

Today I participated in the Warrant Forgiveness Day event held at Sabathany Community Center in South Minneapolis located on 38th and 3rd. I won't go into detail about my own warrant/case but the Warrant Forgiveness Day program was a one stop shop.

It was so convenient. The location was great, the hours 10am to 4pm was perfect. There was child care provided, public defenders, clerks etc. and yes "Judges". I was even allowed to do community service right on sight, which completed my debt. How great is that. I don't know how this program, project etc. got started or by whom. But I thank Usee. This is by far one of the greatest projects I have heard about!
