Application for "Art from Within" 2013

The Art from Within show features artwork that gives a personal and compelling view into the lives of real people whose civil liberties, protected under the Bill of Rights, have been challenged, violated or tested in some way. Past exhibits highlighted the art of individuals impacted by incarceration directly or indirectly.

The theme of this year's show focuses on the first 10 amendments of the U.S. Constitution, our Bill of Rights (ex: freedom of religion, freedom of expression, the right to speedy trial, due process, the right to bear arms, freedom to assemble, to protest). For more information about this year's theme, please contact us at 218.444.2285. This activity is made possible by the voters of Minnesota through a grant from the Region 2 Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage Fund.
