Patrol. 19
- 20 **Q.** The Court heard testimony today from a witness that was
- 21 present who believed that perhaps a dispersal order was not
- 22 given. What's your reaction to that?
- 23 A. So I know that a dispersal order was given and it very
- 24 well could have been using our LRAD system, but considering
- it wasn't our primary authority, that we were assisting, it 25
- 250
- would have defaulted to either the Hennepin County Sheriff's
- 2 Office or one of the other departments assisting.
- 3 Q. Would Minnesota State Patrol ever effectuate a mass
- 4 arrest without first issuing a dispersal?
- A. We would not. 5
- 6 Q. Can you explain to the Court what was happening that
- 7 Friday night before the dispersal order was given.
- **A.** Much like some of the previous evenings, there was a 8
- 9 large congregation of a crowd. It was volatile. It was
- 10 violent at times. The projectiles, the debris, a lot of
- 11 this was directed at the Brooklyn Center Police Department
- 12 even though the law enforcement contingent was removed from
- 13 the direct fence area and up towards the building, but there were reports of, again, large items of debris, paint being
- 15 used. And really what precipitated or the, I guess, flash
- 16
- point, if you will, for the mass arrest was individuals
- 17 trying to breach the first fence that was erected.
- Q. The Court also heard testimony today from a member of 18
- 19 the media who was photographed on that Friday, April 16th,
- 20 and this is actually the testimony of Christopher -- now I
- 21 forget and I'm going to mispronounce his last name --
- 22 T-u-i-t-e. Are you familiar with his testimony via his
- 23 declaration and videos?
- 24 A. I have reviewed the declaration and videos.
- 25 Q. Because I asked you to do that this morning?

Goyette, et al. vs. City of Minneapolis, et al.

- 1 A. Yes, ma'am.
- 2 Q. Can you describe for the Court what Minnesota State
- 3 Patrol was attempting to do in photographing members of the
- 4 media on Friday, April 16th.
- 5 **A.** Certainly. So there was no ill intent by photographing
- 6 individuals or press credentials. It was really in an
- 7 effort to expedite the process to be able to log the
- 8 information and either confirm at a later time or have
- 9 documentation that we did indeed have contact with these
- 10 individuals, so there wasn't, you know, reports of
- 11 wrongdoing afterwards.
- 12 **Q.** What was the purpose in the first place? Why was there
- 13 a need to identify who these individuals were?
- 14 A. So it's our standard protocol that everybody, like,
- 15 within a containment or that mass arrest situation, that
- 16 we're identifying all those individuals. It's part of our
- 17 enforcement or arrest process. Through the use of Intrepid
- 18 everybody has their photograph taken, a trooper will enter
- 19 individual notes, and then either they're released after
- 20 determining, you know, proper affiliation or they're
- 21 escorted to, you know, the enforcement line.
- 22 Q. So those individuals who were photographed, they had
- 23 been caught -- they had been encircled in a mass arrest; is
- 24 that right?
- 25 **A.** Yes, ma'am.

254

- **Q.** And had a dispersal order already been granted by that
- 2 time -- or had a dispersal order already been issued at that
- 3 time?
- 4 A. That is correct.
- 5 **Q.** And did members of the media know that it applied to
- 6 them?
- 7 **A.** It is my belief that the dispersal order -- they should
- 8 have known, yes.
- 9 **Q.** So those individuals being photographed, were they not
- 10 members of the media, were they otherwise subject to arrest?
- 11 **A.** Yes, they would be.
- 12 **Q.** Why?
- 13 **A.** Because they were still present at the scene after
- 14 direct information was given them to leave the scene.
- 15 **Q.** We heard testimony today from a photographer who had
- 16 refused to leave a mass arrest encirclement. From a law
- 17 enforcement perspective, what is the problem with members of
- 18 the media remaining in an encircled area where a mass arrest
- 19 is being conducted?
- 20 **A.** Really it complicates the entire process from an
- 21 efficiency standpoint, but also, again, as I previously
- 22 spoke to, it's this intermixing of people from different
- 23 affiliations, media, the public. So trying to navigate
- 24 through that is troublesome.
- 25 Q. Are there any safety issues presented by a member of the

- media maintaining their presence within an encirclement?
- 2 **A.** Without a doubt. So even though that -- it's relatively
- 3 stabilized, it's still unpredictable within that
- 4 environment. It's not uncommon for individuals to still
- 5 resist law enforcement in that environment. So the process
- 6 of mass arrest is to form this encirclement, but then to
- 7 send controlled teams to effect an arrest and extract
- 8 individuals from the inside.
- 9 Q. When Minnesota State Patrol troopers were directing
- 10 members of the media to remove themselves from the mass
- 11 arrest encirclement, did they do that for the purpose of
- 12 preventing them from doing their jobs as reporters?
- 13 **A.** No, ma'am.
- 14 **Q.** Why did they do it, then?
- 15 **A.** It was really in an effort to remove them from the
- 16 unsafe environment and to provide them with an area to
- 17 continue their reporting in a safe area.
- 18 Q. Well, could they continue that reporting just
- 19 immediately outside the encirclement area?
- 20 **A.** We did allow that.
- 21 Q. And so talk to me about that. With regard -- you
- 22 mentioned providing a safe area. Is that something that was
- 23 happening in Brooklyn Center?
- 24 A. Every evening, yes.
- 25 Q. Can you describe that to the Court.

256

July 28, 2021

- **A.** So even in one of our dispersal orders we had given
- 2 direction to go to a certain location because it was deemed
- 3 safe. And we're at a little bit of an advantage because we
- 4 know our next move, and there were times where myself or
- 5 other commanders would have conversations with members of
- 6 the media, telling them that we're going to start effecting
- 7 arrests here and that this will be, you know, a safe
- 8 location for you, and those, obviously, were the ones that
- 9 were clearly identifiable with what we deemed, you know,
- 10 like mainstream credentialing. And then there were other
- 11 times where they had to be extracted from that inside and
- 12 then a location was identified where they can continue their
- 13 coverage.
- 14 Q. Is that a standard practice for Minnesota State Patrol,
- 15 to try to provide a safe area where media can continue their
- 16 coverage if they're located in an area that's not safe?
- 17 A. It is. It's something that we've been doing for a
- 18 number of years. Also, like, at the State Capitol, that's
- 19 really where we've had the most exposure prior to
- 20 Minneapolis and Brooklyn Center, but there are times that we
- 21 are having conversations with our media partners and telling
- 22 them that maybe the best area is not right on top of the
- 23 demonstration. So we will point out several locations. It
- 24 might be across the street with elevation. It might be at a
- 25 different vantage point. But I think a lot of media

1

- 1 relations partners are trying to, like, capture from the
- 2 best vantage point to tell the story.
- 3 **Q.** Major Dwyer, did you personally have any other direct
- 4 experiences with members of the media on the ground in
- 5 Brooklyn Center?
- 6 A. Yes, I did.
- 7 **Q.** Can you describe for the Court what that experience was.
- 8 A. So there were multiple occasions where I would go out in
- 9 front of our line of troopers, so I was in between law
- 10 enforcement and the members of the crowd, but I would
- 11 initiate conversations with the media and let them know,
- 12 like, where safe locations were.
- 13 If they were in the middle of a mass arrest
- 14 situation, I would make contact with those, have the
- 15 troopers identify them, try to verify their credentialing,
- and then as soon as possible, as soon as feasible, we would,
- 17 like, escort them out of that inner circle. And then there
- 18 was an incident where I did intervene to prevent an arrest
- 19 of a media partner.
- 20 Q. Can you describe that intervention for the Court.
- 21 **A.** So it was on the evening of that Friday. Another allied
- 22 agency -- so the encirclement had occurred. A member of the
- 23 media was trying to get back to his vehicle. He was
- 24 directed by a member of the allied agency to go around the
- 25 other side of the building. There was noncompliance by the
 - 258
 - 1 individual from the media. He wanted to go around what he
- 2 thought was the most efficient travel to his vehicle. He
- 3 was directed again to go around the opposite side of the
- 4 building. Again there was noncompliance. At that time the
- 5 allied agency informed him that he was under arrest.
- 6 Having some experience and additional knowledge
- 7 about relationships of media and wanting to provide that
- 8 freedom of press, I intervened and said that I'll handle
- $\,9\,\,$ $\,$ this situation, despite putting me in an awkward situation
- 10 with a member of law enforcement, but then escorting him
- 11 around the building and to a safe location where he could
- 12 exit the encirclement.
- 13 **Q.** Given the chaos that was happening at that time, why did
- 14 you choose to intervene?
- 15 **A.** It's the right thing to do. It's the -- not
- 16 everybody -- not every department possesses the same level
- 17 of knowledge in what I like to call the care and handling of
- 18 our media to ensure that their best interests are upheld.
- 19 **Q.** Thank you, Major. I have no further questions.
- 20 A. Thank you.
- 21 THE COURT: Cross examination?
- 22 MR. RIACH: Thank you, Your Honor.
- 23 THE COURT: You're welcome.

- CROSS EXAMINATION
- 2 BY MR. RIACH:
- 3 Q. Good afternoon, Major. My name is Kevin Riach. I'm an
- 4 attorney with the plaintiffs in this case. Okay?
- 5 A. Good afternoon, sir.
- 6 Q. Just as a preliminary matter, you are Major Dwyer now,
- 7 correct?
- 8 A. That is correct.
- **Q.** And during the George Floyd protests, you were a captain
- 10 at that time; am I correct?
- 11 A. That is correct, sir.
- 12 Q. So you were promoted between the George Floyd protests
- 13 and today, correct?
- 14 A. That is correct.
- 15 **Q.** When were you promoted?
- 16 **A.** June 3rd of 2021.
- 17 **Q.** Okay. There was a purge of records at the State Patrol
- 18 immediately after the George Floyd protests; is that
- 19 correct?
- 20 A. So there was a purge of e-mails and text messages,
- 21 correct.
- 22 **Q.** All right. What date was it that those materials were
- 23 purged?
- 24 A. I don't have a recollection, sir.
- 25 Q. It was immediately after the George Floyd protests,
- - 2 A. That is correct.
 - 3 Q. Was it before you demobilized on June 7th?
 - 4 A. It was not.
 - 5 **Q.** Okay. It was after June 7th?
 - 6 **A.** I believe so, yes.
 - 7 Q. And the purge included e-mail correspondence, correct?
 - 8 A. Correct.
 - 9 **Q.** And text messages?
 - 10 A. Yes, sir.
 - 11 Q. Were any paper documents purged?
 - 12 **A.** They were not.
 - 13 **Q.** What other electronic records were purged?
 - 14 **A.** To my knowledge, none.
 - 15 **Q.** And who ordered that those records be purged?
 - 16 **A.** There's no order. It's really a standard practice over
 - 17 the course of time that we remove, you know, delete text
 - 18 messages, delete e-mail messages.
 - 19 Q. And the text messages and e-mail messages that were
 - 20 deleted, did that include any text messages and e-mail
 - 21 messages sent during the George Floyd protests?
 - 22 A. It was all e-mails and texts.
 - 23 Q. Were any electronic reports that had been created during
 - the George Floyd protests destroyed?
 - 25 **A.** They were not.

CASE 0:20-cv-01302-WMW-DTS Doc. 219-1 Filed 09/03/21 Page 66 of 78 Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 261 263 1 Q. And you said this is just an automatic purge that particular instance, though, most of the State Patrol 2 happened? 2 deleted at the same time? 3 **A.** Periodically, correct. 3 A. No. It would have been, you know, following according -- I can't speak to how everybody deleted their 4 **Q.** How often does that happen? 5 **A.** There's no set occurrence to it, it varies from person 5 e-mails. to person, but it is a recommended practice. 6 6 **Q.** What was your historic practice for deleting and Q. Was this a state -- was this throughout the State Patrol destroying your e-mails? that records were destroyed? A. Periodically. You know, I don't have a set time of the month. It's just periodically. 9 MS. LANDRUM: Objection, lack of personal 9 10 knowledge, calls for speculation. 10 Q. Now, are there any record retention policies employed by 11 THE COURT: I don't understand your response. You 11 the State Patrol? 12 said it was person to person? 12 **A.** There are. We do have a retention schedule. 13 THE WITNESS: So it varies person to person, Your 13 **Q.** What's your retention schedule? A. Related to? 14 Honor. So one individual may purge documents on the 1st of 14 15 every month or, you know, remove them from their e-mail 15 Q. To e-mail correspondence. Are you required to keep 16 server. Another person may do it on the 15th. There is no e-mail correspondence for a certain period of time? 17 set practice delineating this. It varies individually. 17 A. We are not. 18 THE COURT: But it's automatic? 18 Q. You can delete your e-mails any time you want? THE WITNESS: No. It is an act where individuals 19 19 A. That is correct. 20 delete their e-mail basket and then go into another layer of 20 **Q.** What about text messages, are you required to keep your 21 the deleted folders and then remove from that server. 21 text messages for any period of time? 22 MR. RIACH: May I inquire, Your Honor? 22 A. We are not. 23 THE COURT: Please. Q. You can delete those any time you want? 23 24 BY MR. RIACH: 24 **A.** That is correct. 25 Q. So help me understand this, Major. Was this something 25 Q. All right. And you just decided, shortly after the 262 264 you did with your own records; is that correct? George Floyd protests, this would be a good time to clean **A.** It was common practice through the agency, not just my out my inbox? 3 records. 3 **A.** It is consistent with events, large-scale or otherwise, 4 Q. Okay. Let's start with you. Okay? You purged your 4 we periodically delete our inboxes. 5 records sometime immediately after the George Floyd Q. So after a large-scale event, mass unrest, it's your 5 6 protests, correct? 6 practice to delete all your e-mails? 7 **A.** I deleted my e-mails and text messages, correct. 7 **A.** I periodically delete my e-mails. Q. All right. Do you know of anyone else who deleted their Q. Were any of the records that you deleted reviewed to determine if they had any bearing on this case? e-mails and text messages immediately after the George Floyd 9 10 protests? 10 A. Other than myself? 11 A. Yes, I do. 11 Q. Did anyone review what you deleted to determine whether 12 MS. LANDRUM: Objection, calls for speculation, 12 it was relevant to this case? 13 lack of personal knowledge. 13 **A.** No, they did not. 14 THE COURT: It does not. You may answer the 14 **Q.** You were aware that this case had been filed, though, at 15 question "do you know." the time the materials were deleted, correct? 15 16 THE WITNESS: Yes, ma'am. 16 **A.** I was aware that there was litigation and I retained my

- 17 THE COURT: You may proceed with your questioning.
- 18 MR. RIACH: Thank you, Your Honor.
- 19 BY MR. RIACH:
- 20 **Q.** Who else deleted their e-mails and text messages?
- 21 A. So I will, I guess, offer speculation. I don't --
- 22 didn't actually see them delete them, but I do believe a
- 23 vast majority of the agency.
- Q. So normal practice was kind of person to person, a
- person might do this just to clear out their inbox. In this

- 17 records in relation to a litigation hold.
- 18 **Q.** When was the litigation hold placed?
- 19 **A.** I'd have to have my memory refreshed.
- 20 **Q.** That was after the purge, correct?
- 21 A. Again, I don't remember the exact date.
- 22 THE COURT: When you say you retained your
- 23 records, are you also including your e-mail as your records?
 - THE WITNESS: No, ma'am. So we have, again,
- several folders on a server. And specifically to myself and 25

- 1 operations, any type of operational plan or anything as far
- 2 as rosters or pertinent information relevant to the events,
- 3 they would be kept in those folders or files. As far as
- 4 generic or benign e-mails between one another or members,
- 5 those are the items that are deleted.
- 6 BY MR. RIACH:
- 7 **Q.** So I want to make sure I understand you correctly. Some
- 8 of your e-mails were saved?
- 9 **A.** No, sir.
- 10 **Q.** Everything you had in your inbox was destroyed shortly
- 11 after the George Floyd protests?
- 12 **A.** So different platforms. We're talking about Outlook.
- 13 So everything that's within that system, that was deleted.
- 14 That doesn't mean that there's not a record of it or, you
- 15 know, if there's an attachment or something relevant to the
- 16 operational needs, that those are not -- those would be
- 17 saved in a separate folder.
- 18 Q. And did you communicate with the other troopers that are
- 19 under your command about deleting their inboxes?
- 20 **A.** There are reminders by district commanders and
- 21 supervisory staff at various times to clean up their Outlook
- 22 folders.
- 23 Q. Did you speak with any of your lieutenants about them
- 24 deleting their e-mails shortly after the George Floyd
- 25 protests?

266

- 1 **A.** I don't have a recollection, but it's not out of the
- realm of possibility.
- 3 Q. All right. Now, troopers were instructed at some point
- 4 during the George Floyd protests that they did not need to
- 5 complete use of force reports, correct?
- 6 **A.** That is correct.
- 7 **Q.** And who provided that instruction?
- 8 A. It was an assessment made by the MACC or the
- 9 Multi-Agency Command Center. And given the chaotic
- 10 nature -- so I should say on the first day that we were
- 11 there, there wasn't any use of force. On the second day
- 12 there were four individual uses of direct impact rounds, and
- 13 those were captured by use of force reports.
- 14 After that period of time, use of force reports
- weren't documented given the really unprecedented chaotic
- 16 environment and an inability to track the munitions used by
- 17 individual members, considering the violence that was
- 18 portrayed against us.
- Q. So let me just make sure I'm clear here. Were troopers 19
- 20 instructed that they didn't have to complete use of force
- 21 reports or were they told do not complete use of force
- 22 reports?
- 23 A. I don't recall the exact conversation. I just know that
- 24 the number of instances where riot control agents were used
- were so vast that -- unable to document the use of force.

Also, unchartered territory or waters. Like for our agency,

267

268

- considering, like, we're -- typically we know the
- 3 individuals engaged in force against us. So if there was an
- 4 individual that was throwing debris or other objects or
- engaged in violence against us, in an effort to curb that, 5
- 6 it is best practice to use like a direct marking round so
- 7 that individual is marked and possibly arrested later, but
- there are times where they abscond and that individual isn't
- identified. So it would -- potentially there is the
- 10 scenario where you're completing a use of force report where
- 11 there's no information.
- 12 **Q.** Were there any use of force reports completed, to your
- 13 knowledge, after the instruction was given not to fill out
- 14 use of force reports?
- 15 **A.** So there were -- to my knowledge, no.
- 16 **Q.** All right. Now, you did prepare a summary report, kind
- 17 of a day-by-day catalog, of the things that happened during
- 18 the protests, correct?
- 19 **A.** I did complete a commander's report, yes.
- 20 **Q.** Okay. That's called a commander's report?
- 21 **A.** That's what I titled it, sir.
- 22 **Q.** And that included a summary of the events that happened
- 23 on May 30th, correct?
- 24 A. Yes.
- 25 MR. RIACH: Your Honor, I want to make sure

that I'm clear here in the use of this exhibit. Defense

- Exhibit 7, I believe, was a redacted version of that
- 3 commander's report.
 - MS. LANDRUM: That's correct.
- 5 MR. RIACH: And that's something that we can
- 6 display right now without clearing the courtroom; is that
- 7 correct?

4

- 8 MS. LANDRUM: That's correct.
- 9 MR. RIACH: Okay. Ms. Anderson, can you call up
- 10 Defense Exhibit 7, please.
- 11 BY MR. RIACH:
- 12 Q. Now, can you -- well, first of all, Major Dwyer, do you
- 13 recognize this document?
- 14 A. I do.

- 15 **Q.** This is your commander's report, yes?
- 16 A. Yes, sir.
- 17 MR. RIACH: We would move admission of Defense 7.
 - MS. LANDRUM: No objection, Your Honor.
- 19 THE COURT: Exhibit 7 is received.
- 20 MR. RIACH: Thank you, Your Honor.
- 21 Can you scroll ahead to the third page, please,
- 22 and can you pull out the second paragraph, Ms. Anderson, the
- 23 second paragraph under the date May 30th. There you go.
- 24 BY MR. RIACH:
- 25 **Q.** Can you see that up there, Major?

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021

- 1 A. Yes, I can, sir.
- 2 **Q.** Very good. So this is a description of what happened
- 3 that day that you recorded for posterity in your commander's
- 4 report, correct?
- 5 **A.** That is my narrative report to capture the events, yes.
- 6 Q. Okay. You testified about the 30th of May during your
- 7 direct examination by Ms. Landrum, correct?
- 8 A. Yes, sir.
- 9 Q. And I just want to kind of briefly run through -- I have
- 10 a couple of questions about the report. Okay?
- 11 **A.** Sure.
- 12 **Q.** So you and your team of troopers, all the troopers that
- 13 were deployed to the Fifth Precinct that day, you drove over
- 14 there on some Metro Transit buses; is that correct?
- 15 **A.** That is correct.
- 16 Q. Okay. And then the buses dropped you off at the
- 17 intersection of 32nd and Nicollet; is that right?
- 18 **A.** That is my recollection, yes.
- 19 Q. And then you disembarked from the buses and formed a
- 20 line; is that correct?
- 21 A. Yes.
- 22 **Q.** Okay. And upon forming that line, you began to get hit
- 23 with debris; is that correct?
- 24 A. Yes.
- 25 **Q.** So it says here you were taking large amounts of

Q. What about, like, pieces of rebar, you know, those metal

271

272

- bars that go in concrete, was some of that being thrown at
- you as well?
- **A.** There was metal debris, yes.
- **Q.** Okay. And then in response to this, to clear out that
- area you deployed some crowd control munitions, correct?
- **A.** Riot control agents, yes.
- **Q.** So the debris is coming in on you and you decided we
- need to clear these people out, let's use some crowd control
- 10 munitions; is that how it played out?
- **A.** So there was a dispersal first. 11
- 12 Q. Okay.
- 13 A. There was crowd behavior, which included their acts --
- 14 **Q.** Okay.
- 15 **A.** -- a dispersal order, and then riot control agents.
- Q. Okay. So the debris is getting thrown, you fire the
- crowd control munitions, and then you start to move forward; 17
- 18 is that correct?
- 19 **A.** Debris, dispersal.
- 20 **Q.** Okay. Debris, dispersal, munitions, and then the line
- 21 moves forward?
- 22 A. Correct.
- 23 Q. Okay.
- 24 MR. RIACH: Can you take down this exhibit,
- please, Ms. Anderson, and can you please bring up 25

- projectiles, correct?
- A. Yes, sir.
- 3 Q. And that included rocks, yes?
- 4 A. Yes.
- Q. Bricks? 5
- 6 **A.** Yes.
- 7 **Q.** Fireworks were being thrown at you?
- **A.** They were being launched, yes.
- **Q.** Water bottles were being thrown at you?
- 10 A. Yes.
- 11 **Q.** Glass bottles were being thrown at you?
- 12 A. Correct.
- 13 Q. Construction debris?
- 15 Q. When you say "construction debris," what are you talking
- 16 about there?
- 17 **A.** So adjacent to this area, it's in proximity to I-35,
- 18 which was under construction, so I'm speculating that it
- 19 came from that area. Otherwise, I guess construction debris
- 20 would include, you know, landscaping or other items in that
- 21 general vicinity that people would gather.
- 22 **Q.** Were people throwing concrete blocks at you?
- 23 A. Not, like, traditional concrete blocks, no.
- 24 **Q.** Like chunks of concrete from construction?
- 25 A. Yes.

- Plaintiffs' Exhibit 14.
- BY MR. RIACH:
- 3 Q. That's the Ed Ou video. I believe you said you reviewed
- 4 this earlier today?
- 5 A. Yes, sir.
- 6 MR. RIACH: Can you just pause that at 14 seconds.
- 7 You can scoot it ahead there. Can you advance maybe like a
- 8 frame or two. Go one more. There we go.
- 9 BY MR. RIACH:
- Q. Can you see that up there, Major Dwyer, this picture of
- 11 the scene?
- 12 A. I can.
- Q. Okay. So behind you is the buses that you were deployed 13
- 14 from, correct?
- A. Yes. 15
- 16 **Q.** And then this is the line you formed, right?
- 17 A. Yes.
- **Q.** Okay. Now, there's no debris on the ground at this
- point, so this must have been before things were being 19
- 20 thrown at you, correct?
- 21 **A.** That is our initial line, yes.
- 22 Q. All right. So do you see any debris on the ground
- 23 there?
- 24 **A.** Not in the forefront.
- Q. Do you see any construction debris, either behind or in 25

- 1 front of you?
- 2 A. I do not.
- 3 **Q.** Do you see any glass bottles on the ground?
- 4 A. No, I don't.
- 5 Q. Do you see any water bottles?
- 6 **A.** No, sir.
- 7 Q. Do you see any rocks?
- A. I don't.
- 9 Q. Do you see any spent fireworks?
- 10 A. I don't.
- 11 **Q.** Okay.
- 12 THE COURT: Counsel, before you move, if you're
- 13 planning to progress, let's just note where you are in this
- 14 visual.
- 15 MR. RIACH: Sure. I believe we're at 25 seconds
- 16 in the video, Your Honor.
- 17 THE COURT: Thank you.
- 18 BY MR. RIACH:
- 19 Q. So all that must have come flying at some point after
- 20 this frame in the video, correct, Major?
- 21 A. Yes.
- 22 **Q.** Okay.
- 23 MR. RIACH: Can you go ahead and play the video,
- 24 Ms. Anderson.
- 25 BY MR. RIACH:

274

- **Q.** Tell us to pause the video when you see the debris start
- 2 to fly.
- 3 (Video recording played)
- 4 MR. RIACH: Can you pause it there, Ms. Anderson.
- 5 BY MR. RIACH:
- 6 **Q.** Can you direct me to where the debris is located there
- 7 in front of your line? Is there any debris there?
- 8 **A.** I don't see anything to the front there, sir.
- 9 THE COURT: And you are paused at what point in
- 10 the video?
- 11 MR. RIACH: We are paused at 1 minute and
- 12 10 seconds, Your Honor.
- 13 THE COURT: Just so counsel knows, I'm a former
- 14 appellate judge --
- 15 MR. RIACH: I appreciate that.
- 16 THE COURT: -- so I am looking at the record with
- 17 that lens in mind, perhaps prematurely thinking that there
- 18 may be some other judges that may also be interested in this
- 19 transcript. So that's the reason for me interrupting.
- 20 MR. RIACH: I very much appreciate it. And, quite
- 21 frankly, at this point in the day, I'm not too sharp on
- 22 these kinds of things, so I very much appreciate you
- 23 stopping me, Judge. Thank you.
- 24 BY MR. RIACH:
- 25 Q. So there are munitions being fired, though, correct?

- 1 A. There are.
- **Q.** So your prior testimony that you were being hit with
- 3 rocks, glass bottles, water bottles, construction debris,
- 4 chunks of concrete, that is not accurate, correct?
- 5 A. I wouldn't say it's inaccurate. It's not depicted on
- 6 this video. So there is this period of time and I can't say
- 7 that there's -- I'm not seeing anything in the foreground
- 8 here on the video, but there's from 25 seconds to when the
- camera pans a different angle that's unaccounted for.
- 10 Q. So that was that -- when the camera panned, that was
- 11 when the debris rained down on you?
- 12 **A.** I can't say for sure, sir. I know that there was debris
- 13 being thrown. In looking at this, perhaps it didn't reach
- 14 that initial line, but it's not any depiction of what's
- 15 happening to the south of us -- or to the north of us,
- 16 excuse me.
- 17 **Q.** Well, your report says you were taking large amounts of
- 18 projectiles, which included rocks, bricks, fireworks, water
- 19 bottles, glass bottles, and construction debris. And we
- 20 just discussed in your testimony that that occurred and then
- 21 the dispersal order was given and then less lethal munitions
- 22 were fired. So what I'm trying to understand is: Where is
- 23 the debris? Can you point out to me the debris that was
- 24 landing on you?
- 25 A. I'm not going to be able to point it out on this video,
- art 1 sir.
 - 2 Q. But you stand by this report as an accurate report of
 - 3 what happened that day?
 - 4 **A.** It is a recollection of events that transpired.
 - 5 **Q.** Okay. So it might not be accurate is what you are
 - 6 telling me?
 - 7 **A.** It's a recollection of events that had transpired in
 - 8 that vicinity.
 - 9 MR. RIACH: Okay. Can you go ahead and press
 - 10 play.

11

12

18

21

- (Video recording played)
 - MR. RIACH: Can you -- I'm sorry, Ms. Anderson.
- 13 Can you pause. We're at 1 minute 29, Your Honor. Can you
- 14 scroll back just kind of frame by frame, Ms. Anderson. I
- 15 promise not to spend too much time on this, but I just want
- to see something here. Go back another one. Go back one
- 17 more maybe. Go forward.
 - MS. ANDERSON: Frame by frame?
- 19 MR. RIACH: Yeah, just go forward one frame.
- 20 Well, go ahead and just play the whole thing.
 - (Video recording played)
- 22 MR. RIACH: All right. Pause it right there.
- 23 Sorry. I'm sorry.
- 24 BY MR. RIACH:
- 25 Q. Do you see that individual kind of to the right part of

- 1 the frame?
- 2 A. Yes, sir, I do.
- 3 **Q.** Does that individual -- is there anything about that
- individual that suggests he might be a journalist?
- 5 **A.** I see the camera.
- 6 Q. Do you see anything on his clothing?
- **A.** I see on his back there may be some identifying marking,
- 8 but I can't read what it says, sir.
- 9 Q. Okay. If he had a big sign on him that said, "Press,"
- 10 would that be something you would consider an indicator that
- 11 he might be a journalist?
- 12 **A.** That would be one element, yes.
- 13 Q. Okay. That's one element. The fact that he's got kind
- 14 of a professional-looking camera and he is taking
- 15 photographs, is that another element?
- 16 **A.** Yes, sir.
- 17 **Q.** He's not participating in the protests, correct, or do
- 18 you consider that to be participation in the protests?
- 19 A. So there's a dispersal order that's given to this
- 20 vicinity, so I would say that he's engaged in the area where
- 21 riotous behavior was occurring.
- 22 **Q.** Okay. What was the riotous behavior that was occurring
- 23 right before you fired those munitions?
- 24 A. And, again, it's probably outside of the shot here. My
- 25 recollection is there's this riotous venue that's occurring.

278

- MR. RIACH: Okay. Go ahead and --1
- 2 THE COURT: And all this testimony pertains to
- 3 this exhibit at 1:22?
- 4 MR. RIACH: Correct, Your Honor. Thank you.
- 5 (Video recording played)
- 6 MR. RIACH: You can pause it there, Ms. Anderson.
- 7 BY MR. RIACH:
- 8 Q. At this point we haven't seen any debris come flying
- across the screen, have we? We've paused at 1 minute and
- 10 47 seconds. Have you seen any construction debris flying
- 11 through the air?
- 12 **A.** No, sir.
- 13 MR. RIACH: You can take this exhibit down.
- 14 BY MR. RIACH:
- 15 Q. Now, you had an operational plan in place when you
- 16 arrived at 32nd and Nicollet on May 30th, correct?
- 17 A. Yes.
- 18 **Q.** And the plan was to execute a mass arrest, right?
- A. That was developed, yes, upon prior knowledge of knowing
- 20 that the crowd was there, realizing that the Kmart parking
- 21 lot is there, yes.
- 22 Q. But before you got there on the buses, you already
- 23 planned to effectuate a mass arrest, correct?
- 24 **A.** There were conversations about that based on the curfew
- 25 violation, yes.

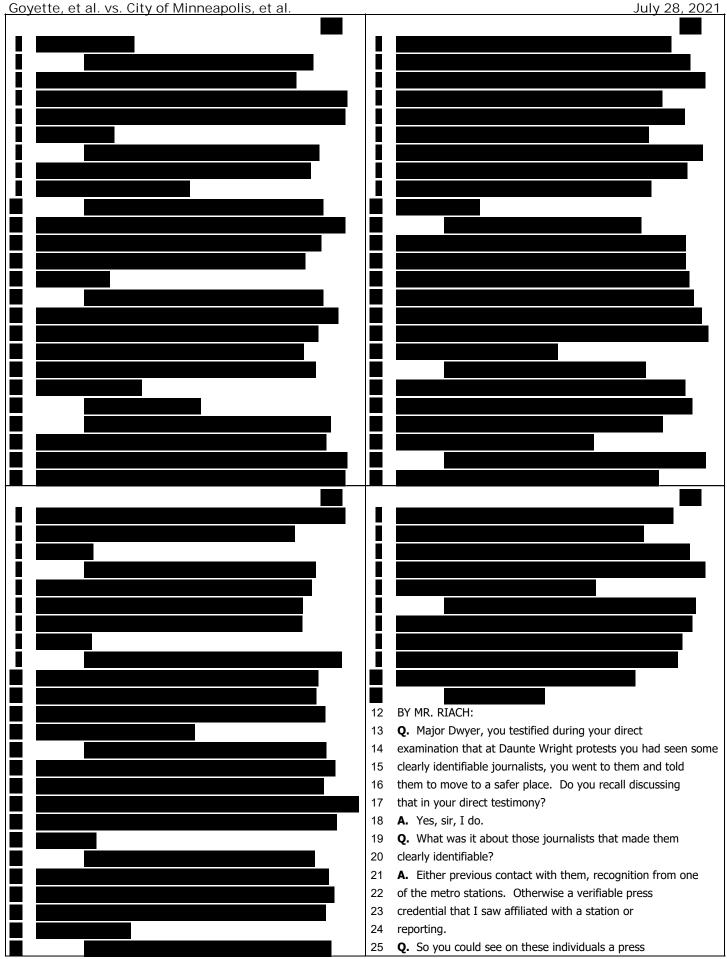

Q. And before you could effect that mass arrest, you had to

279

- 2 disperse the crowd for operational purposes, correct?
- 3 **A.** So they go hand in hand, you know, there's a dispersal
- and then there's an arrest process. They can also be
- separated. They can -- you can just give dispersal orders
- 6 and let the crowd continue and then, as previously stated,
- that pushes the problem into a different area or a different
- day. But, yes, given what we were faced that day, it was to
- 9 disperse into the area to the north.
- 10 Q. All right. Just to come back to the guestion, the plan
- 11 was you were going to go down there and effectuate a mass
- 12 arrest, correct?
- 13 **A.** That's my recollection.
- Q. And as part of that plan you had to disperse the crowd, 14
- 15 to drive them towards the Kmart parking lot because that's
- where you were going to effectuate the mass arrest, correct?
- 17 A. Yes, sir.
- 18 Q. Okay. And that was all decided before you even arrived,
- 19 correct?
- 20 **A.** We had those conversations, yes.
- 21 Q. All right. As a matter of fact, you had conversations
- 22 that the plan was to use shock and awe to subdue the
- 23 protesters, correct?
- 24 **A.** So that was a term or a military term that was assigned
- 25 to it afterwards, and I don't even recall where that

- 1 assignment occurred.
- Q. Well, when you briefed the troopers before you went down
- there, you told them that you were going to use the tactic
- 4 of overwhelming power and spectacular displays of force,
- 5 correct?
- 6 A. I don't recall that being my direction.
- 7 **Q.** That's not what you told the troopers?
- A. I don't recall, sir. We have briefings on the front 8
- side of it and there are, you know, conversations that occur 9
- 10 to get the mind-set of the troopers aligned with what's
- 11 going to occur.
- 12 **Q.** The plan was to paralyze the opposition to regain
- 13 control; is that correct?
- 14 **A.** I don't recall those being my words.
- 15 Q. Okay. So if that was the message that someone took away
- 16 from that briefing, would that have been an incorrect
- 17 message?
- 18 **A.** That is correct.
- 19 **Q.** Okay. They misunderstood you?
- 20 **A.** I don't ever recall using that terminology.
- 21 Q. Okay. You had been told, however, that the governor
- 22 wanted the unrest to end that night, correct?
- A. I was told, and I had also heard that law enforcement 23
- 24 would have a different posture.
- Q. An offensive posture? 25

Goyette, et al. vs. City of Minneapolis, et al. July 28 2021 281 1 **A.** A different posture than previous nights. from the curfews, that was because the other commanders you 2 Q. You were -- you briefed your troopers that they were to are talking about didn't inform them, correct? 3 use all necessary force to end the protests, correct? A. I would not agree with that, sir. 4 A. I do not recall "all necessary." We would use tools **Q.** Okay. Well, whose fault was it that the lieutenants 5 that we had to guell the riotous behavior. didn't know the media was exempt from the curfew? 6 **Q.** So if that was a trooper's understanding when they 6 MS. LANDRUM: Objection, assumes facts, Your 7 Honor. 7 arrived at that scene under your command, they misunderstood 8 the instructions you gave them? 8 THE COURT: Sustained. You may lay a foundation 9 and then ask that question, if you can. 9 **A.** Yes, sir. 10 **Q.** Okay. Now, you did not inform the troopers that the 10 MR. RIACH: At this point in time I'm going to 11 media was exempt from the curfew that night, correct? 11 pull up -- ask Ms. Anderson to pull up an attorneys' eyes 12 **A.** There were conversations about media. Actually, so we 12 only marked document, Your Honor, so to the extent we need 13 did have conversations that there was a media exemption. 13 to clear -- I think there may only be one individual. 14 Sorry, Mr. Tuite. 14 **Q.** Let me clarify my question because it was a little 15 15 unclear. You provided a briefing before you deployed out (Mr. Tuite excused from courtroom) 16 that night, correct? 16 17 A. Yes. 18 **Q.** You gathered together in a room with your troopers, yes? 19 **A.** Given the large amount, it was outside, yes. 20 Q. Okay. But you spoke to the group of troopers to tell 21 them what the mission was, right? 22 **A.** Yes, sir. 23 **Q.** Okay. And as part of that conversation, you didn't 24 discuss with them that media were exempt from the curfew, correct? 25 282 1 A. Personally, I did not. Q. Okay. And you hadn't given that cautionary instruction 3 to them any of the nights, did you? 4 A. So my memory of that is we had conversations at the 5 command level, at the captains level. So I am one of the 6 commanders. That information was communicated from the 7 captains to the lieutenants, that there was -- they were 8 exempted from the curfew, but they were not exempted from a 10 **Q.** And you had talked with your lieutenants about that? 11 **A.** So I had a conversation with my peer group of commanders 12 and then that message was relayed to the lieutenants, who in 13 turn would relay it to the troopers. 14 **Q.** When you say "was relayed," were you the person who 15 relayed that message? 16 **A.** To my peer group, yes. 17 **Q.** To the lieutenants? 18 **A.** Not personally, no. 19 Q. Whose job was it to relay that information to the 20 lieutenants? 21 **A.** The other co-commanders. 22 Q. Okay. So if the message wasn't conveyed, it was because 23 they didn't convey it, correct? 24 A. I'm -- I don't understand, sir. Q. If the lieutenants didn't learn that press was exempt

- 1 credential, and that indicated to you they might be a member
- 2 of the press. Then you went and spoke with them and you
- 3 confirmed they were a member of the press. Is that how it
- went with some of these folks?
- 5 A. Yes, sir.
- 6 Q. Okay. And when you say "a verifiable credential," what
- did you do to verify the credentials of these individuals
- you spoke with?
- 9 **A.** Given the environment, you know, if it proceeded to a
- 10 mass arrest situation, that's probably where the verifiable
- 11 came in, but having some knowledge of what Fox or KARE 11 or
- 12 those stations' logos, they seemed legitimate as I looked at
- 13 those and talked to them.
- 14 Q. All right. Now, you are familiar with the arrest of
- 15 Carolyn Sung, correct?
- 16 **A.** I am.
- 17 Q. You discussed that in your declaration you filed in this
- 18 case, right?
- 19 A. Yes.
- 20 Q. Okay.
- 21 MR. RIACH: And let's pull up Exhibit 37.
- BY MR. RIACH:
- **Q.** Do you recognize this document, Major Dwyer? 23
- 24 A. Yes, I do.
- 25 **Q.** All right.

290

- MR. RIACH: And, Ms. Anderson, can you move ahead
- to page 8. Thank you.
- 3 BY MR. RIACH:
- Q. That's your signature, correct, sir? 4
- A. Yes, sir, it is. 5
- 6 Q. All right.
- 7 MR. RIACH: Your Honor, we would move admission of
- Plaintiffs' 37. 8
- 9 MS. LANDRUM: No objection, Your Honor. It's
- already filed in this case. 10
- 11 THE COURT: Exhibit 37 is received.
- 12 MR. RIACH: Thank you, Judge.
- 13 MR. RIACH: So can you turn back to page 5,
- 14 please, of this exhibit, Ms. Anderson. Thank you.
- 15 BY MR. RIACH:
- 16 Q. Paragraph 14 of this declaration relates to Ms. Sung,
- 17 correct?
- 18 **A.** It does.
- 19 Q. All right. And it states you're aware of plaintiffs'
- 20 claim that CNN reporter Carolyn Sung was arrested by MSP
- 21 troopers on April 13th after she repeatedly offered her
- 22 press credentials, correct?
- 23 A. Yes, sir.
- **Q.** Okay. And it states, "Ms. Sung did not have her press
- credentials on her person, nor was she clearly identifiable

- as press." That -- is that information that you got from
- 2 your troopers?
- 3 A. Yes, it is.
- **Q.** And which troopers did you talk about this arrest with?

291

- **A.** So I had a conversation actually again with one of my
- peers, and that was a fellow captain and he informed me of 6
- the situation. As far as the specific troopers involved, I
- believe it was one of the troopers from the Detroit Lakes
- 9 district, but that's trying to recall.
- 10 Q. Okay. So you talked to the captain who supervised these
- 11 troopers, but not the troopers themselves; is that correct?
- 12 **A.** So we were made aware of the arrest of Ms. Sung after
- 13 the fact. So from our standpoint, myself and my captain
- 14 partner, we were trying to decipher or find out the timeline
- 15 of where Ms. Sung was at. And as soon as, like, her
- 16 credentials were matched up with her -- she had already
- 17 progressed through the processing line without credentials
- and without identification, but as soon as that was made 18
- 19 known to us, she was taken off site to a location to reunite
- 20 with her reporting team.
- 21 Q. All right. So you were present on the night of
- 22 April 13th when Ms. Sung was arrested?
- 23 A. I was in Brooklyn Center, yes.
- 24 **Q.** Okay. And I just want to make sure I'm understanding
- 25 your testimony correctly. So some of this information
 - that's in paragraph 14 comes from your experiences on
- April 13th dealing with the arrest of Ms. Sung; is that
- 3
- 4 **A.** Dealing with the individual's information relayed to me
- 5 who had --
- 6 Q. Okay. So you got information that a CNN journalist had
- been arrested, her name was Carolyn Sung. Who gave you that
- 8 information?
- 9 **A.** One of my fellow captains.
- Q. All right. And you get this information from your
- 11 captain. What did you do next?
- **A.** So then he was assigned to find out the location of this 12
- 13 individual or if Ms. Sung had proceeded through the
- 14 processing line; and once we were able to determine if that
- 15 occurred, then we were able to match her up with her
- 16 reporting team.
- 17 Q. So you set about trying to find out if she was still on
- site at the protests, that was your first step; is that
- 19 correct?
- 20 **A.** That was assigned to a captain, yes.
- 21 Q. Okay. And it was determined that she was still on site,
- 22 correct?
- 23 A. That is my belief.
- 24 Q. Okay. And it's your understanding that then she was
- 25 reunited with her reporting team?

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 293 295 1 A. Correct. Ms. Anderson.

5

7

- 2 Q. And you're confident that you have the whole story
- 3 there?
- 4 A. That's my understanding, yes.
- 5 **Q.** You write she was apparently separated from her
- 6 backpack. How did she get separated from her backpack; do
- 7 you know?
- 8 **A.** I do not.
- 9 Q. Okay. You're not aware of troopers grabbing her by the
- 10 backpack and throwing her to the ground?
- 11 **A.** No.
- 12 **Q.** The captain didn't convey that information to you?
- 13 **A.** That's not information I have.
- 14 Q. Are you aware that a trooper yelled at her, "Do you
- 15 speak English?"
- 16 **A.** I am not aware of that.
- 17 **Q.** You didn't hear anything about that?
- 18 **A.** I did not.
- 19 Q. Okay. Do you know Ms. Sung is Asian?
- 20 **A.** I do not.
- 21 **Q.** Okay. And you state, "Ms. Sung was released immediately
- 22 after her media status was confirmed," correct?
- 23 A. It is my belief that she was transported to one of our
- 24 district offices off site to be reunited.
- 25 Q. So she wasn't transported to the Hennepin County Jail,
 - 294

- 1 that's your understanding?
- **A.** That is my understanding, yes.
- 3 **Q.** She wasn't patted down and searched at the Hennepin
- 4 County Jail?
- 5 **A.** I do not have that information.
- 6 **Q.** There was no correction officer who put her hands into
- 7 Ms. Sung's pants and bra, you never heard about that?
- 8 A. I never heard that, sir.
- 9 Q. You never heard that she was told to strip and put on an
- 10 orange uniform?
- 11 **A.** I did not hear that, sir.
- 12 Q. Okay. Did you hear that she was placed in a jail cell?
- 13 **A.** I did not.
- 14 Q. Okay. Did you talk to Commissioner Schnell about this
- 15 incident at all?
- 16 **A.** I did not.
- 17 Q. He never reached out to you and said, "I'm investigating
- 18 an incident involving Carolyn Sung"?
- 19 A. I do not have that knowledge.
- 20 Q. Okay. Did you talk to him about this declaration?
- 21 A. To Mr. Schnell?
- 22 Q. Correct.
- 23 **A.** I did not.
- 24 Q. Okay.
- 25 MR. RIACH: You can take that down. Thanks,

- 2 Your Honor, I want to make sure I'm not trying the
- 3 Court's patience here. I have maybe 15 more minutes, 20
- more minutes. Is that going to sit me in bad stead? 4
 - THE COURT: And that would be the conclusion of
- any evidence from any party; is that correct? 6
 - MS. LANDRUM: Your Honor, typically I would like
- to do a redirect examination to address several of these
- 9 topics.
 - THE COURT: So you may have until 5:35, and then
- 11 we'll have redirect and then we will conclude this hearing.
- 12 MR. RIACH: Understood, Your Honor. Thank you
- 13 very much for your patience and forbearance. It's much
- 14 appreciated.
- 15 BY MR. RIACH:
- 16 **Q.** When did you first become aware of the temporary
- 17 restraining order in this case, Major?
- 18 A. It was the day following April 16th -- or the mass
- 19 arrest at Brooklyn Center. So April 15th?
- 20 MR. RIACH: Ms. Anderson, can you pull up -- I
- 21 want to make sure that we don't pull up an AEO document
- 22 inadvertently. I think we're okay. Ms. Anderson, can you
- 23 pull up Plaintiffs' Exhibit 27, please.
- 24 BY MR. RIACH:
- 25 Q. This is -- Exhibit 27 is an e-mail from Matt Sokol. The
- 296 top e-mail is from Matt Sokol to DPS patrol captains and
- above from April 17th. Is this the e-mail that -- where you
- 3 learned of the TRO?
- 4 **A.** I believe it says a TRO attachment, so yes.
- Q. You are on this distribution list, I guess is my 5
- 6 question?
- 7 **A.** Yes, sir, I am.
- Q. All right. And you don't recall hearing about the TRO
- before this e-mail was sent out, correct? 9
- 10 A. Not in the field, no.
- 11 Q. When you're out in the field, how often do you
- communicate with your supervisors? 12
- 13 **A.** So it's at that point situational dependent. When we
- are engaged in an operation, if you will, we will deploy and 14
- 15 implement our operation. If there's something where we need
- 16 assistance or contact with our supervisor, we will initiate
- 17
- 18 **Q.** And how do you communicate with your supervisors when
- you're out in the field? 19
- 20 **A.** Typically by cell phone.
- 21 Q. Okay. You have your cell phone on you when you're out
- 22 there?
- 23 A. Yes, sir.
- Q. Do you recall talking to your supervisors at all on the
- 25 evening of April 16th?

Goyette, et al. vs. City of Minneapolis, et al.

July 28, 2021

299

300

- 1 **A.** I'm sure there were multiple conversations.
- 2 **Q.** You don't recall anybody mentioning the temporary
- 3 restraining order during any of those conversations?
- 4 A. I do not.
- 5 Q. Okay. Now, you talked on your direct about documented
- 6 instances of individuals who claimed to be press. Do you
- 7 remember discussing that?
- 8 **A.** Yes, I do.
- 9 Q. Okay. And as an attachment to your declaration, you
- 10 attached police reports related to the documentation of
- 11 those incidents, correct?
- 12 **A.** Yes, sir.
- 13 **Q.** Other than those particular reports, were there any
- 14 other documented instances to your knowledge?
- 15 **A.** Not that our troopers had recollection or that were
- 16 provided.
- 17 **Q.** Okay.
- MR. RIACH: Can you pull up Plaintiffs' Exhibit 37
- 19 again, Ms. Anderson, and take us to paragraph 21. Can you
- 20 just pull up the last sentence of that paragraph, please.
- 21 BY MR. RIACH:
- 22 **Q.** Now, in your declaration you wrote, "Approximately
- 23 one-third of the crowd on any given evening during the April
- 24 2021 protests claimed media status." That's not an accurate
- 25 statement, is it?

- 298
- **A.** That was my assessment of the situation.
- 2 MR. RIACH: So can you pull us back to
- 3 paragraph 6, Ms. Anderson, and just highlight the first
- 4 line, please.
- 5 BY MR. RIACH:
- 6 Q. So it states here, "On April 12, 2021, a gathering of
- 7 approximately 1,000 protesters remained in the vicinity of
- 8 the Brooklyn Center Police Department past the lawfully
- 9 imposed curfew."
- 10 It was your assessment that one-third of those
- 11 thousand protesters were claiming media status?
- 12 **A.** These are estimated numbers, certainly, but I think the
- 13 key term in that is "claimed." So they were claiming to be
- 14 press, not that they were press.
- 15 Q. So you -- what was the -- did you hear 300 different
- 16 people claim to be media?
- 17 **A.** No, I did not.
- 18 Q. Did one of your troopers tell you that 300 people had
- 19 claimed to be media?
- 20 A. No.
- 21 **Q.** Is there documentation in the reports of 300 different
- 22 people claiming to be media who were not media?
- 23 **A.** There is not.
- 24 **Q.** So what did you base your assessment on that 300 people
- 25 on April 12th were falsely claiming to be media?

- **A.** So a majority of individuals -- not a majority.
- 2 Individuals that I would come in contact with, because I
- 3 would progress past the line of troopers to gain a better
- 4 vantage point, because we were engaged in like a lawful
- 5 arrest situation, to go, like, in close proximity to
- 6 individuals, they would say, "I'm a member of the media" or
- 7 "I'm press." There would be some conversation there. So
- 8 it's a mere correlation of the individuals that I
- 9 encountered and then --
- 10 **Q.** So you are extrapolating from your experience that
- 11 300 people falsely claimed to be media on the night of
- 12 April 12th?
- 13 **A.** There is some degree of that, yes.
- 14 **Q.** All right.

16

18

15 MR. RIACH: That's all I have, Your Honor.

REDIRECT EXAMINATION

- 17 BY MS. LANDRUM:
 - Q. Major, I want to touch very briefly on just a couple of
- 19 topics that you were just questioned on.
- Number one, with regard to the fact that there
- 21 were -- that the use of force reports, that those stopped
- 22 being issued during May of 2020, was that a problem that was
- 23 solved for purposes of April 2021?
- 24 **A.** Yes, it was.
- 25 **Q.** How so?
 - A. After reviewing what had occurred in that event in
- 2 Minneapolis, we made the decision or implemented across the
- 3 board that we need to revert back to the strict adherence to
- 4 the use of force policy and specifically no matter if an
- 5 individual is identified or not, that a use of force report
- 6 would be used.
- 7 So we have use of force reports that are preserved
- 8 now that are completed by a trooper and it simply says what
- 9 was the precipitating factor and what force was used in
- 10 return, but it doesn't identify an individual in those cases
- 11 where they couldn't be identified.
- 12 **Q.** And the new technology that you mentioned during our
- 13 direct examination, did that assist Minnesota State Patrol
- 14 in being able to better document the use of force and the
- 15 use of munitions?
- 16 **A.** Without a doubt. It provides it real time. If there
- 17 are instances of use of force or riot control agents are
- 18 used, it can be documented at the time that they are used.
- 19 Q. You also received questioning about Ed Ou's video and
- 20 the presence or nonpresence of debris within that video. Do
- 21 you remember that testimony?
- 22 **A.** Yes, I do.
- 23 **Q.** How long was Minnesota State Patrol on the ground on
- 24 May 30, 2020 in order to effect that mass arrest?
- 25 A. Leading up to it or --

Lori A. Simpson, RMR-CRR 651-848-1225

CASE 0:20-cv-01302-WMW-DTS Doc. 219-1 Filed 09/03/21 Page 76 of 78 Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 301 303 1 **Q.** In total that day. environment that had infected the city. 2 A. That day? So, like, in the area of Nicollet Mall, 2 Q. Was it the goal of Minnesota State Patrol, in effecting

3 ma'am?

4 **Q.** Yes.

5 **A.** We were there for a period of time to assess the crowd.

6 I'm estimating 15 to 20 minutes.

7 Q. Okay. And then after that portion of the video, how

8 long after that was Minnesota State Patrol on the ground?

9 **A.** For the duration of the evening into the early morning

10 hours the following day.

11 **Q.** We all saw on that video that we didn't see much debris.

12 Can you explain to the Court why that was, given your

13 recollection that you experienced Minnesota State Patrol

14 taking on significant debris?

15 A. Yes. So it is a recollection. I will add that it's not

16 real-time reporting. So the report was completed in a

17 manner that, just given the levity of the situation, I

18 wasn't able to document items as they were occurring or even

19 that evening and in the processing of the events that

20 transpired during this period of time, it was completed days

21 after the fact.

22 Q. Now, we did see in the video the use of munitions. Did

23 Minnesota State Patrol ever experience rioters throwing

24 munitions at Minnesota State Patrol?

25 **A.** Yes, that did happen.

302

Q. In Minneapolis in May of 2020?

A. Yes.

3 Q. Did it happen on Nicollet Avenue?

4 **A.** It did.

Q. To your recollection, did it appear on May 30th? 5

6 A. Yes, it did.

7 **Q.** Now, we heard some testimony that Minnesota State

Patrol, before they arrived in the bus, that they were 8

planning to do a mass arrest or a mass arrest was being

10 discussed. Did I hear that?

11 **A.** Yes, ma'am.

12 **Q.** At that point why? Why was that being planned in

13 advance of arrival? What was going on that was factoring

14 into that decision?

15 A. So this wasn't an isolated event. It wasn't a

16 gathering, a demonstration of individuals relative to the

17 events that had previously occurred. This is an ongoing

18 event. So it was Monday, Tuesday, Wednesday, essentially a

19 whole entire week of unrest, riotous behavior; and without

20 the implementation to effect a mass arrest where there's

21 consequences, that behavior would continue to occur.

22 So that was a tactic, a strategy that was

23 discussed in order to bring just the events of the week that

24 were unprecedented and unpredictable, to draw that to a

close, to restore some sort of order to a chaotic

3 that mass arrest, to stop peaceful protesters from having

their voice heard?

A. There was no ill intent. That was not the intent.

Q. Was it the intent of Minnesota State Patrol, in 6

7 effectuating and planning that mass arrest, to stop

journalistic efforts?

A. It was not.

10 **O.** What was the intent?

11 **A.** Again, to restore order to a chaotic environment, to

12 clear that area. And we always adhere to the elements of

13 neutrality and to make sure that ultimately the First

14 Amendment is upheld and that safety is provided.

15 Q. We heard your testimony about your rough estimate in

16 Brooklyn Center that you believed approximately one-third of

17 individuals to possibly be press. Could you explain to the

18 Court the reasons why you -- why there was that belief that

19 so many individuals may or may not be media.

20 **A.** Yes. Again, it's that term of "claimed." So there were

21 individuals that were displaying just, like, press patches.

22 Much like a law enforcement patch where it says, "Police,"

23 it was just a Velcro add-on to a piece of clothing.

24 Individuals with cameras and cell phones, I guess it's the

25 generalization that individuals are affiliated with the

304

1 press.

Q. We heard the testimony about Carolyn Sung and you heard

3 that there's an allegation that a Minnesota State Patrol

4 trooper or a law enforcement officer may have spoken to her

in a derogatory fashion. Did you hear that? 5

6 A. I did hear that.

7 Q. If that were to turn out to be true, Major, would that

be a violation of Minnesota State Patrol policy? 8

9 **A.** Yes, it would.

Q. And if that turned out to be true and it was validated,

11 would that be subject to discipline?

12 A. It would.

13

18

20

21

MS. LANDRUM: Thank you. No further questions.

14 THE COURT: Is there anything further for this

15 witness?

16 MR. RIACH: Just two --

17 MS. LANDRUM: No, Your Honor. Sorry.

MR. RIACH: I have two quick recross questions,

19 Your Honor.

THE COURT: You may.

MR. RIACH: Thank you.

22 RECROSS EXAMINATION

23 BY MR. RIACH:

24 Q. Major Dwyer, are you aware of any state trooper being

25 disciplined for any conduct involving journalists?

Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021

7

1 A. I am not.

2 Q. And you just testified that when you were circulating

- 3 among the protesters and the mass arrests, you saw people
- wearing press patches; is that correct?
- 5 **A.** That is correct.
- 6 **Q.** Did you document that anywhere?
- 7 A. I don't recall.

8 MR. RIACH: That's all I have, Your Honor.

9 **EXAMINATION**

10 BY THE COURT:

12 were wearing and the fact that individuals had cameras, or

13 was it that individuals were using their phones to videotape

or the camera aspect of their phone to record what was going 14

15 on?

16

18

23

A. Thank you, Your Honor. So I think that speaks to the

17 mere, like, confusing element of it.

There are individuals that are trying to portray

19 themselves as press, so they would indeed, you know, have

20 additions to their clothing. I think in one of the videos

21 we saw a vest that said, "Press" on it, but there's no,

22 like, verifiable credentials.

There were many individuals documenting the

24 events, and then having contact with them at a later point

25 they would say that they are affiliated with a blog or an

306

- independent business or what have you. So in those
- instances we would try to take steps to verify either
- 3 through their employer, but even we would implement means,
- 4 like, through the Secretary of State to see if they had an
- affiliation. And if there was anything leaning towards, we 5
- 6 would, you know, give the benefit of the doubt. So it was
- 7 the actual claim that, yes, individuals were affiliated with
- 8 the press.
- 9 **Q.** And that was based on their verbal representation?
- 10 **A.** At times, yes. We would have very -- it was very close
- 11 quarters and many times they were standing right in front of
- 12 the line and asking, you know, for compliance and it would
- 13 be a matter of "I'm the press," which was also compounded
- 14 by, like, my previous interactions with members of the
- 15 media, there were times where there was very unprofessional
- 16 dialogue being purported to myself or troopers by people
- 17 that were portraying them as press. So it was engaged in
- 18 conversation, yes.
- Q. Given the prevalence of phones that record and the use 19
- 20 of phones to record activity by individuals in the community
- 21 and members of the press, were you discerning any means of
- 22 differentiation?
- 23 **A.** So that's what lends itself to this difficult scenario
- 24 that we're trying to navigate through. So there's not an
- assignment that they're press, but they can certainly claim

that they're press.

2 So if there's interaction with law enforcement and

307

308

3 an individual and if they merely have a phone and they say,

"I'm with the press," you know, anybody at that location, 4

5 the entire crowd could say, "I'm a member of the press"

6 based on simply having a phone.

So if we are unable to identify and verify, that

speaks to the compounding issue or what complicates the

9 matter when we're trying to restore order in these areas.

10 It's a hurdle at the scene, and it severely complicates or

11 hinders the ability of law enforcement.

12 Q. Well, it seems to also hinder the ability of the free

13 press to do its work with the tools that it has, if they are

14 presumed not to be members of the press because they're

15 using an iPhone to record as opposed to something else,

16 doesn't it?

17 A. Yeah. And it's not, like, so much the recording tool,

18 but it's the working relationship. So to be able to have a

19 conversation with the individuals and ask them to go to a

20 safe location. Considering the law enforcement operation

21 and that an area that is deemed unsafe not only for the

22 individuals inside, law enforcement and in this case the

23 Brooklyn Center area, the heavily residential area, we need

24 compliance. We need to work collaboratively and

25 cooperatively. And given the instances that we've talked

1 about in Minneapolis and Brooklyn Center, it's those

2 instances that are problematic.

3 Q. So if a member of the press is using an iPhone as

4 opposed to a huge, you know, camera that would look like

something that an ordinary tourist would not have, you would 5

6 not be able to discern, but you would not necessarily take

7 their word for the fact that they were a member of the press

8 when they told you they were?

9 **A.** So, Your Honor, like, a piece of equipment has no

10 bearing on or, like, in my assessment of things on their

11 affiliation with the media. It could be a flip phone. It

12 could be an iPhone. It could be a commercial-grade camera.

13 It's being able to work through the dialogue and the

14 parameters, a conversation that they do have a press 15

affiliation.

16 So it's this double-edged sword of members of the 17 media in the crowd and the same riotous dynamic, even though

18 they may not be engaged in it, but then on the other side

19 it's individuals that are trying to emulate or mock members

20 of the media, which is the biggest concern, who try to cause

21 harm not specifically on law enforcement, but anybody in

22 that area, which we saw in Minneapolis. It wasn't -- nobody

23 was exempt from it. It was the business owners. It was 24 residences that were subject to the arson and the looting

25 and criminal activity night after night after night. Goyette, et al. vs. City of Minneapolis, et al. July 28, 2021 309 311 and for handling this in such a professional and fulsome So the media element isn't necessarily the largest 1 2 manner. So thank you for the excellence in your work today. 2 issue. It's those that are trying to portray themselves as 3 And so we will conclude now. The matter is taken 3 media. And given the chaotic environment and when we're under advisement and this will conclude our hearing. 4 asked to make basically split-second decisions on how to 4 5 MS. LANDRUM: Thank you. implement a plan to restore order in that environment, it's 5 6 (Court adjourned at 5:49 p.m.) very, very difficult, not to mention the environmental 6 7 conditions and other situational experiences that are 8 8 occurring. 9 9 THE COURT: I'm going to ask counsel in light 10 I, Lori A. Simpson, certify that the foregoing is a 10 of -- I invited these -- I asked these questions, invited correct transcript from the record of proceedings in the 11 this testimony from this witness. You have not had an 11 above-entitled matter. 12 12 opportunity to question the witness about anything that the 13 13 witness has just said as a result of my questions. Are 14 Certified by: s/ Lori A. Simpson there any additional questions that either counsel would 14 15 like to make or ask in light of this additional information? 15 Lori A. Simpson, RMR-CRR 16 MS. LANDRUM: No, Your Honor. 16 17 MR. RIACH: No, Your Honor. 17 18 THE COURT: Okay. Then the matter is taken under 18 advisement. Is there anything else that we need to address 19 19 20 at this time? 20 21 MS. LANDRUM: Your Honor, I have one minor 21 22 housekeeping. My co-counsel, Mr. Weiner, alerted me to the 22 fact that we laid foundation for Exhibit 10, which was the 23 23 use of force policy, but then I never asked Your Honor to 24 24 25 25 actually enter Exhibit 10, the use of force policy, into 310 1 evidence. May I do that now? 2 THE COURT: You may. And I thank your co-counsel 3 because I didn't realize that either. 4 MS. LANDRUM: Thank you. So the state defendants move to admit Exhibit 10. 5 6 MR. RIACH: No objection. MS. LANDRUM: Thank you, Your Honor. 7 8 THE COURT: Exhibit 10 is received. MS. LANDRUM: Thank you so much, Your Honor, for 9 the extra time today as well. 10 11 MR. RIACH: Your Honor, I also received one of those notes, that I forgot to offer Exhibit 27, which is the 12 e-mail thread to the DPS captains and above about the TRO. 13 We would ask to admit Exhibit 27. 14 15 THE COURT: Any objection? 16 MS. LANDRUM: I believe there's hearsay within 17 that exhibit, but now I don't have it pulled up and I don't 18 remember what it is. We won't object, Your Honor. You can consider it. 19 20 THE COURT: Exhibit 27 is received. 21 I want to thank co-counsel for both parties for 22 your diligence and making sure that we have a clear and

23

accurate record and a fulsome one. So thank you.

I also want to thank the attorneys for your presentations today and your questioning of the witnesses
